

SENATE AMENDMENT 2 TO sb142.

deleting lines 25 through 27 of page 1 and substituting:

"involves an anesthesiologist, a physician, a dentist, or other person lawfully entitled to order anesthesia, working with a Certified Registered Nurse Anesthetist, each contributing his or her area of expertise to the extent required by the credentialing process of the hospitals, outpatient surgical centers, and clinics where anesthesia is administered. Subject to the credentialing process of"

AND

by inserting on line 4 of page 2 between the comma (,) and the second use of the word "the" the phrase "consistent with the local standard of care,"
