(2) The state cigarette tax should be increased, or a new tax on cigarettes should be levied, to help pay for the cost of treating tobacco-related illnesses;

(3) The Arkansas Tax Reform and Relief Legislative Task Force studied the state's tax laws and policies to determine how to provide tax relief and reform the state's tax laws;

(4) The legislature should continue to study how the state can reform and reduce income taxes in a fiscally responsible manner; and

(5) Where possible, revenues resulting from increases in taxes should be used to offset other tax reductions.

(b) The House Committee on Revenue and Taxation, the Senate Committee on Revenue and Taxation, the House Committee on Public Health, Welfare, and Labor, and the Senate Committee on Public Health, Welfare, and Labor shall meet jointly to conduct the Cigarette Tax and Income Tax Reform Study.

(2) All meetings shall be open public meetings under the Freedom of Information Act of 1967, Arkansas Code § 25-19-101 et seq.

(3) Joint meetings for the purpose of conducting the study shall be held at least one (1) time every three (3) months but may occur more often at the call of the chairs.

(d) The purpose of the study is to make recommendations to the General Assembly regarding:

(2) The reduction of the income tax burden on individuals, particularly low-income and middle-income individuals.

(e) In order to fulfill the purpose of this act, the House Committee on Revenue and Taxation, the Senate Committee on Revenue and Taxation, the House Committee on Public Health, Welfare, and Labor, and the Senate Committee on Public Health, Welfare, and Labor shall conduct a study to include without limitation the following:

(1) How much the cigarette tax should be increased or the rate at which a new tax on cigarettes should be levied to help offset the costs to the state of covering the treatment of tobacco-related illnesses;

(2) The feasibility of enacting an earned income tax credit to reduce the tax burden on low- and middle-income Arkansans; and

(3) The possibilities for reducing the income tax burden on individuals, including without limitation an increase in the standard deduction amount.

(f) On or before December 1, 2020, the House Committee on Revenue and Taxation, the Senate Committee on Revenue and Taxation, the House Committee on Public Health, Welfare, and Labor, and the Senate Committee on Public Health, Welfare, and Labor shall file with the Legislative Council a final written report of their activities, findings, and recommendations, and the study shall be complete upon that submission."

HOUSE BILL NO. 1563

BY: REPRESENTATIVE PILKINGTON

Was read the third time and placed on final passage, the question being shall the Bill pass and shall the Emergency Clause be adopted.

AN ACT TO ALLOW FOR CASINO GAMING IN POPE COUNTY, JOHNSON COUNTY, OR CONWAY COUNTY; TO AMEND ARKANSAS CONSTITUTION, AMENDMENT 100, PURSUANT TO THE AUTHORITY GRANTED BY ARKANSAS CONSTITUTION, ARTICLE 5, § 1; TO DECLARE AN EMERGENCY; AND FOR OTHER PURPOSES.

Subtitle

TO ALLOW FOR CASINO GAMING IN POPE COUNTY, JOHNSON COUNTY, OR CONWAY COUNTY; TO AMEND ARKANSAS CONSTITUTION, AMENDMENT 100; AND TO DECLARE AN EMERGENCY.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. DO NOT CODIFY. LEGISLATIVE INTENT. (a) The General Assembly finds that:

(1) Arkansas Constitution, Article 5, § 1, provides that "[n]o measure approved by a vote of the people shall be amended or repealed by the General Assembly. . . except upon a yea and nay vote on roll call of two-thirds of all the members elected to each house of the General Assembly. . .";

(2) Arkansas Constitution, Article 5, § 1, defines a "measure" to include any bill, law, resolution, ordinance, charter, constitutional amendment or legislative proposal or enactment of any character; and

(3) The plain language of the definition of "measure" in Arkansas Constitution, Article 5, § 1, clearly includes amendments to the Arkansas Constitution, meaning that the General Assembly may amend such measures with a two-thirds vote of each house.

(b) By the passage of this act, the General Assembly expresses its belief that the Supreme Court will:

(1) Interpret Arkansas Constitution, Article 5, § 1, precisely as it reads; and

(2) Uphold the constitutional authority of the General Assembly under Arkansas Constitution, Article 5, § 1, to amend or repeal amendments to the Arkansas Constitution by a two-thirds vote of each house.

