BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SECOND GENERAL ASSEMBLY OF THE STATE OF ARKANSAS, AND BY THE SENATE, A MAJORITY OF ALL MEMBERS ELECTED TO EACH HOUSE AGREEING THERETO:

That the following is proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the state for approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon at the election adopt the amendment, the amendment shall become a part of the Constitution of the State of Arkansas, to wit:

SECTION 1. The Arkansas Constitution is amended to read as follows:

§ 1. Intent of amendment.

(a) Arkansas Constitution, Amendment 91, levies a one-half percent sales and use tax to provide additional funding for the state's four-lane highway system, county roads, and city streets.

(b) The one-half percent sales and use tax under Arkansas Constitution, Amendment 91, shall be abolished when there are no bonds outstanding to which tax collections are pledged as provided in this amendment.

(c) Notwithstanding Arkansas Constitution, Amendment 91, § 8, it is the intent of this amendment that the sales and use tax levied under Arkansas Constitution, Amendment 91, continue after the retirement of the bonds authorized in Arkansas

Constitution, Amendment 91, to provide special revenue for use of maintaining, repairing, and improving the state's system of highways, county roads, and city streets.

§ 2. Excise tax.

(a)(1) Except for food and food ingredients, an additional excise tax of one-half percent (0.5%) is levied on all taxable sales of tangible personal property, specified digital products, a digital code, and services subject to the tax levied by the Arkansas Gross Receipts Act of 1941, Arkansas Code § 26-52-101 et seq.

(2) The tax shall be collected, reported, and paid in the same manner and at the same time as is prescribed by law for the collection, reporting, and payment of all other Arkansas gross receipts taxes.

(2) The tax shall be collected, reported, and paid in the same manner and at the same time as is prescribed by law for the collection, reporting, and payment of Arkansas compensating taxes.

§ 3. Disposition of revenue.

(a) The revenue from the taxes levied under § 2 of this amendment shall be distributed to the State Highway and Transportation Department Fund, the County Aid Fund, and the Municipal Aid Fund in the percentages provided in sections § 27-70-201 and § 27-70-206 of the Arkansas Highway Revenue Distribution Law.

(b) No revenue derived from the taxes levied under § 2 of this amendment shall be used to secure bonds issued by the State Highway Commission.

§ 4. Effective date.

(a) If the Chief Fiscal Officer of the State determines that a written statement under Arkansas Constitution, Amendment 91, § 8(b), has been filed with the Chief Fiscal Officer of the State before June 1, 2023, the tax under § 2 of this amendment shall be levied and collected on and after July 1, 2023.

(b) If a written statement under Arkansas Constitution, Amendment 91, § 8(b), has not been filed with the Chief Fiscal Officer of the State before June 1, 2023, the tax under § 2 of this amendment shall not be levied and collected until the first day of the first calendar quarter beginning more than thirty (30) days after a written statement under Arkansas Constitution, Amendment 91, § 8(b), is filed with the Chief Fiscal Officer of the State.

SECTION 2. BALLOT TITLE AND POPULAR NAME. When this proposed amendment is submitted to the electors of this state on the general election ballot:

(a) As used in this section:

(1) "Anonymous kit" means a sexual assault collection kit that is collected from a possible victim of a sexual assault who has not decided whether to report the sexual assault to a law enforcement agency;

(2) "Healthcare provider" means a person or facility that provides a medical-legal examination;

(3) "Law enforcement agency" means a police force or organization whose primary responsibility as established by statute or ordinance is the enforcement of the criminal laws, traffic laws, or highway laws of this state;

(5) "Sexual assault" means an offense described in § 5-14-101 et seq. or § 5-26-202; and

(6) "Sexual assault collection kit" means a human biological specimen or specimens collected during a medical-legal examination from the alleged victim of a sexual assault.

(b)(1) A healthcare provider that has collected required victim information as part of a medical-legal examination shall enter the required victim information into a sexual assault collection kit tracking system of the State Crime Laboratory before transferring the sexual assault collection kit to a law enforcement agency with jurisdiction.

(2) The system described in subdivision (b)(1) of this section shall provide secure electronic access that allows a law enforcement agency, a healthcare provider, the laboratory, and a victim to access tracking information.

(3) A sexual assault collection kit collected by a healthcare provider shall be taken into custody by a law enforcement agency as soon as possible and within three (3) business days of notice from the healthcare provider.

(c)(1) A law enforcement agency that receives a sexual assault collection kit from a healthcare provider shall enter all necessary information into the system described in subdivision (b)(1) of this section.

(2) A law enforcement agency that receives a sexual assault collection kit from a healthcare provider that relates to a report of a sexual assault that occurred outside of the jurisdiction of the law enforcement agency shall have the sexual assault collection kit delivered to the law enforcement agency having jurisdiction within ten (10) days of learning that the other law enforcement agency has jurisdiction.

