(a) A governing body of a governmental entity may:

(1) By ordinance establish a PACE program within a designated area to make available property assessed capital expenditure financing or refinancing for qualifying improvements to the owner or owners of the eligible property from capital providers; and

(2) Exercise all powers granted under this chapter.

(b) To establish a direct financing PACE program under this section, the governing body of the governmental entity shall adopt an ordinance which includes:

(1) A finding that financing or refinancing of qualified improvements, repaid through special assessments on the eligible property benefitted by the qualifying improvement, is a valid public purpose;

(2) A statement that the governmental entity acting as a district intends to make special assessments to repay financing or refinancing from capital providers for qualifying improvement projects to voluntary and willing owners of eligible real property;

(3) A legal description of the boundaries of the designated area of the program;

(4) The incorporation by reference of the program guidebook;

(5) A description of the types of qualifying improvements eligible for the PACE program;

(6) Authorization of direct financing between an eligible property owner and a capital provider to finance or refinance qualifying improvements;

(7) Authorization and direction for a governmental entity official to enter into a special assessment agreement with the owner of eligible property and a capital provider, impose special assessments, and assign the rights to the special assessment liens and payments for special

assessments authorized under this chapter to capital providers;

(8)(A) Designation of a program administrator.

(B) If applicable, the governing body of the governmental entity shall describe any method of procurement that will be used to select and designate a third-party program administrator;

(9) A requirement that the interest rate, delinquent interest, penalties, terms of prepayment, and other terms of a PACE program special assessment shall be established by a capital provider in the related special assessment financing agreement for the assessment; and

(10) Direction to the preparer of tax books of the county in which the eligible property is located to include a special assessment imposed under this section on the property tax bill for the eligible property subject to the special assessment financing agreement and to collect the special assessment with real property taxes.

(c) A governmental entity may:

(1) Administer a program;

(2) Delegate administration of a program to a third party under § 8-15-116 or a governmental entity acting as a district; or

(3) Authorize the private collection of PACE program assessments by the third-party program administrator or capital provider under the terms, at times, and through methods described in the financing agreement.

(d)(1) If the program provides for third-party administration, the local government official authorized to enter into a written contract with a property owner under § 8-15-114(b)(7) shall also enter into a written contract with the party that administers the program.

(2) The contract shall require the third party to reimburse the local government for costs associated with:

(A) Monitoring the program;

(B) Imposing the assessment; and

(C) Billing and collecting payments.

(e) The financing for special assessments imposed under the PACE program may include without limitation:

(1) The cost of materials and labor necessary for the installation or modification of a qualified improvement;

(2) Permit fees;

(3) Inspection fees;

(4) Lender fees;

(5) Program application and administrative fees;

(6) Project development and engineering fees;

(7) Interest reserves;

(8) Capitalized interest, in an amount determined by the owner of the commercial property and the third-party providing financing under this chapter; and

(9) Other fees or costs incurred by the property owner incidental or ancillary to the installation, modification, or improvement on a specific or pro rata basis, as determined by the local government.

(f)(1) Notes and other financial instruments issued under this section are:

(A) Not general obligations of the governmental entity;

and

(B) Solely payable from special assessments on eligible property benefitted by the qualifying improvements.

(2)(A) The State of Arkansas or a governmental entity shall not use public tax revenue to fund or repay a PACE program assessment.

(B) This section does not authorize a governmental entity to pledge, offer, or encumber its full faith and credit, and a governmental entity shall not pledge, offer, or encumber its full faith and credit under this section.

(g)(1) A program administrator or governmental entity may impose a one-time administration fee for approved applications.

(2) Fees under subdivision (d)(1) of this section shall be limited to the lessor of:

(A) One percent (1%) of the principal amount financed; or

(B) Fifty thousand dollars (\$50,000).

(h) The governmental entity shall assign the right to payments from a special assessment from the owner of eligible property with a qualifying improvement to the capital provider who finances the qualifying improvement.

(i) Before entering into a special assessment financing agreement under this section, an owner of eligible property shall submit a PACE project application to the program administrator in a form consistent with the program guidebook, which shall include:

(1) Certification that the proposed qualifying improvement meets

the guidelines established in the program guidebook;

(2) Certification that the owner requesting the proposed qualifying improvement is the owner of record of the property on which the special assessment will be imposed and that there are no delinquent taxes or special assessments on the property; and

(3) The name of the capital provider providing the special assessment financing and the proposed terms of the special assessment financing agreement, including:

(A) The special assessment financing amount;

(B) The interest rate;

(C) Any administrative fees paid to the governmental entity or program administrator;

(D) A schedule of the installments of the special assessment;

(E) The number of years the special assessment shall be imposed on the eligible property;

(F) Delinquent interest and penalties; and

(G) The conditions by which the owner may prepay and permanently satisfy the debt owed under the special assessment financing agreement and remove the special assessment lien from the property.