SECTION 2. Pursuant to the authority granted by Arkansas Constitution, Article 5, § 1, Arkansas Constitution, Amendment 100, § 4(k), concerning the licensing of casinos and casino gaming, is amended to read as follows:

(k) The Arkansas Racing Commission shall award a casino license to a casino applicant for a casino to be located in Pope County, Johnson County, or Conway County within two miles of the city limits of the county seat of the county in which the casino would be located. The Arkansas Racing Commission shall also award a casino license to a casino applicant for a casino to be located in Jefferson County within two miles of the city limits of the county seat.

SECTION 3. Pursuant to the authority granted by Arkansas Constitution, Article 5, § 1, Arkansas Constitution, Amendment 100, § 4(m) and (n), are amended to read as follows:

(m) The Arkansas Racing Commission shall require all casino applicants for a casino license in Pope County, Johnson County, Conway County, and Jefferson County to demonstrate experience conducting casino gaming.

(n) The Arkansas Racing Commission shall require all casino applicants for a casino license in Pope County, Johnson County, Conway County, and Jefferson County to submit either a letter of support from the county judge or a resolution from the quorum court in the county where the proposed casino is to be located and, if the proposed casino is to be located within a city or town, shall also require all casino applicants to include a letter of support from the mayor in the city or town where the applicant is proposing the casino to be located.

SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the statewide adoption of Arkansas Constitution, Amendment 100, has authorized casino gaming in Pope County; that because the voters of Pope County rejected the adoption of the proposed amendment that became Arkansas Constitution, Amendment 100, at the 2018 General Election, additional options should be provided for the location of the casino envisioned by the passage of Arkansas Constitution, Amendment 100; and that this act should become effective at the earliest opportunity to avoid confusion in the implementation of Arkansas Constitution, Amendment 100, and expedite the application process for casino licenses. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.

Subtitle

TO INCREASE THE PENALTY FOR TAKING CAMPAIGN FUNDS AS PERSONAL INCOME; AND TO AMEND PROVISIONS OF ARKANSAS LAW RESULTING FROM INITIATED ACT 1 OF 1990 AND INITIATED ACT 1 OF 1996.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. Arkansas Code § 7-6-202, concerning penalties, is amended to read as follows:

7-6-202. Penalties.

A person who knowingly fails to comply with this subchapter shall upon conviction be guilty of a Class A misdemeanor <u>unless a different penalty applies under this subchapter</u>.

SECTION 2. Arkansas Code § 7-6-203(f), concerning use of campaign contributions and resulting from Initiated Act 1 of 1990 and Initiated Act 1 of 1996, is amended to add an additional subdivision to read as follows:

(f)(1) A candidate shall not take any campaign funds as personal income. ~~This subdivision (f)(1) shall not apply to campaign funds that were:~~

~~(A) Accumulated prior to the passage of Initiated Act 1 of 1990; or~~

~~(B) Disposed of prior to July 28, 1995.~~

(2) A candidate shall not take any campaign funds as income for his or her spouse or dependent children, except that:

(A) This subsection shall not prohibit a candidate who has an opponent from employing his or her spouse or dependent children as campaign workers; and

(B) Any candidate who has an opponent and who, during the campaign and before the election, takes a leave of absence without pay from his or her primary place of employment shall be authorized to take campaign funds during the campaign and before the election as personal income up to the amount of employment income lost as a result of such leave of absence.

(3) A candidate who takes campaign funds during the campaign and before the election under a leave of absence pursuant to the provisions of subdivision (f)(2) of this section may elect to treat the campaign funds as a loan from the campaign fund to the candidate to be paid back to the campaign fund by the candidate.

(4)(A)(i) For purposes of this subsection, a candidate or officeholder, who uses campaign funds or carryover funds to fulfill any commitment, obligation, or expense that would exist regardless of the candidate's campaign or officeholder activity, shall be deemed to have taken campaign funds as personal income.

(ii) Candidates or officeholders may use campaign funds or carryover funds to fulfill any commitment, obligation, or expense authorized by law, or permitted by an Arkansas Ethics Commission rule or opinion at the time of the expenditure, or reasonably and legitimately related to a campaign or officeholder activity.

(B) The use of campaign funds to purchase a cake or other perishable item of food at a fund-raising event held by a volunteer agency, as defined in § 16-6-103, shall not be considered a taking of campaign funds as personal income.

