SECTION 1. Arkansas Code § 6-18-1904(b)(2)(B), concerning when a student's school choice transfer is voided, is amended to read as follows:

SECTION 4. Arkansas Code § 6-18-1906(a), concerning the limitations of school choice, is amended to read as follows:

(a)(1) If the provisions of this subchapter conflict with a provision of an enforceable desegregation court order or a district's court-approved desegregation plan ~~regarding the effects of past racial segregation in student assignment,~~ either of which explicitly limits the transfer of students between school districts, the provisions of the order or plan shall govern.

(2) ~~If~~ Annually by January 1, a school district that claims a conflict under subdivision (a)(1) of this section, ~~the school district~~ shall ~~immediately~~ submit proof from a federal court to the Department of Education that the school district has a genuine conflict under an active desegregation order or active court-approved desegregation plan ~~with the interdistrict school choice provisions of this subchapter~~ that explicitly limits the transfer of students between school districts.

(3) Proof submitted under subdivision (a)(2) shall contain the following:

(5) The department shall maintain on its website a list of school districts that are not required to participate in the school choice provisions of this subchapter.

(6) The State Board of Education may review a decision of the department upon written petition of the affected school district and may affirm or reverse the decision of the department under the rules promulgated by the state board to implement this subsection.

SECTION 5. Arkansas Code § 6-18-1907(c), concerning the two-year data collection requirement, is repealed.

~~(c)(1) The department shall collect data from school districts on the number of applications for student transfers under this section and study the effects of school choice transfers under this subchapter, including without limitation the net maximum number of transfers and exemptions, on both resident and nonresident districts for up to two (2) years to determine if a racially segregative impact has occurred to any school district.~~

~~(2) Annually by October 1, the department shall report its findings from the study of the data under this subsection to the Senate Committee on Education and the House Committee on Education.~~

SECTION 6. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that public school choice is effective in meeting the needs of students; that the current school choice provisions pose risks of students' being denied school choice without clarification of a school district's responsibility regarding its desegregation obligations; and that this act is immediately necessary to ensure that students have public school choice options for the 2017-2018 school year. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
