

**SENATE AMENDMENT 1 TO sb468.**

deleting line 29 on page 1 and substituting therefor "newspaper. Persons required to publish a legal notice may use any one (1) of the above methods of publication in lieu of any other method of publication or in lieu of publication by newspaper."

AND

by inserting on line 5 on page 2 and additional subdivision to read as follows:

"(4) The broadcast media shall comply with all legal publication requirements set forth in this act, which currently exist and which apply to the print media including, but not limited to, providing certification that the television or radio broadcast occurred in compliance with Arkansas law."
