

**SENATE AMENDMENT 2 TO SB5.**

inserting on line 30 of page 1 between the word "It" and the word "shall" the following language:

"is the current law and public policy of Arkansas to prohibit sodomy and other deviant sexual acts, as evidenced by Arkansas Code § 5-14-122; to protect, preserve and enhance the traditional family structure, as evidenced by the laws providing for inheritance and transfers of property rights among family members, regulating divorce and annulment, dower and homestead rights, spousal immunity in tort and criminal actions, and by special taxation status for married individuals; and to recognize so-called \_same-sex\_ marriages contracted in other states would present a direct affront to the these articulated vital state policies, therefore it".
