Sub-grant#: 1403

Fund Source: MSA

Target Counties: Faulkner, Lonoke, Pulaski & Saline

Purpose:

Arkansas Human Development Corporation (AHDC) is a community based organization that has been providing services to Arkansas for the last 39+ years. The grand goal of this effort is to increase health literacy among Hispanics in central Arkansas related to tobacco use and current tobacco laws so they can make better decisions regarding health care choices. The goals of this program are: 1) to reduce and prevent the use of tobacco within the target population; 2) to educate the target community about the dangers of second hand smoke; 3) to increase awareness of current tobacco laws, in particular ACT 811 of 2011; and 4) to increase the collaboration and coordination of tobacco products usage prevention services among community-based organizations that provide services or that are interested in doing so in the future. AHDC will continue use of the health promoters model to deliver health messages to the Hispanic community. The target population will be the Hispanic/Latino population of Faulkner, Lonoke, Pulaski and Saline counties.

Target Counties: Pulaski, Jefferson, Desha & Chicot

Purpose:

The Coalition for a Tobacco Free Arkansas (CTFA) proposes to improve the health of African-Americans, especially black males, by reducing the health burden caused by smoking, reducing the number of African American male smokers, and preventing non-smokers from taking up the deadly smoking habit. The CTFA will achieve this by working with local grassroots organizations, public officials, churches, and public health advocates, using evidence based strategies. CTFA will use the following four goals: 1) decrease the number of African American smokers and increase their knowledge of the dangers of smoking and increase their knowledge of and the enrollment in the Arkansas Quitline; 2) educate African American pastors and barbers about the dangers and perils of smoking; 3) identify and monitor the amount of tobacco advertisement in African-American communities in the four county target areas; 4) prevent African American non-smokers, especially males, from becoming new smokers by educating them on the dangers of smoking and tobacco use.

Purpose:

The Madison County Health Coalition (MCHC) plans to provide leadership and training to Marshallese and Hispanic youth, empowering them to be leaders and prevention advocates in the community. Youth will approach businesses asking them to write "No Smoking 25 ft. from Entrances" policies and will educate parents about the dangers of secondhand smoke, encouraging adults to sign smoke-free home/car pledges. The youth team will promote quitting through the use of local cessation resources, especially the SOS Quitline. MCHC will work with local dental offices to help their clients quit tobacco. Quit packets with educational materials and chewing gum will be provided to the offices to give to patients as encouragement to quit. These offices will use the fax back referral system. The youth team will develop radio and print ads focused on preventing spit tobacco use. The youth team will also help the coalition and its partners in planning the Madison County Teen Summit on Tobacco Prevention and a Regional Youth Leadership Training on tobacco prevention advocacy. To address disparities in Madison County, the coalition will continue to educate Hispanic and Marshallese employees about the dangers of tobacco and secondhand smoke through its annual Butterball Turkey Plant Health Screening Fair.