(j) Before entering into a special assessment agreement or imposing a special assessment lien upon an eligible property, the governmental entity shall receive from the program administrator certification that the proposed qualifying improvement, eligible property, and owner qualify for financing under the PACE program.

8-15-115. Collection of PACE program assessments.

(a)(1) A PACE program special assessment payment shall be collected in a manner specified in the financing agreement.

(2) Assessments privately collected by a third-party program administrator under § 8-15-114(c)(3) may be collected at times specified by the financing agreement.

(3) Money derived from the imposition and collection of a PACE program special assessment payment shall be accounted for separate from other county funds.

(4) Each PACE program special assessment payment received by the

county shall be promptly remitted to the capital provider financing the qualifying improvement on the eligible property upon which the special assessment lien has been levied.

(b)(1) In order to secure PACE program financing authorized under this chapter, a governmental entity or district shall enter into a special assessment agreement with an owner of eligible property, and a capital provider in the case of direct PACE program financing, and shall subsequently record a special assessment lien equal in value to the total PACE financing amount against the eligible property where a qualifying improvement is installed.

(2) The special assessment lien shall attach to the eligible property when it is filed of record in the county recorder's office in the county in which the eligible property is located.

(3) The recording of the special assessment lien shall include:

(A) The legal description of the eligible property;

(B) The county assessor's parcel number of the eligible property;

(C) The grantor's name, which shall be the same as the owner on the special assessment agreement;

(D) The grantee's name, which shall be the governmental entity or district on whose authority the qualifying improvement is approved;

(E) The date on which the special assessment lien was created;

(F) The principal amount of the special assessment lien;

(G) The terms and length of the special assessment lien;

and

(H) A copy of the special assessment financing agreement.

(c) The priority of a special assessment lien created under this chapter shall be superior to all other liens, claims, and titles except for a lien for general ad valorem property taxes or a district lien that is coequal to property taxes.

(d) A governmental entity or district shall remove the special assessment lien from the property and record a discharge of the special assessment lien created under this chapter upon full payment of the special assessment lien.

(e) If the eligible property is sold, the:

(1) Special assessment lien runs with the land and shall stay attached to the eligible property; and

(2) Remaining special assessment financing created under this chapter is owed according to the term of the financing agreement by the new eligible property owner.

(f) If the eligible property enters into default or foreclosure:

(1) Payment of the special assessment shall not be sought from the governmental entity or a member of the district who does not own the eligible property that entered into default or foreclosure;

(2) The special assessment lien runs with the land, and that portion of the special assessment lien that has not yet become due is not accelerated or eliminated by the foreclosure or default of the special assessment lien or any lien for taxes or assessments imposed by the state, a local government, or district against the eligible property on which the special assessment lien is imposed; and

(3) The balance of the special assessment shall be repaid according to the terms of the agreed-upon schedule in the financing agreement.

(i) Delinquent payments due on a special assessment incur interest and penalties as specified in the financing agreement.

(j) Delinquent payments due on special assessments shall be enforced in the event of nonpayment of the special assessment or an installment of a special assessment.

(k) Delinquent payments due on special assessments have the effect of a delinquent mortgage payment and shall be foreclosed and sold in the manner provided by law for the foreclosure of mortgages on eligible property.

(l) The governmental entity or district on whose authority the qualifying improvement was authorized shall institute proceedings to foreclose the special assessment lien against the eligible property for which payment of the special assessment or installment of the special assessment is delinquent.

(m) In an action seeking the foreclosure of a special assessment lien against an eligible property, if there is no other purchaser for the eligible property having a delinquent special assessment lien, the governmental entity or district on whose authority the qualifying improvement was authorized may:

(1) Offer the eligible property to the capital provider if all

outstanding taxes are paid by the capital provider;

(2) Purchase the property sold at a foreclosure sale; or

(3) Bid, in lieu of cash, the full amount of the assessment, interest, penalties, attorney's fees and costs found by the court to be due and payable under the special assessment lien, and any costs taxed by the court in the foreclosure proceedings against the eligible property ordered sold.

(n) If a governmental entity or district fails or refuses to foreclose and sell an eligible property for the delinquent installments due on a special assessment following delinquency of a special assessment payment, the capital provider who financed the qualifying improvement for the eligible property may initiate foreclosure of the special assessment lien for the delinquent special assessment installments in the manner provided by law for the foreclosure of mortgages on real estate.

(o) Whenever a county is delinquent in the remittance of a special assessment payment received from an owner of eligible property to a capital provider who financed the qualifying improvement for the eligible property, the capital provider who financed the qualifying improvement for the eligible property has the rights and remedies for the collection and remittance of the special assessment as are given by law for the collection of judgments or other matters of local concern against cities, counties, and school districts.
