BUILDING AUTHORITY DIVISION - TRANSFER OF FUNDS - JUSTICE BUILDING OPERATIONS ACTUAL EXPENDITURES. Building Authority Division may from time to time as may be necessary and in such amounts as may be necessary and with the approval of the Chief Fiscal Officer of the State, request a transfer of funds from the State Central Services Fund to the Arkansas Building Authority Maintenance Fund for operation of the Justice Building for actual expenditures, in an amount not to exceed the dollar amount appropriated in the Justice Building Operation Section. Upon his or her approval, the Chief Fiscal Officer of the State shall then initiate the necessary transfer documents to reflect the transfer upon the fiscal records of the State Auditor, the State Treasurer, the Chief Fiscal Officer of the State and Building Authority Division.

The provisions of this section shall be in effect only from July 1, ~~2025~~ 2026 through June 30, ~~2026~~ 2027.

SECTION 33. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. BUILDING AUTHORITY DIVISION - TRANSFER OF FUNDS. Building Authority Division is hereby authorized, after seeking the approval of the Chief Fiscal Officer of the State and the Arkansas Legislative Council or Joint Budget Committee to

request transfer from the appropriation made in the Building Maintenance Section for Building Maintenance to the Acquisition and Maintenance appropriation in the Acquisition and Maintenance Section and to receive from another state agency that seeks like approvals its authority, appropriation and the transfer of funds to be deposited into the Building Authority Division Real Estate Fund to become part of the Acquisition and Maintenance appropriation, and to be used for any purposes as set forth by law for said Real Estate Fund.

Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a state agency each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization law. Further, the General Assembly has determined that Building Authority Division may operate more efficiently if some flexibility is provided to Building Authority Division authorizing broad powers under this section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

The provisions of this section shall be in effect only from July 1, ~~2025~~ 2026 through June 30, ~~2026~~ 2027.

BUILDING AUTHORITY DIVISION - TRANSFER TO FACILITIES MANAGEMENT CONTINGENCY APPROPRIATION AUTHORITY. (a) In order to provide a more cost effective method to address the emerging infrastructure needs of Arkansas State Government, appropriations and funds transferred to the Facilities Management Contingency Appropriation are to be used in the event that the Building Authority Division executes one or more building contracts or maintenance agreements with State Agencies, and the appropriations or funds otherwise provided for the Building Authority Division are not sufficient to address those needs, and it is more cost effective for Building Authority Division to execute these services. Any State Agency may transfer or deposit funds and appropriations to Building Authority Division - Facilities Management Contingency Appropriation authorized in the Building Maintenance Section of this Act to execute one or more building contracts or maintenance agreements with said State Agencies. Building Authority Division shall provide justification to the Chief Fiscal Officer of the State for the need of such appropriations and funds transfers and seek and receive approval of the Chief Fiscal Officer of the State. Building Authority Division shall then seek and receive the approval of the Arkansas Legislative Council or Joint Budget Committee. The requirement of approval by the Arkansas Legislative Council or Joint Budget Committee is not a severable part of the section. If the requirement of approval by the Arkansas Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

(b) The Chief Fiscal Officer of the State shall make the necessary adjustments on his or her books and the books of the Auditor of the State for the transfer or deposit of the funds and appropriations from each State Agency to the appropriation authorized in the Building Maintenance Section of this Act and to the various Building Authority Division accounts to be used exclusively by Building Authority Division for the fiscal year.

The request shall clearly state the amount required and such other information as may be required by the Chief Fiscal Officer of the State necessary to make a decision regarding the request. Upon approval of the Chief Fiscal Officer of the State and prior review by the Arkansas Legislative Council or Joint Budget Committee, the State Auditor shall be notified as of the amount and the purposes for which the appropriation and/or funding is to be transferred and shall be established upon the books of the Department of Finance and Administration and the State Auditor. If desired, the appropriation may be supplemental to those regularly appropriated for like purposes by the General Assembly for that agency.
