SECTION 9. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. SECRETARY'S OFFICE/OFFICE OF CHIEF COUNSEL - PURCHASE OF EVIDENCE. Upon approval by the Chief Fiscal Officer of the State, the Chief Counsel for the Department of Human Services may transfer an amount up to but not to exceed \$12,000 and deposit same in a bank account for the purpose of purchasing evidence in the course of investigating the illegal use of food stamps/Electronic Benefit Transfer (EBT) cards. The funds so transferred shall be subject to accounting in a manner substantially similar to that employed by the Arkansas State Police for such transactions; provided however, that information tending to identify participants in such transactions shall be exempt from the Arkansas Freedom of Information Act.

The provisions of this section shall be in effect only from July 1, ~~2024~~ 2025 through June 30, ~~2025~~ 2026.

SECTION 10. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. HUMAN SERVICES RENOVATION FUND. Department of Human Services Renovation Fund.

(a) There is established on the books of the Treasurer of State, Auditor of State, and the Chief Fiscal Officer of the State a fund to be known as the Department of Human Services Renovation Fund.

(b) This fund shall be used for constructing, acquiring, renovating, maintaining, repairing, and equipping facilities of the Department of Human Services and for paying disallowances by the federal government.

(c) The fund shall consist of:

- (1) Federal reimbursement received by the Department of Human Services and deposited in the various fund accounts of the department; and
- (2) General revenues transferred from the Division of Youth Services, the Division of Aging, Adult, and Behavioral Health Services, and the Division of Developmental Disabilities Services for the purposes of repairing, renovating, equipping, acquiring and constructing Department of Human Services facilities with an annual maximum of five million dollars (\$5,000,000). The projects for which these transfers are authorized must be projects which were unanticipated during the preceding regular session of the Arkansas General Assembly and must be projects which, if not carried out in the interim period between regular sessions of the Arkansas General Assembly

would cause greater harm to the facilities, clients or programs of the Department of Human Services than to wait until the next regular session.

(3) Other non-general revenue funds as may be available within the Department of Human Services that can be used for the purposes of this fund.

(d)(1) At the request of the Secretary of the Department of Human Services, and upon certification of the availability of such funds, the Chief Fiscal Officer of the State shall initiate the necessary transfer documents to reflect the transfer on the books of record of the Treasurer of State, the Auditor of State, the Chief Fiscal Officer of the State, and the Department of Human Services.

(2) The Secretary of the Department of Human Services shall submit any transfer plan to and must receive approval of the plan from the Chief Fiscal Officer of the State, the Governor and the Arkansas Legislative Council or Joint Budget Committee prior to the effective date of the transfer.

(e) Provided, that any non-general revenue funding that may remain in the fund at the end of any fiscal year shall be carried over into the next fiscal year and all obligated general revenue funding that may remain in the fund at the end of any fiscal year shall be carried over into the next fiscal year to satisfy such legal and contractual obligations that have been entered into prior to the end of the fiscal year.

(f) Determining the amount of funds appropriated to a state agency is the prerogative of the General Assembly and is usually accomplished by delineating specific line items and by identifying the appropriation and funding attached to that line item. The General Assembly has determined that the Department of Human Services could be operated more efficiently if some flexibility is given to that agency. That flexibility is being accomplished by providing transfer authority in subsection (d) of this section, and since the General Assembly has granted the agency broad powers under the transfer authority concept, it is both necessary and appropriate that the General Assembly maintain oversight of the utilization of the transfer authority by requiring prior approval of the Legislative Council or Joint Budget Committee in the utilization of this transfer authority. Therefore, the requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

The provisions of this section shall be in effect only from July 1, ~~2024~~ 2025 through June 30, ~~2025~~ 2026.

SECTION 11. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW.

TRANSFER AUTHORITY. The Secretary of the Department of Human Services shall have transfer authority provided by the following:

(a) DEPARTMENT OF HUMAN SERVICES RENOVATION FUND. The Secretary of the Department of Human Services is authorized to request fund transfers according to the provisions established by Arkansas Code Ann. 19-5-1020, Department of Human Services Renovation Fund, as amended herein; and

(b) MATCH TRANSFER. The Secretary of the Department of Human Services, with the approval of the Chief Fiscal Officer of the State, is authorized to effect inter-agency and inter-divisional fund transfers for the purpose of providing the State's matching share for payments made to that Division or Office or its service providers for services eligible for federal reimbursement under programs administered by the Department of Human Services. The Department of Human Services shall report to the Legislative Council or Joint Budget Committee on a quarterly basis all fund transfers made in accordance with the authority granted by this section; and

