Except as otherwise provided in §§ 20-16-804 and 20-16-805, no person may perform an abortion upon an unemancipated minor, or upon a woman for whom a guardian or custodian has been appointed because of a finding of incompetency, unless the person or the person's agent first obtains the written consent of either parent or the legal guardian or custodian.

SECTION 2 Arkansas Code § 20-16-802 is amended to read as follows:

20-16-802. Definitions.

As used in this subchapter, unless the context otherwise requires:

(2) "Medical emergency" means a condition that, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of a pregnant woman as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create serious risk of substantial and irreversible impairment of a major bodily function;

~~(2)~~(3) "Minor" means an individual under the age of eighteen (18) years;

~~(3)~~(4) "Parent" shall mean ~~both parents~~ either parent of the pregnant woman if they are both living; one (1) parent of the pregnant woman if only one (1) is living or if the second one (1) cannot be located through reasonably diligent effort; or the court-appointed guardian or custodian if the pregnant woman has one; and

(e) A photocopy of the proof of identification and the written consent statement shall be maintained in the minor's or incompetent woman's medical records for a period of five (5) years from the date of the abortion.

The State Military Department is hereby authorized to pay hazardous duty pay to provide special compensation to eligible firefighting personnel to compensate for the increased risk of personal injury and occupational exposure. The hazardous duty pay authorized herein shall be an amount equal to five and one-half percent (5.5%) of the annual salary authorized by law to any eligible employee and shall only be made available to the personnel occupying the following positions.

Such amounts shall be considered as Regular Salary and the Department of Finance and Administration shall adopt the necessary rules and regulations for the administration of this provision. Employees covered by the provisions of this Section shall be eligible for special compensation for hazardous duty only upon a determination by the Chief Fiscal Officer of the State that sufficient

federal revenues that fund these positions are available to sustain payment of the additional compensation levels herein authorized. It is the intent of this section that such payments shall be mandatory so long as sufficient federal revenues that fund these positions exist and shall not be implemented using funds specifically set aside for other programs within the Department.

(a)(1) The election officials for absentee ballots shall meet in the courthouse in a place designated by the county board of election commissioners on election day for the purpose of processing absentee ballots.

(5) Absentee or early votes may be counted prior to the closing of the polls on election day.

(b)(1) The opening, processing, counting, and canvassing of absentee ballots

shall be conducted as follows:

(A) One (1) of the election officials shall open outer absentee ballot envelopes one (1) by one (1) and verify the contents;

(B) If the required materials are properly placed in the outer absentee ballot envelope, the election official shall proceed to read aloud from the voter statement the name of the voter and the voting precinct in which the voter claims to be a legal voter;

(C) If the required materials are not properly placed in the outer absentee ballot envelope, a second election official shall open the inner absentee ballot envelope to verify the contents;

(D) If all required materials are present within one (1) or the other envelopes, the election officials shall put the materials in the proper envelopes while preserving the secrecy of the voter's ballot and shall proceed to read aloud from the voter statement the name of the voter and the voting precinct in which the voter claims to be a legal voter;

(E) As each outer envelope is opened and the name of the voter is read, the election officials for the absentee box shall list in duplicate the name and voting precinct of the voter;

(F)(i) After the election official reads aloud from the statement, the election officials shall compare the name, address, date of birth, and signature of the voter's absentee application with the voter's statement and, for first-time voters who registered by mail, the first-time voter's identification document unless the voter previously provided identification at the time of mailing the voter registration application.

(ii) If the application and the voter's statement do not compare as to name, address, date of birth, and signature, ~~or if the first-time voter failed to provide the required identification with the ballot or at the time of mailing the voter registration application, the absentee application, absentee ballot envelope, and voter's statement shall be placed in an envelope marked "provisional"~~ the absentee ballot shall not be counted;

(iii) If a first-time voter fails to provide the required identification with the ballot or at the time of mailing the voter registration application, then the absentee application, absentee ballot envelope, and voter’s statement shall be placed in an envelope marked “provisional” and the ballot shall be considered a provisional ballot.

