ARKANSAS SENATE

NINETY-FIFTH GENERAL ASSEMBLY

REGULAR SESSION

Amendment No. 1 to HOUSE BILL NO. 1800

Amend House Bill No. 1800 as engrossed H4/1/25:

Page 1, delete line 11, and substitute "REPRESENTATIVE OF A HOSTILE FOREIGN PRINCIPAL; TO"

AND

Delete the subtitle in its entirety, and substitute the following:

"TO AMEND THE LAW CONCERNING DISCLOSURE FOR CAMPAIGN FINANCE; TO REQUIRE DISCLOSURE BY A REPRESENTATIVE OF A HOSTILE FOREIGN PRINCIPAL; AND TO AMEND PORTIONS OF THE ARKANSAS CODE THAT RESULTED FROM INITIATED ACT 1 OF 1990."

AND

Delete SECTION 5 in its entirety, and substitute the following:

Subchapter 11 —— Disclosure by Representatives of a Hostile Foreign Principal

21-8-1101. Legislative findings.

The General Assembly finds that:

(1) The voters, citizens, and policymakers of this state are entitled to transparency in the political and propaganda activities of organizations that may be controlled by or under the influence of foreign countries hostile to the interests of this state and of the United States;

(2) In an increasingly globalized world, determining whether an organization's political and propaganda activities are funded by hostile foreign interests is often difficult; and

(3) Legislation is needed to ensure the transparency necessary to allow voters, citizens, and policymakers to evaluate whether political and propaganda activities are funded by potentially hostile foreign actors.

21-8-1102. Definitions.

As used in this subchapter:

(1) "Foreign-supported political organization" means a political party or a domestic partnership, association, corporation, organization, or any other combination of persons that has, within the past five (5) calendar years, received money or other things of value from a hostile foreign principal or a representative of a hostile foreign principal and that engages in political activity;

(2) "Hostile foreign nation" means the:

(A) People's Republic of China;

(B) Russian Federation;

(C) Democratic People's Republic of Korea; or

(D) Islamic Republic of Iran;

(3) “Hostile foreign principal” means:

(A) A government of a hostile foreign nation, a political party of a hostile foreign nation, or any member of a political party of a hostile foreign nation;

(B) A nonresident alien of a hostile foreign nation; or

(C) A partnership, association, corporation, organization, or other combination of persons organized under the law of or having its principal place of business in a hostile foreign nation;

(4) “Political activity” means an activity that is performed to influence an agency or public official of this state, a local government entity within this state, or the public within this state, with reference to:

(A) Formulating, adopting, or changing the policies or laws of this state; or

(B) Electing or opposing a candidate for local or state public office, not including campaign donations; and

(5) “Representative of a hostile foreign principal” means a person:

(A) Who acts as an agent, employee, representative, or servant, or otherwise acts at the order, request, or under the direction or control of a hostile foreign principal;

(B) Whose actions are financed in whole or in part by a hostile foreign principal; and

(C) Who engages in political activity.

21-8-1103. Transparency in representation of hostile foreign principals.

(a)(1) Except as otherwise provided in this subchapter, a person shall not act as a representative of a hostile foreign principal unless the person has filed a true and complete registration statement with the Secretary of State as required by this subchapter.

(2) Except as otherwise provided in this section, a person who becomes a representative of a hostile foreign principal shall file a registration statement under oath with the Secretary of State within ten (10) days of the person's becoming a representative of a hostile foreign principal.

(3) The obligation of a representative of a hostile foreign principal to file a registration statement, after the tenth day of becoming a representative of a hostile foreign principal, shall continue from day to day, and termination of status as a representative of a hostile foreign principal shall not relieve the representative of a hostile foreign principal from the obligation to file a registration statement for the period during which he or she was a representative of a hostile foreign principal.

(b) The registration statement required under this section shall include the following:

(1) The registrant's:

(A) Name;

(B) Principal business address;

(C) Other business addresses in the United States or elsewhere; and

(D) Residence addresses, if any; and

(2) A comprehensive statement of the nature of the registrant's business.

(c) A registered representative of a hostile foreign principal under this subchapter shall update the registration statement required under this section no less frequently than quarterly.

21-8-1104. Transparency in foreign-supported political organizations.

(a) No later than January 31, 2026, and each following year, each foreign-supported political organization shall register with the Secretary of State and provide the following information:

(1) The name of the foreign-supported political organization, its business address, and upon request the names, titles, and addresses of all officers and directors of the foreign-supported political organization;

(2) If the foreign-supported political organization is affiliated with or a chapter of a national organization, the name of the national organization, its address, and the names and addresses of its officers and directors;

(3) A detailed statement of any expenditures of money or other things of value made by the foreign-supported political organization within the prior calendar year to influence an agency or public official of this state, a local government entity within this state, or the public within this state, with reference to formulating, adopting, or changing the policies or laws of this state or electing a candidate to local or state public office; and

(4) A detailed statement of all money or other thing of value received by the foreign-supported political organization from a hostile foreign principal or a representative of a hostile foreign principal during the prior calendar year.