(c) REALLOCATION OF RESOURCES: (1) The Department of Human Services (DHS) provides hundreds of different services to over 1 million Arkansans. The specific mix of service needs and the funding and staffing required to provide them can vary significantly based on many factors, including natural disasters, changing federal mandates and funding sources, demographic shifts, fluctuating court-ordered services, social trends, and job market variations such as nursing shortages. The impact of these factors through the course of any fiscal year make it very difficult for the Department to accurately predict the exact needs for funding, appropriation and positions in each of its over 100 different appropriations. To ensure that it can respond quickly to changing client needs and make the most effective use of the resources allocated to it, the Department of Human Services shall be authorized to utilize the reallocation of resource authority to make the proper adjustments to the budgets within the Department. Therefore, upon determination by the Secretary of the Department of Human Services that a reallocation of resources within the department is necessary for the efficient and effective

operation of the department, the Secretary, with approval of the Governor, shall have the authority to request, from the Chief Fiscal Officer of the State, a transfer of positions, appropriations, line item appropriations, and funds within or between existing and newly created divisions, offices, sections, or units of the department. Provided, however, that no transfer of funds or appropriation that provides direct support or matching support for the Arkansas Medicaid Program shall be made to any other fund account or appropriation that does not directly support the Arkansas Medicaid Program. Further, no positions, funds, or appropriation authorized during the budget process for the Division of Children and Family Services' compliance with initiatives established under the Angela R. consent decree shall be transferred to any other division. Nothing in this provision is intended to prevent the one-time transfers of savings in any other program to the Arkansas Medicaid Program, with the exception of the provisions previously cited for the Division of Children and Family Services – Angela R. consent decree. The Division of Developmental Disabilities – Grants to Community Providers line item of the Developmental Disabilities Services - Grants-in-Aid appropriation may not be decreased. The appropriation, funding, and positions provided for the five Human Development Centers shall remain at a level sufficient to ensure quality care for the Centers' residents. The exemptions provided in this subsection whereby certain DHS Programs and Divisions are protected from appropriation, fund, or position transfers are applicable only to the reallocation or transfer authority granted herein, and not by any reductions which are applicable to all state programs.

The Secretary of the Department of Human Services shall submit any requests for transfers to and must receive approval of the requests for transfers from the Chief Fiscal Officer of the State, the Governor, and the Arkansas Legislative Council or Joint Budget Committee prior to the effective date of the transfers. Provided, however, that the Department of Human Services shall be limited to submitting no more than four reallocation of resources transfer requests during any fiscal year. In each Departmental request no single division will request reallocation for more than one purpose as listed in this section. Transfer authority for unforeseen purposes shall further be limited to no more than 5% of the total appropriation, funding, and positions authorized for the Department. Reallocation of resources transfers may include multiple items but shall be limited to the

following purposes:

- i) Medicaid Program;
- ii) Facilities and institutions costs, including operational expenses and construction/renovation/equipping expenses;
- iii) Departmental grants and contracts;
- iv) Court ordered settlements and payments;
- v) Payment of administrative expenses, including but not limited to, overtime and other costs of personnel for critical services or functions necessary to carry out the mission of the agency;
- vi) Restructuring efforts as deemed necessary to comply with new and/or unanticipated federal or state mandates; and/or
- vii) Redirecting internal resources, both direct and/or indirect, to meet client needs and services.

Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a state agency each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization law. Further, the General Assembly has determined that the Department of Human Services may operate more efficiently if some flexibility is provided to the Department of Human Services authorizing broad powers under the Reallocation of Resources provisions herein. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

(2) If it is determined that the requested reallocation of resources transfers should be made, the Chief Fiscal Officer of the State shall then initiate the necessary transfer documents to reflect the transfers upon the fiscal records of the Treasurer of State, the Auditor of State, the Chief Fiscal Officer of the State, and the Department of Human Services. In addition, the Chief Fiscal Officer of the State, together with the Co-Chairpersons of the Legislative Council or Joint Budget Committee, may

approve, on an emergency basis, requests for utilization of this Section without prior approval of the Arkansas Legislative Council or Joint Budget Committee, with any such actions reported at the next meeting of the Arkansas Legislative Council or Joint Budget Committee.

The provisions of this section shall be in effect only from July 1, ~~2024~~ 2025 through June 30, ~~2025~~ 2026.

SECTION 12. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL, AND TEMPORARY LAW. Arkansas State Hospital – Insurance reimbursements and unspent set-aside funds for repairs recoupment.

(a) An insurance reimbursement received by the Department of Human Services to reimburse funds that were transferred from the EBD or Contingency Set-Aside in the Restricted Reserve Fund for critical storm damage repair for the Arkansas State Hospital shall be transferred, as the insurance reimbursement is received, on the books of the Chief Fiscal Officer of the State, the Treasurer of State, and the Auditor of State from the appropriate fund or fund account into which the department deposited the insurance reimbursement payment to:

(1) The EBD or Contingency Set-Aside in the Restricted Reserve Fund if the EBD or Contingency Set-Aside in the Restricted Reserve Fund is currently active with a balance greater than zero dollars (\$0.00); or

(2) The General Revenue Allotment Reserve Fund if the EBD or Contingency Set-Aside in the Restricted Reserve Fund is no longer active.

Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2025.