(G) If the absentee voter fails to return the required materials, the contents of both envelopes shall be placed in an envelope marked "provisional";

(H)(i) The election official shall record the reason for the

challenge on the envelope, and it shall be referred to the county board.

(ii) The county board shall determine whether the voter is qualified and whether or not the vote shall be counted;

(I) Failure of the voter to submit the required absentee materials in the proper envelopes shall not be grounds for challenging the ballot;

(J) If no challenge is made, the election official shall, without opening the inner envelope containing the ballot, remove the inner envelope and place it in the ballot box without marking it in any way;

~~(K) The ballot stub ends shall be placed in a separate ballot box designated for them and retained as are other ballot stub ends;~~

~~(L)~~(K)(i) After all of the outer envelopes have been opened and a list has been made in duplicate of the name and voting precinct of the voters, as required in this section, the election officials of the absentee box shall preserve all the statements of voters and the voters' identification documents and deliver them to the county clerk, who shall file and keep them for the same length of time after the election as is required for retention of other ballots.

(ii) The voter statements shall be made available for public inspection during regular business hours.

(iii) The voters' identification documents shall not be subject to public inspection except as part of a judicial proceeding to contest the election;

(d) It is the intent of this section to permit the election officials for absentee ballots to meet and process, canvass, and count absentee ballots according to this section prior to the closing of the polls on election day.

(e)(1) Absentee votes may be cast on paper ballots or ballot cards, or both methods may be used.

~~(1)~~(2) The ballots shall first be counted for write-in votes by the election officials. Then, the ballots may be either hand counted or automatically counted on an electronic system, whichever is more convenient.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the cost of insurance coverage can be an impediment to teachers pursuing a career in the public school system; that school districts more easily recruit and maintain quality teachers if health insurance benefits are improved; and that this act will provide such necessary improvements to current benefits coinciding with the beginning of the fiscal year and school year. Therefore, an emergency is declared to exist and this act being necessary for the preservation of the public peace, health, and safety shall become effective on July 1, 2005."

9-28-409. Criminal record and child maltreatment checks.

(a)(1) Each of the following persons in a child welfare agency shall be checked with the child maltreatment central registry in his or her state of residence and any state of residence in which the person has lived for the past six (6) years and in the person's state of employment, if different, for reports of child maltreatment in compliance with policy and procedures promulgated by the Child Welfare Agency Review Board:

(B) A volunteer having direct and unsupervised contact with children;

(C) A foster parent and all household members age ten (10) years and older;

(D) An adoptive parent and all household members age ten (10) years and older;

(E) An owner having direct and unsupervised contact with children; and

(F) A member of the agency's board of directors having direct and unsupervised contact with children.

(2) The board shall have the authority to deny a license or church-operated exemption to any applicant found to have any record of founded child maltreatment in the official record of the registry.

(3)(A) Any person required to be checked under this section who is found to have any record of child maltreatment in the official record of the registry shall be reviewed by the owner or operator of the facility in consultation with the board to determine appropriate corrective action measures which would indicate, but are not limited to, training, probationary employment, or nonselection for employment.

(B) The board shall also have the authority to deny a license or church-operated exemption to an applicant who continues to employ a person with any record of founded child maltreatment.

(4) All persons required to be checked with the registry under this subsection shall repeat the check every two (2) years, except that adoptive parents who reside in Arkansas shall repeat the check every year pending court issuance of a final decree of adoption, at which point repeat checks shall no longer be required.

(b)(1) Each of the following persons in a child welfare agency who has lived in Arkansas continuously for six (6) years or more shall be checked with the Identification Bureau of the Department of Arkansas State Police for convictions of the offenses listed in this subchapter in compliance with policy and procedures promulgated by the board:

(B) Failure to maintain that evidence on file will be prima facie grounds to revoke the license or church-operated exemption of the owner or operator of the child welfare agency.

(3) All persons required to be checked with the Department of Arkansas State Police under this subsection shall repeat the check every five (5) years, except that adoptive parents shall not repeat the check after court issuance of

a final decree of adoption in the adoption case for which the check was obtained.

(4) Adoptive parents shall complete background checks as required by law.

