SECTION 12. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that there is an alarming lack of transparency in the corrections system regarding information about inmates who will soon be coming up for parole and released into society; that it is vital to public safety that the public know exactly what potential threats exist from inmates in the Department of Correction who will soon be introduced back into society; and that this act is immediately necessary because the sooner inmate, parolee, and probationer information is made available to the public, the sooner the public is able to evaluate who is and who is not a threat to society. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