(C) The use of campaign funds to purchase advertising prior to the date the final report is due to be filed thanking voters for their support shall not be considered a taking of campaign funds as personal income.

(D) The use of campaign funds to pay a candidate's own personal expenses for food, lodging, or travel to attend a national presidential nominating convention shall not be considered a taking of campaign funds as personal income.

(5) If a candidate loses an election or if an officeholder is no longer in office, and after disposing of surplus funds, has carryover funds remaining, personal use of funds remains prohibited by this section for expenses unless the expenses relate to a future candidacy and comply with subdivision (f)(4) of this section.

(6) Knowingly taking campaign funds as personal income is a:

(A) Class B felony if the value of the benefit is twenty-five thousand dollars ($25,000) or more;

(B) Class C felony if the value of the benefit is five thousand dollars ($5,000) or more but less than twenty-five thousand dollars ($25,000);

(D) Class A misdemeanor if the value of the benefit is less than two thousand five hundred dollars ($2,500).

(7) It is an affirmative defense to a prosecution for taking campaign funds as personal income if the candidate or officeholder shows by a preponderance of the evidence that:

(A) If the personal property was retained as carryover funds, that the candidate or officeholder:

(i) Reported the personal property as carryover funds; and

(ii) Retained or disposed of the personal property in the manner that is required by law for carryover funds; or

(B) If the personal property was retained as surplus funds, that the candidate or officeholder:

AMENDMENT NO. 1 TO HOUSE BILL NO. 1822

Amend HOUSE BILL NO. 1822 as engrossed,

H3/27/19 (version: 03/27/2019 9:46:59 AM):

Delete everything after the enacting clause and substitute the following:

"SECTION 1. Arkansas Code § 27-51-1410(c)(3), as amended by Acts 2019 No. 468, and concerning an autonomous vehicle pilot program, is amended to read as follows:

(3) A statement acknowledging that:

(A)(i) The autonomous vehicle or fully autonomous vehicle is capable of complying with all applicable traffic and motor vehicle safety laws of this state and rules adopted by the Office of Motor Vehicle, including without limitation the laws and rules concerning the capability to safely negotiate railroad crossings unless an exemption for the operation of autonomous vehicles or fully autonomous vehicles at railroad crossings is granted by the Arkansas Department of Transportation.

(ii) The department shall consult with railroad companies operating in the state when considering an exemption that affects the operation of autonomous vehicles or fully autonomous vehicles at railroad crossings;

(B) The fully autonomous vehicle is capable of achieving a reasonably safe state if a failure of the automated driving system occurs that renders the automated driving system unable to perform the entire dynamic driving task; and

(C) A fully autonomous vehicle involved in a motor vehicle accident is capable of meeting the requirements of §§ 27-53-101, 27-53-102, and 27-53-105; and

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that autonomous vehicles may begin operating on public streets, roads, and highways as soon as March 14, 2019; that there may be an issue with negotiating railroad crossings if an exemption is not granted for autonomous vehicles by the Arkansas Department of Transportation; and that railroad companies and the department need to be aware of this issue and work together to resolve this potential issue for the safety of railroad and motor vehicle traffic. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

SECTION 2. Arkansas Code § 17-1-108, as added by Acts 2019, No. 426, is amended to read as follows:

17-1-108. Expedited temporary and provisional licensure – Legislative intent.

(a)(1) It is the intent of the General Assembly to ensure that an individual may be credentialed to work in Arkansas if he or she generally demonstrates the skills and ethics required by state law based on the individual's experience and credentials in another state.

(2) It is not the intent of the General Assembly to cause the licensing entity to engage in simple comparisons of the required hours of training and other personal qualifications under Arkansas's occupational licensing statutes with those qualifications required in the state where the individual is credentialed.

~~(a)~~(b) As used in this section:

(1) "Individual" means a natural person, firm, association, partnership, corporation, or other entity that may hold an occupational licensure;

(2) "Occupational licensing entity" means an office, board, commission, committee, department, council, bureau, or other agency of state government having authority to license, certify, register, permit, or otherwise authorize an individual to engage in a particular occupation or profession; and

(3) "Occupational licensure" means a license, certificate, registration, permit, or other form of authorization required by law or rule that is required for an individual to engage in a particular occupation or profession.

