SECTION 5. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the retention of certain public records such as campaign contribution reports and statements of financial interest filed by public officials warrants recognition, promotion, and protection by this state; that it is of vital importance that the state immediately designates an official custodian of these records so that the public can be assured that a designated state office will keep the records; and that this act is immediately necessary to ensure that the records will be available for immediate inspection. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
