Positions established during the 2015-2016 fiscal year would be continued into the 2016-2017 fiscal year, along with the remainder of the available positions in the pool. All positions would sunset as of 6/30/17. All position advertisements shall clearly state the temporary employment period and hired individuals shall sign a disclosure form acknowledging the 6/30/17 end date.

(b) The Arkansas Public Employees Retirement System is authorized to access the pool positions authorized in this Section at any time it is determined by the Executive Director that the need exists to provide for continuity of services during those implementation heavy periods of time. The Executive Director shall provide a quarterly report of the number of positions utilized and associated salaries to the Chief Fiscal Officer of the State and to the Arkansas Legislative Council for review.

(c) Determining the number of personnel to be employed by a state agency is the prerogative of the General Assembly and is usually accompanied by delineating the maximum number of personnel by identifying job titles and the maximum grade or salary attached to those titles. The General Assembly has determined that the Arkansas Public Employees Retirement System could utilize these positions to better accomplish the major initiatives faced by the Agency during the 16-17 biennium by providing the temporary position pool in Subsection (a) of this Section. The General Assembly shall maintain oversight of the utilization of the position pool by requiring review of the Legislative Council. Therefore, the requirement of review by the Legislative Council is not a severable part of this Section. If the requirement of review is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

The provisions of this section shall be in effect only from July 1, ~~2015~~ 2016 through June 30, ~~2016~~ 2017.

SECTION 16. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Procurement Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary

Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 18. EMERGENCY CLAUSE. It is found and determined by the General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a one (1) year period; that the effectiveness of this Act on July 1, 2016 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2016 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2016.
