SECTION 6. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. CONTINGENCY RESTRICTION. In the event additional appropriations become necessary that are not authorized or contemplated in Section 3 of this Act

and specific cases, situations, and/or programs make it necessary that the State Securities Department receives additional appropriations to carry out the objectives of the agency, the Securities Commissioner is hereby authorized to request the approval of the Governor, the Chief Fiscal Officer of the State and prior approval by the Arkansas Legislative Council or Joint Budget Committee for transfers of the appropriations provided in the Contingency line item of Section 3 of this Act to other line items within Section 3. In no event shall the transfers in any fiscal year exceed the appropriations provided in the Contingency line item of Section 3 of this Act. The Governor may approve or modify such request for transfer of appropriations as in his judgment he deems necessary, and shall inform the Chief Fiscal Officer of the State and receive review and prior approval by the Arkansas Legislative Council or Joint Budget Committee. Upon notification, the Chief Fiscal Officer of the State shall direct the State Auditor to process said transfer upon his books in accordance with the provisions as set out herein.

Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a state agency each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization law. Further, the General Assembly has determined that the Securities Department may operate more efficiently if some flexibility is provided to the Securities Department authorizing broad powers under this section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

The provisions of this section shall be in effect only from July 1, ~~2011~~ 2012 through June 30, ~~2012~~ 2013.

SECTION 7. COMPLIANCE WITH OTHER LAWS. Disbursement of funds

authorized by this act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Procurement Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 8. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this act shall be in compliance with the stated reasons for which this act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 9. EMERGENCY CLAUSE. It is found and determined by the General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a one (1) year period; that the effectiveness of this Act on July 1, 2012 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2012 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2012.