(d) A sexual assault collection kit shall be submitted to the laboratory by the receiving law enforcement agency as soon as possible, but no later than fifteen (15) days after receipt of the sexual assault collection kit.

(e)(1) A law enforcement agency is not required to submit an anonymous kit to the laboratory if the victim does not affirmatively request submission.

(2) If a victim chooses to provide a personal statement about the sexual assault to a law enforcement agency at any time after initially declining to provide a personal statement, the anonymous kit shall be delivered to the laboratory as soon as possible, but no later than fifteen (15) days after the victim chooses to provide a personal statement to the law enforcement agency.

(f) If available, a suspect standard or a consensual partner elimination standard shall be submitted to the laboratory:

(1) With the sexual assault collection kit, if available, at the time the sexual assault collection kit is submitted; or

(2) As soon as possible, but no later than fifteen (15) days from the date the sexual assault collection kit was obtained by the law enforcement agency, if the suspect standard or consensual partner elimination standard is not obtained until after the sexual assault collection kit is submitted.

(g)(1) Starting July 1, 2019, the laboratory shall test all sexual assault collection kits that are received from a law enforcement agency with the goal of developing autosomal DNA profiles that are eligible for entry into the Combined DNA Index System.

(2) Sexual assault collection kits shall be tested by the laboratory and the tests completed within sixty (60) days of receipt from the law enforcement agency.

(3) The ability of the laboratory to complete all tests within sixty (60) day of receipt may be dependent upon the following factors:

(A) The number of sexual assault collection kits that the laboratory receives;

(B) The technology and improved testing methods available;

(C) The establishment of a fully trained and dedicated staff to meet the caseload; and

(D) The number of lab requests received relating to other crime categories.

(4) Failure to meet a deadline established under this subsection or administrative rule is not a basis for dismissal of a criminal action or a bar to the admissibility of the evidence in a criminal action."

SECTION 3. Arkansas Code Title 16, Chapter 90, Subchapter 14, is amended to add an additional section to read as follows:

16-90-1420. Automatic sealing of information concerning certain convictions after specified time period.

(a) A record of an offense eligible for automatic sealing shall be automatically sealed from a relevant state agency database or other publically operated or administered repository under procedures set out in this section if the following conditions apply:

(1) The person would otherwise be eligible to have all records of the offense sealed by a sentencing court under this subchapter;

(2) A period of five (5) years has elapsed from the date of the person's conviction for the offense and from the person's completion of a person's sentence; and

(3) The person has not been convicted of a felony or a Class A misdemeanor since the date of the person's conviction for the offense eligible for automatic sealing, even if that subsequent conviction was sealed.

(b) This section does not prohibit a person from having his or her record otherwise sealed under this subchapter.

(c)(1) On a monthly basis the circuit court clerk shall compile and provide a list of convictions in the circuit court for an offense eligible for automatic sealing in this section and transmit the list of convictions in the circuit court to the prosecuting attorney.

(2)(A) The prosecuting attorney shall verify that the convictions on the list of convictions in the circuit court are eligible for automatic sealing under this section and that the persons who were convicted have completed the terms and conditions of their sentences.

(B) The prosecuting attorney shall verify the information described in subdivision (c)(2)(A) of this section within thirty (30) days of the receipt of the list of convictions in the circuit court and transmit back to the circuit court clerk a list of ineligible convictions based on whether a period of five (5) years has elapsed since the date of the person's conviction for a misdemeanor offense or whether the person has completed the terms and conditions of his or her sentence for a felony conviction.

(C) The prosecuting attorney may object to the automatic sealing of a conviction by filing a petition in the circuit court and providing notice to the circuit court clerk and to the person whose conviction is eligible for automatic sealing at the person's last known address.

(D) The circuit court may grant a hearing on the prosecuting attorney's objection or may decide the petition without a hearing.

(3)(A) Upon receiving the list of ineligible convictions back from the prosecuting attorney, the circuit court clerk shall remove those convictions from the

list of eligible convictions he or she originally compiled and then transmit that revised list of eligible convictions to the circuit court.

(B) The circuit court shall enter an order within ten (10) days of receiving the list of eligible convictions from the circuit court clerk ordering the circuit court clerk to seal the record of the convictions.

(4) The circuit court clerk shall enter into an electronic database provided by the Administrative Office of the Courts that the convictions have been sealed.

(d)(1) The office shall transmit to the Arkansas Crime Information Center a record of any conviction eligible under this section for automatic sealing from a relevant state agency database or other publically operated or administered repository the office receives from the circuit court clerks.

(2) If the record transmitted from the office to the center cannot be validated and sealed automatically, the center shall contact the circuit court clerk concerning the specific conviction for additional information that can be used in the center's validation process.

