(B) Upon prior approval of the Arkansas Legislative Council, or if meeting in Legislative Session the Joint Budget Committee, the Chief Fiscal Officer of the State shall direct the transfer of funds and appropriations to the Shared Services Paying Account appropriation section of this act and the transfer of positions to the Regular Salaries – Shared Services appropriation section of this act on the books of the Treasurer of State, the Auditor of State, and the Chief Fiscal Officer of the State.

(2) The transfer authority provided in subdivision (a)(1) of this section for efficiencies and to eliminate duplication of services are limited only to those services that are provided for multiple divisions of a department, including without limitation to administration, human resources, procurement, communications, fleet operations, and information services.

(3) The transfer authority provided to the department in subdivision (a)(1) of this section may be used to make transfers only within the department's appropriation act or between other appropriation acts authorized for the department.

(b)(1) Each department utilizing the Shared Services Paying Account section or Regular Salaries – Shared Services section of this act shall submit a report to be included in the Budget Manuals for hearings, conducted by the General Assembly, listing all shared services transfers of positions, funds, and appropriation under this section, which shall be submitted as instructed by the Department of Finance and Administration - Office of Budget for uniformity.

(2) A report submitted under subdivision (b)(1) of this section shall include the following:

(A) The position number, authorized position title, class code, grade, business area, and name of the division, section, or unit for the position being transferred to the Regular Salaries – Shared Services section of this act; and

(B) The fund center, appropriation, appropriation amount, commitment item or items, business area, and name of the division, section, or unit for the fund or appropriation being transferred to the Shared Services Paying Account.

(c)(1) It is the intent of the Ninety-Second General Assembly that the authority under this section to transfer positions is intended for use for the time period prior to Fiscal Year 2022 to allow cabinet-level departments to establish a centralized Regular Salaries - Shared Services section, with the recommendation that the position transfer authority granted under this section be discontinued after that time.

(2) The Bureau of Legislative Research shall bring the recommendation in subdivision (c)(1) of this section to the attention of the chairs conducting the 2021 Regular Session pre-session budget hearings, the chairs of the Special Language Subcommittee, and the members of the Special Language Subcommittee during pre-session budget hearings.

Further, the General Assembly has determined that the cabinet-level departments created under Acts 2019, No. 910, may operate more efficiently if some flexibility is provided as authorized under this section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee, as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.