(c)(1) Each of the following persons in a child welfare agency who has not lived in Arkansas continuously for the past six (6) years shall be checked with the Federal Bureau of Investigation for convictions of the offenses listed in this subchapter, in compliance with federal law and regulations and with policy and procedures promulgated by the board:

(A) An employee having direct and unsupervised contact with children;

(B) A volunteer having direct and unsupervised contact with children;

(C) A foster parent and all family members age sixteen (16) years and older;

(D) An owner having direct and unsupervised contact with children; and

(E) A member of the agency's board of directors having direct and unsupervised contact with children.

(2)(A) The owner or operator of a child welfare agency shall maintain on file, subject to inspection by the board, evidence that the Federal Bureau of Investigation's criminal records checks have been initiated on all persons required to be checked and the results of the checks.

(B) Failure to maintain that evidence on file will be prima facie grounds to revoke the license or church-operated exemption of the owner or operator of the child welfare agency.

(d)(1) Each person required to have a criminal records check under this subchapter shall complete a criminal records check form developed by the Department of Human Services and shall sign the form which contains the following under oath before a notary public:

(A) Certification that the subject of the check consents to the completion of the check;

(B) Certification that the subject of the check has not been convicted of a crime and, if the subject of the check has been convicted of a crime, contains a description of the crime and the particulars of the conviction;

(C) Notification that the subject of the check may challenge the accuracy and completeness of any information in any report and obtain a prompt determination as to the validity of the challenge before a final determination is made by the board with respect to his or her employment status or licensing status;

(D) Notification that the subject of the check may be denied a license or exemption to operate a child welfare agency or may be denied unsupervised access to children in the care of a child welfare agency due to information obtained by the check which indicates that the subject of the check has been convicted of, or is under pending indictment for, a crime listed in this subchapter; and

(E) Notification that any background check and the results thereof shall be handled in accordance with the requirements of Pub. L. 92-544.

(2) The owner or operator of the child welfare agency shall submit the criminal records check form to the Identification Bureau of the Department of Arkansas State Police for processing within ten (10) days of hiring the employee, who shall remain under conditional employment until the registry check and criminal records checks required under this subchapter are completed.

(3) Nothing in this section shall be construed to prevent the board from denying a license or exemption to an owner or preventing an operator or employee in a child welfare agency from having unsupervised access to children by reason of the pending appeal of a criminal conviction or child maltreatment determination.

(4) In the event a legible set of fingerprints as determined by the Department of Arkansas State Police and the Federal Bureau of Investigation cannot be obtained after a minimum of three (3) attempts by qualified law enforcement personnel, the board shall determine eligibility based upon a name check by the Department of Arkansas State Police and the Federal Bureau of Investigation.

(5)(A) An owner or operator of a child welfare agency shall not be liable during a conditional period of service for hiring any person required to have a background check pursuant to this subchapter who may be subject to a charge of false swearing upon completion of central registry and criminal records check.

(B)(i) Pursuant to this subchapter, false swearing shall occur when a person while under oath provides false information or omits information that the person knew or reasonably should have known was material.

(ii) Lack of knowledge that information is material is not a defense to a charge of false swearing.

(C) For purposes of this subchapter, false swearing is a Class A misdemeanor.

(e)(1) Except as provided in ~~subdivision (d)(2)~~ subdivisions (d)(2) or (h)(1) of this section, no person who is required to have a criminal check under subdivision (b)(1) or (c)(1) of this section shall be eligible to have direct and unsupervised contact with a child in the care of a child welfare agency if that person has pleaded guilty or nolo contendere to or has been found guilty of any of the following offenses

(A) Child abuse or neglect;

(C) A crime against children, including child pornography; or

(D) A crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery.

(2) No foster child in the custody of another state agency who is placed in Arkansas shall be placed in any home if the criminal record check reveals a felony conviction of any adult in the home for physical assault, battery, or a drug-related offense if the offense was committed within the past five (5) years.

(h)(1) For purposes of this section, an expunged record of a conviction or plea of guilty or nolo contendere to an offense listed in subdivision (e)(1) of this section shall not be considered a conviction, guilty plea, or nolo contendere plea to the offense unless the offense is also listed in subdivision (h)(2) of this section.