(3) If the information transmitted to the center by the office is validated, the center shall then seal the record from the center's own database or other repository and transmit that validation to other relevant state agency databases or other publically operated or administered repositories that the center knows to contain that information.

(e) A record sealed from a relevant state agency database or other publically operated or administered repository under this section may still be released to those entities listed under § 16-90-1416.

(f) A court with jurisdiction may order a record previously sealed from a relevant state agency database or other publically operated or administered repository under this section unsealed upon a petition filed by a prosecuting attorney that the record was sealed erroneously or not under the requirements of this section.

(g) A record for a conviction before January 1, 2000, is not required to be sealed from a relevant state agency database or other publically operated or administered repository under this section.

SECTION 4. DO NOT CODIFY. Record review.

The Administrative Office of the Courts and the Arkansas Crime Information Center shall begin within one hundred eighty (180) days after this act becomes effective a review of all eligible offenses for automatic sealing under this act, beginning with those convictions that occurred in the years 2000-2010, and shall begin the process of automatic sealing from relevant state agency databases or other

CHAPTER 16

EVERY ARKANSAN RETIREMENT PLAN OPPORTUNITY

11-16-101. Title.

This chapter shall be known as the “Every Arkansan Retirement Plan Opportunity Act”.

11-16-102. Findings.

The General Assembly finds that:

(1) Many citizens in Arkansas do not have retirement savings or have inadequate retirement savings;

(2) An estimated five hundred thirty thousand (530,000) workers, including employees of an employer, independent contractors, and the self-employed, do not have access to an employer-sponsored retirement plan or program, or any other easy method of saving at work;

(3) It is the policy of this state to assist the Arkansas private-sector workforce, including in particular middle income and lower income working households, in voluntarily saving for retirement by encouraging and making it easier for employers to adopt a retirement savings plan for employees in Arkansas;

(4) Providing an additional adequate, portable, low-cost, and consumer protective retirement savings option to Arkansas households will ultimately:

(A) Enhance the retirement security of these households;

(B) Reduce substantial reliance on public assistance programs offered by the state; and

(C) Reduce the potential burden on taxpayers in Arkansas to finance the public assistance programs;

(5) The Arkansas 529 College Investing Plan demonstrates the feasibility of a public-private partnership that outsources investment and administration to assist the private citizens of Arkansas to save on a voluntary and cost-efficient basis; and

(6) The General Assembly intends to establish an Every Arkansan Retirement Plan Opportunity that will use the services of competent and qualified private-sector entities that are selected by the Every Arkansan Retirement Plan Opportunity Board to operate, administer, manage, and oversee the plan on behalf of the plan participants.

11-16-103. Creation.

A multiple-employer voluntary retirement savings plan that shall be known as the "Every Arkansan Retirement Plan Opportunity" is established.

(e)(1) In the case of a property owner who elects to pay the amount of taxes under subdivision (d)(1) of this section, the property owner shall include in the complaint filed in the circuit court, or declare by subsequent affidavit filed with the circuit court, not less than sixty (60) days before the last day fixed by law for the payment of taxes without penalty, the taxes due on the portion of the taxable value of the property that is not in dispute or the lawful basis for any claim of exemption.

(2) On the motion of a party, the circuit court with jurisdiction over the appeal shall hold a hearing to review and determine compliance with this section, including verification of the amount of taxes the taxpayer claims is owed under subdivision (d)(1) of this section.

(3) Upon conclusion of the hearing, the circuit court shall order the property owner to pay to the county collector the amount that the circuit court determines is the proper undisputed amount under subdivision (d)(1) of this section.

(4)(A) If the circuit court determines that the property owner has not substantially complied with this section, the circuit court shall dismiss the pending action.

(B) If the circuit court determines that the property owner has substantially but not fully complied with this section, the circuit court shall dismiss the pending action unless the property owner fully complies with the circuit court's determination within thirty (30) days of the determination.

(f)(1) A property owner may include a request in the complaint on appeal to the circuit court, or file a motion with the circuit court, to waive payment of taxes due during the pendency of appeal if the payment would constitute an unreasonable restraint on the party's right of access to the courts.

(2) The request or motion to waive payment shall include a sworn affidavit of inability to pay the taxes at issue.

(3) Upon the filing of a request or motion, the circuit court shall hold a hearing to review the property owner's request and may set terms and conditions on any grant of relief as may be reasonably required by the circumstances.

(4) A property owner may be excused from the payment requirements under this section if upon hearing the circuit court finds that the payment would constitute an unreasonable restraint on the property owner's right of access to the courts.

(g) Except as provided under subsection (f) of this section, a property owner who appeals a property tax assessment to the circuit court shall pay taxes on the property subject to the appeal in the amount required by this section before the last day fixed by law for the payment of taxes without penalty, or the property owner forfeits the right to proceed to a final determination of appeal.