(b) A foreign-supported political organization under this subchapter shall update the registration statement required under this section no less frequently than annually.

21-8-1105. Penalties for violation.

(a) Upon receipt of a complaint that a representative of a hostile foreign principal or a foreign-supported political organization has failed to comply with the registration and reporting requirements of this subchapter, or upon his or her own determination, the Secretary of State may investigate and assess penalties for the violation of this subchapter.

(b) The Secretary of State may assess the following civil penalties:

(1) For any violation of this subchapter, up to five hundred dollars ($500) per violation; and

(2) For willful or repeated violations of this subchapter, up to two thousand dollars ($2,000) per violation.

21-8-1106. Rules.

The Secretary of State shall promulgate rules to:

(1) Create and maintain registration statement forms as described under this subchapter; and

(2) Implement this subchapter."

(3) The minimum reimbursement level shall be established at the healthcare provider's contract level based on the healthcare provider's specific compliment of services.

(b) The minimum reimbursement level under subdivision (a)(1) of this section shall be phased in according to the schedule below:

(c) A healthcare insurer or health benefit plan that has violated this subchapter shall be required to repay the healthcare provider all amounts in violation of this subchapter plus eight percent (8%) interest and five percent (5%) in administrative fees, inclusive of amounts otherwise due from the patient.

23-99-2005. Prohibition on pricing increases.

rates, cost sharing, or per-member-per-month costs or payments for rates or insurance policies that are required to be reviewed by the Insurance Commissioner under §§ 23-79-109 and 23-79-110, the commissioner shall consider the following additional factors in his or her review:

(1) The extent to which the healthcare insurer's RBC level as defined in § 23-63-1302 is less than six hundred fifty percent (650%); and

(2)(A) To the extent permitted by federal law, whether the healthcare insurer's medical loss ratio is greater than eighty-five percent (85%) on clinical services and quality improvement.

(b) An agreement or other arrangement that violates this subchapter is void.

(c) All remedies, penalties, and authority granted to the Insurance Commissioner under the Trade Practices Act, § 23-66-201 et seq., including the award of restitution and damages, shall be made available to the commissioner for the enforcement of this subchapter.

(d) A violation of this section is a deceptive act, as defined by the Trade Practices Act, § 23-66-201 et seq., and § 4-88-101 et seq. except that the statute of limitations for private causes of action against an insurer by a healthcare provider shall be five (5) years for a violation of this section."

Governor

April 23, 2025

Dear President Pro Tempore Hester and Speaker Evans,

Pursuant to my authority under Ark. Const. Art. 6, §15, I am returning without my approval Senate Bill 451, entitled "To require the Department of Human Servies and the Department of Education to establish regional behavioral health programs; to amend the law concerning the education of certain students; and to declare an emergency."

School administrators, teachers, and principals are increasingly managing student behavioral issues, including aggression and violence. These issues cause disruptions in the academic environment, distracting from schools' core function: a safe environment where all students can learn. Without sufficient interventions, these issues will continue to distract from our focus on academic improvement. While I applaud the intent and goal of this legislation, I don't think it addresses this issue in the targeted way we need without taking away from ongoing efforts. Therefore, I am vetoing this legislation.

I have directed the Secretaries of the Department of Education and the Department of Human Services to work with interested parties to come up with a solution that is more tailored to the needs of our local public schools.

Sincerely,

Dear Ms. Cornwell:

The General Assembly's use of emergency clauses in the general session this year was unnecessarily excessive. While some legislative measures need to take immediate effect, most do not. Rather than repeatedly inserting impractical objections during the session to what has seemingly become a common ingredient in Arkansas legislation, please instead record this letter in the Senate Journal as an expression of my general disapproval of the use of emergency clauses from this year's session.

When an ordinary legislative measure is referred to the people by referendum, the measure remains in abeyance until a vote of the people has taken place. As a result, the measure only becomes law if the people approve. But the opposite is true when an emergency clause is added to the mix. An emergency measure becomes law "without delay," and "shall be a law until it is voted upon by the people" and "repealed." In short, Arkansans have a harder time successfully referring and repealing *existing* laws than they do referring and rejecting *potential* laws. In light of that reality, I generally disapprove of a practice that dilutes the peoples' voice. Emergency clauses should only be used in the face of true emergencies.

To explain further, I do not believe that Arkansas's "public peace, health, and safety" is in the precarious condition that the uptick in the use of emergency clauses would lead the public to believe. Even more fundamentally, emergencies are (by definition) not

common; in fact, they aren't even somewhat common. Once again, I generally disapprove of the legislature's increasingly *common* use of emergency clauses.

Sincerely,

(Signed) Clarke Tucker