~~(b)~~(c) An occupational licensing entity shall by rule adopt the least restrictive requirements for occupational licensure for an individual who:

(1) Demonstrates that he or she:

(A) Holds an occupational licensure that is substantially similar to practice in the field of his or her occupation or profession in another state, territory, or district of the United States;

(B) Holds his or her occupational licensure in good standing;

(C) Has not had his or her occupational licensure revoked for:

(i) An act of bad faith; or

(ii) A violation of law, rule, or ethics;

(D) Is not holding a suspended or probationary occupational licensure in any state, territory, or district of the United States; and

(E) Is sufficiently competent in his or her field; and

(2) Pays any occupational licensure fee required by law or rule.

~~(c)(1)(A)~~(d)(1)(A) An occupational licensing entity shall comply with the requirements under subsection ~~(b)~~(c) of this section by adopting the least restrictive rule that allows for reciprocity or licensure by endorsement.

(B) The rule adopted under subdivision ~~(c)(1)(A)~~(d)(1)(A) of this section shall provide the procedure by which an occupational licensing entity shall grant a temporary and provisional occupational licensure for ninety (90) days or longer to an individual under subsection ~~(b)~~(c) of this section if presented with evidence of a current and active occupational licensure that is substantially similar to practice in the field of his or her occupation or profession in another state, territory, or district of the United States.

(2) If a state, territory, or district of the United States does not require occupational licensure for a profession that requires occupational licensure in this state, an occupational licensing entity shall adopt a rule that is least restrictive to permit an individual who is sufficiently competent in his or her field to obtain occupational licensure for that occupation or profession in this state.

(3) The occupational licensing entity may require additional state-specific education for an individual with an occupational licensure in another state, territory, or district of the United States that does not offer reciprocity similar to reciprocity under this section to individuals with occupational licensure in this state.

~~(d)(1)~~(e)(1) Except as provided under subdivision ~~(d)(1)~~(e)(2) of this section, an occupational licensing entity shall not require an individual who meets the requirements of subsection ~~(b)~~(c) of this section to participate in the apprenticeship, education, or training required as a prerequisite to occupational licensure of a new professional in the field.

(2) The occupational licensing entity may require the individual to participate in continuing education or training if the continuing education or training is required for all professionals in the field to maintain the occupational licensure.

~~(e)~~(f) If a criminal background check is required of an applicant for an initial occupational licensure or of ~~a person~~ an individual currently holding an occupational licensure, then the occupational licensing entity may require ~~a person~~ an individual seeking his or her occupational licensure under this section to meet the same criminal background check requirements as the applicant for an initial occupational licensure or as the ~~person~~ individual currently holding an occupational licensure.

~~(f)~~(g) The occupational licensing entity may require the individual applying for occupational licensure under this section to meet any bonding, financial statement, or insurance requirements that are applicable to all applicants.

~~(g)~~(h) This section shall not apply to:

(1) Reciprocity or license by endorsement provisions under §§ 17-12-308, 17-26-315, 17-27-308, 17-28-306, 17-31-308, 17-36-304, 17-42-305, 17-43-307, 17-83-305, 17-88-305, 17-89-305, 17-90-302, 17-92-114, 17-92-308, 17-93-414, 17-97-306, 17-99-304, 17-100-304, and 17-103-302; or

(2) The occupational licensing entities that administer the reciprocity provisions under subdivision ~~(g)(1)~~(h)(1) of this section.

~~(h)~~(i) An occupational licensing entity may enter into written agreements with similar occupational licensing entities of another state, territory, or district of the United States as necessary to assure ~~for~~ that licensees in this state have comparable nonresident licensure opportunities as those opportunities available to nonresidents by occupational licensing entities in this state."

HOUSE RESOLUTION

A RESOLUTION CONCERNING EXPULSION OF REPRESENTATIVE MICKEY GATES FROM THE MEMBERSHIP OF THE HOUSE OF REPRESENTATIVES OF THE NINETY-SECOND GENERAL ASSEMBLY.

Subtitle

CONCERNING EXPULSION OF REPRESENTATIVE MICKEY GATES FROM THE MEMBERSHIP OF THE HOUSE OF REPRESENTATIVES.

