UNIVERSITY OF ARKANSAS AT PINE BLUFF – PROPOSAL ABSTRACTS 2022-2023

Agency: University of Arkansas Pine Bluff/Minority Initiative Sub-Recipient Grant Office
Grantee: ARKANSAS HUMAN DEVELOPMENT CORPORATION
 300 South Spring Street, Ste. 800
 Little Rock, AR 72201

Term: 07/1/2022 to 06/30/2023

Selection: Request for Application

Cost: \$72,645

Sub-grant#: 1506

Fund Source: MSA

Target Counties: Faulkner, Garland, Hot Springs, Lonoke, Pulaski, Saline, White, Sevier, Jefferson, Union

Purpose:

Through this proposal entitled *“A Healthier Future for the Hispanic Community in Central Arkansas and Beyond Without Tobacco”*, Arkansas Human Development Corporation (AHDC) proposes to empower the Hispanic community in the target areas of Faulkner, Garland, Hot Springs, Lonoke, Pulaski, Saline & White counties. With the need so great, AHDC plan to include the counties of Sevier, Jefferson and Union, as well. AHDC will work to assist their target population to make educated decisions about the dangers of second and third-hand smoke, existing tobacco laws, new tobacco products, and available cessation resources. They will aim at reducing the significant increase of vaping among adolescents in the Hispanic community. Through hard work and commitment, AHDC has built a strong and large coalition base that allows for effective and efficient use of resources. Such coalitions include faith organizations, retailers that serve the Hispanic community, printed, radio and TV Hispanic media, The Mexican Consulate, the Arkansas Minority Health Commission and the Arkansas Department of Health. AHDC has developed collaborative partnerships with leaders of the Asian community to reach out to this segment of the population that has traditionally been underserved.

Cost: \$74,725

Sub-grant#: 1507

Fund Source: MSA

Target Counties: Faulkner, Garland, Hot Springs, Lonoke, Pulaski, Saline, White

Purpose:

Brandon House proposes to create and produce several media projects on billboards, radio ads and social media with such communications as ARYouthDont campaigns, Too Young to Die skits, Music Therapy Album, and Let’s E.A.T. (Engage and Teach) podcasts with prevention messages to denormalize and deglamorize tobacco use and the use of electronic vaping devices. Brandon House will inform key decision makers on the effects of second and third-hand smoke through attending parent and school board meetings and implementing music therapy cessation education workshops. Youth will be trained as advocates and develop messages to reach other adolescents and teens. Youth who are nonsmokers will be recruited and trained to conduct prevention workshops and messages designed to increase the knowledge and awareness on the harm and effects of tobacco and e-cigarette use. Through a shared vision of a healthy community, Brandon House will continue its work with the neighborhood associations, MidTown Health Coalition and will join other coalitions to educate youth about tobacco use, effects of secondhand smoke and health disparities. Additionally, they will use evaluation and data to promote sustainability.

Target Counties: Arkansas, Chicot, Desha, Lee, Monroe, Phillips, & Prairie

Purpose:

The Coalition for a Tobacco Free Arkansas (CTFA) will work on efforts to help improve the health of the vulnerable and challenged populations in Arkansas, Chicot, Desha, Lee, Monroe, Phillips and Prairie counties. The CTFA will target, primarily, African Americans, helping them to become empowered to effect and implement tobacco/nicotine-free policies in places where people work, worship, learn, live and play. Goals/aims will be accomplished through the adoption and

UNIVERSITY OF ARKANSAS AT PINE BLUFF – PROPOSAL ABSTRACTS 2022-2023

implementation of 100% smoke-free policies in the targeted areas. The comprehensive smoke-free policies will subsequently, over time, help improve the health and save the lives of Arkansans. Additionally, there is an expected positive economic impact too; fewer people smoking will reduce the substantial financial burden of smoking, including the financial hardship of the state's Medicaid Program. The smoke-free policies will not be gained unilaterally. Partnerships will be formed and fostered with community leaders, government and appointed officials, parents, grassroots advocates, etc. CTFA will provide partners and supporters with trainings, technical support, informational materials, and other tools that will help equip community residents to work effectively for social norm changes surrounding the acceptability of smoking/tobacco use in their community.

Fund Source: MSA

Target Counties: Arkansas, Chicot, Desha, Lee, Monroe, Phillips, Prairie

Purpose:

The Family & Youth Enrichment Network's (FYEN) is a non-profit community based organization located in Phillips County, AR. The over-arching goal of FYEN's People for Tobacco Free Communities Project (PTCP) is that of reducing tobacco related health disparities among at-risk minority communities-predominantly those of African American and Hispanic descent. Through a youth, non-initiation/education component of the program, high school students will spearhead letter-writing campaigns urging for policies that will reduce appeal of tobacco among youth/young adults. This will be done via community and faith-based education and prevention interventions, voluntary smoke-free policy enactment, and legislative advocacy to increase awareness and educate state law-makers on the negative impact that tobacco use and addiction has on minority constituents and youth. Traditional media will be used to continue promotions of PTCP services/activities, increase awareness of tobacco related health disparities, promote *Be Well* Arkansas cessation services, and increase community support for tobacco policy change.

Target Counties: Ashley, Bradley, Cleveland, Drew, Grant, Jefferson, & Lincoln

Purpose:

Future Builders Tobacco Prevention Program proposes using mass media campaigns, including social media, to discourage youth from starting to smoke and use electronic devices. Podcasts, forums and listening sessions that will be used to encourage both youth and adults to quit, change attitudes about tobacco use, work against tobacco marketing to reduce consumption and, procure smoke-free policies to increase population/political support for tobacco policy change. The work will be done using the expertise of trained staff/consultants, coalition members and an array of willing volunteers. Collaborators in each of the seven counties will be identified with the assistance of each County's Chamber of Commerce to assist with collecting data in their respective rural community; assist with finding community champions willing to tackle the status quo of the tobacco culture in their communities; assist in identifying disparate populations; assist in identifying media outlets (i.e., local newspapers in the area for both paid and earned media adverts). All activities are CDC evidenced based strategies proven to work and vital to eliminate secondhand smoke exposure; prevent the initiation of tobacco use among youth and young adults; identify and eliminate tobacco-related disparities; and promote cessation among adults and youth. Proposed activities will reach over 100,000 youth and adults.