WHEREAS, Article 5, § 12, of the Arkansas Constitution provides that each house of the General Assembly "shall have power to determine the rules of its proceedings [. . .] and, with the concurrence of two-thirds, expel a member"; and

WHEREAS, the Arkansas Constitution and the Rules of the House of Representatives of the Ninety-Second General Assembly are controlling documents by which this body should conduct itself in making determinations regarding discipline up to and including expulsion, by a two-thirds (2/3) vote, of its members; and

WHEREAS, Act 894, which was passed by the Ninety-Second General Assembly during the 2019 Regular Session, amended Arkansas Code Title 21, Chapter 8, Subchapter 3, to add § 21-8-305, which states in pertinent part: "If a person has pleaded guilty or nolo contendere to or has been found guilty of a public trust crime, he or she shall not: (1) File as a candidate for a constitutional office; (2) Run as a candidate for a constitutional office; or (3) Hold a constitutional office."; and

WHEREAS, Act 894 of 2019 also amended Arkansas Code § 21-8-301 to include a definition of "public trust crime" as a "crime prohibited under Arkansas Constitution, Article 5, § 9"; and

WHEREAS, Article 5, § 9, of the Arkansas Constitution lists the following as prohibited crimes for service as a member of the General Assembly: "embezzlement of public money, bribery, forgery, or other infamous crime" and goes on to state that "infamous crime" includes "[a] felony offense"; and

WHEREAS, on July 29, 2019, House District 22 Representative Mickey Gates entered a plea of nolo contendere to a single charge of violating Arkansas Code § 26-18-202, failure to pay or file a tax return, a felony offense; and

WHEREAS, Representative Gates entered into a nolo contendere plea agreement under which he will serve six (6) years of probation and pay restitution to the State of Arkansas in an amount not less than $74,789.89 for tax years 2012, 2013, and 2014; and

WHEREAS, Act 894 of 2019 is not the main premise for the action requested in this resolution, but it offers further support as to what the Ninety-Second General Assembly considers grounds for expulsion of a sitting member from the membership of the General Assembly. Action taken to punish Representative Gates pursuant to this resolution is undertaken in accordance with the power granted by the Arkansas Constitution to the House of Representatives as the sole authority for discipline of its members,

NOW THEREFORE,
BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SECOND GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

THAT House District 22 Representative Mickey Gates has pleaded nolo contendere to a public trust crime as defined by law, and the House of Representatives finds that the plea of nolo contendere and the conduct that is the subject of Representative Gates' plea agreement is unbecoming of a member of the House of Representatives, and is punishable by this body; and

THAT in exercise of its sole authority to discipline its members, under Arkansas Constitution, Article 5, § 12, the House of Representatives hereby expels House District 22 Representative Mickey Gates from the membership of the House of Representatives of the Ninety-Second General Assembly.

Representative Wing was recognized by Representative Eubanks, Speaker Pro Tem.

Representative Wing stated, "House Rule 10(A) establishes the process by which the House of Representatives every two years elects a Speaker-designate for the next General Assembly. We are convened in caucus today for that purpose. On February 20, 2020, the parliamentarian notified all members eligible to return for the 93rd General Assembly that a meeting would be held at 3:00 p.m. on Thursday, March 5, 2020, for any member interested in pursuing the position of Speaker-designate. At that meeting only one eligible member presented himself as a nominee, our Speaker of the House Matthew J. Shepherd. As a result, and at this moment, he is unopposed for the position of Speaker -designate of the 93rd Arkansas General Assembly."

Representative Eubanks said the motions will be taken one at a time.

First, the motion to suspend the formal election processes in House Rule 10(A) is a proper motion and is not debatable. The motion was adopted and the formal election processes in House Rule 10(A) were suspended.

Representative Wing moved that Speaker Matthew J. Shepherd be elected Speaker-designate for the 93rd Arkansas General Assembly. Representative Eubanks declared that a proper motion and without objection, the question before the House was the election of Matthew J. Shepherd as Speaker-designate for the 93rd General Assembly. Representative Eubanks said all in favor say "aye" all opposed say "no". He declared the "ayes" have it. The motion was adopted. Speaker Shepherd was elected Speaker-designate of the 93rd General Assembly. The motion received more than 51 votes.

Representative Eubanks recognized Speaker Matthew J. Shepherd to address the General Assembly.

Speaker Candidate
Rep. Matthew J. Shepherd
April 24, 2020

Thank you. I am honored and humbled by the trust and confidence that you have once again shown in me, in electing me as Speaker-Designate for the upcoming 93rd General Assembly.

I would like to once again thank my family back home in El Dorado for their support and sacrifices they've made over the past 9 years as I've served in the House and past couple of years as I've served as Speaker.

And I recognize that all of us likewise have family and friends whose support and sacrifices make our service possible.

Let me just say it's been an honor of a lifetime to serve as Speaker of the House for the 92nd General Assembly.

In preparing my remarks, I did what all lawyers do, I went back and looked at what I've written in the past to give me an example of what I should say in the future. When I looked back at what I said two years ago when you first elected me Speaker-Designate for the 92nd General Assembly, there were things I mentioned that I think are worth reflecting on today.

At that time, I told you that like each of you, I had goals that I would like to achieve, and particular areas of emphasis, but ultimately those were not the primary reasons I was running for Speaker.

I said there were certain qualities in particular that were my motivation to run for Speaker. One was that I wanted to serve the members of the House. I had been the beneficiary of several Speakers who helped me out along the way, who helped me learn as a legislator and be effective as a legislator.

But beyond that there were certain values that if elected Speaker that I hoped would characterize the House: Let me share what those values were.

One, I wanted us to be a body that displayed great character. First and foremost.

Second, I wanted us to display civility and professionalism.

I wanted us to maintain open lines of communication.

I wanted us to do our business efficiently.

And work hard to find consensus when it could be found.

Finally, overriding all of that, I wanted us to strive to do that which is in the best interest of the people of Arkansas.

I humbly submit to you today that by working together as a body that we have achieved each of those goals.

And in the process we have together accomplished much:

1 Completed successful regular session that saw much legislation passed. I daresay most members were able to have legislation pass. Some of the big issues we took up included as transformation of state government all the way over to highway funding and that's just to name a few.

2 We implemented a system, a rule change that allowed the Speaker to make all of the committee appointments. And true to what I told you two years ago, I said at the end of the session we can take up and consider proposals to change that rule, which we did.

3 Expanded live streaming to include virtually all committee meetings.

4 Cut the House's appropriation by 15% for FY20 and last week we cut it by another 10% for FY21.

5 Broadened appointments and assignments within the House.

6 Reduced the overall per diem for the legislature.

7 Implemented rule changes to allow for proxy voting.

8 Conducted two additional successful legislative sessions off site in the midst of a pandemic.

9 In abbreviated period of time we conducted the most transparent budgeting process in the recent history of the House.

I would be remiss if I didn't add that last fall we joined together to uphold the honor and integrity of the House.

The last six weeks have been rather tumultuous and particularly in advance of and during the special and fiscal sessions there has been much work to do, but no matter the time of day or night, the number of conference calls, or e-mails, I keep coming back to the fact that I feel very blessed to have the opportunity to serve alongside each you as we serve our State during such trying times, but there is no question there is more to be done.

Quite honestly I feel that the success we enjoyed and the qualities we exhibited, served to prepare us for what may be an even greater challenge in the 93rd General Assembly. I want us to continue to efficiently and professionally function as we have over the past two years, but we must have our eyes fixed on the looming challenges.

First and foremost, as a state must turn the tide of the COVID-19 virus.

But then after that we must work together to help our State and our fellow Arkansans to pick up the pieces that are left in the wake of this unprecedented global pandemic, that has left our economy unstable, but found our people unwavering; that has disrupted our communities, but laid bare our need to communicate.

This will be our undertaking to reopen, revitalize, and reignite our State, and we will achieve that because we as Arkansans are resilient and resourceful.

While the 92nd General Assembly will go down as having confronted some of the most weighty issues in the House and our State's history, and the 93rd likewise will pick up the baton in January, I look forward to that opportunity, and while I understand that we are not always going to agree on every item, I remain committed to continue to work with all who are willing.

There's still eight months left for the 92nd General Assembly so let's finish strong for the people of Arkansas.

Thank you again for your trust and confidence, again it's an honor and privilege to serve with you. May God bless this House and may God continue to bless the Great State of Arkansas.

Upon motion of Representative Eubanks, the House Caucus adjourned at 12:40 p.m.