(h)(1) A property owner who pays to the county collector an amount of taxes greater than the amount required by this section does not forfeit the property owner's right to a final determination of the appeal by making the payment.

(2) The property owner may pay an additional amount of taxes at any time.

(3) If the property owner files a proper and timely appeal to the circuit court, taxes paid on the property are considered under protest, whether paid before or after the appeal is filed.

(i)(1) The pendency of an appeal of a property tax assessment does not affect the delinquency date for the taxes on the property subject to appeal.

(2) However, the delinquency date applies only to the amount of taxes required to be paid under this section."

26-35-802. Payment ~~not required~~ pending assessment appeal.

(a) Real or personal property shall not be returned as delinquent for nonpayment of taxes, nor shall any penalty or interest be added to taxes ~~due~~ in excess of the amount required to be paid before the delinquency date under this section, while there is pending in the circuit court, Court of Appeals, or the Supreme Court an appeal from an order of the county court fixing the assessed value of property.

(b) If there has been no final disposition of an appeal ~~prior to~~ before the last day fixed by law for the payment of the taxes without penalty, the taxpayer shall have thirty (30) days after final disposition of the appeal within which to pay ~~the taxes~~ any taxes in excess of the amount required to be paid before the delinquency date under this section without penalty or interest.

(c) ~~Upon appeal of~~ A property owner appealing a personal property tax assessment to the circuit court~~, the taxpayer appealing the personal property tax assessment~~ shall pay:

(1) To the county collector as otherwise provided by law the amount the taxpayer claims is owed under the personal property tax assessment; and

(2) Into the registry of the circuit court an amount equal to the difference between the personal property tax assessment and the amount the taxpayer claims is owed under the personal property tax assessment.

(d) A property owner appealing a real property tax assessment to the circuit court shall pay to the county collector the least of:

(1) The amount of taxes due on the portion of the taxable value of the real property that is not in dispute, subject to this section;

(2) The amount of taxes due on the real property under the court order from which the appeal is taken; or

(3) The amount of taxes due on the real property based on the previous year's assessment.

(e)(1) In the case of a property owner who elects to pay the amount of taxes under subdivision (d)(1) of this section, the property owner shall include in the complaint filed in the circuit court, or declare by subsequent affidavit filed with the circuit court, not less than sixty (60) days before the last day fixed by law for the payment of taxes without penalty, the taxes due on the portion of the taxable value of the property that is not in dispute or the lawful basis for any claim of exemption.

(2) On the motion of a party, the circuit court with jurisdiction over the appeal shall hold a hearing to review and determine compliance with this section, including verification of the amount of taxes the taxpayer claims is owed under subdivision (d)(1) of this section.

(3) Upon conclusion of the hearing, the circuit court shall order the property owner to pay to the county collector the amount that the circuit court determines is the proper undisputed amount under subdivision (d)(1) of this section.

(4)(A) If the circuit court determines that the property owner has not substantially complied with this section, the circuit court shall dismiss the pending action.

(B) If the circuit court determines that the property owner has substantially but not fully complied with this section, the circuit court shall dismiss the pending action unless the property owner fully complies with the circuit court's determination within thirty (30) days of the determination.

(f)(1) A property owner may include a request in the complaint on appeal to the circuit court, or file a motion with the circuit court, to waive payment of taxes due during the pendency of appeal if the payment would constitute an unreasonable restraint on the party's right of access to the courts.

(2) The request or motion to waive payment shall include a sworn affidavit of inability to pay the taxes at issue.

(3) Upon the filing of a request or motion, the circuit court shall hold a hearing to review the property owner's request and may set terms and conditions on any grant of relief as may be reasonably required by the circumstances.

(4) A property owner may be excused from the payment requirements under this section if upon hearing the circuit court finds that the payment would constitute an unreasonable restraint on the property owner's right of access to the courts.

(g) Except as provided under subsection (f) of this section, a property owner who appeals a property tax assessment to the circuit court shall pay taxes on the property subject to the appeal in the amount required by this section before the last

day fixed by law for the payment of taxes without penalty, or the property owner forfeits the right to proceed to a final determination of appeal.

(h)(1) A property owner who pays to the county collector an amount of taxes greater than the amount required by this section does not forfeit the property owner's right to a final determination of the appeal by making the payment.

(2) The property owner may pay an additional amount of taxes at any time.

(3) If the property owner files a proper and timely appeal to the circuit court, taxes paid on the property are considered under protest, whether paid before or after the appeal is filed.

(i)(1) The pendency of an appeal of a property tax assessment does not affect the delinquency date for the taxes on the property subject to appeal.

(2) However, the delinquency date applies only to the amount of taxes required to be paid under this section.

(j)(1) In an appeal of an order of the county court to a circuit court as to the sole claim or issue of whether property is exempt under Arkansas Constitution, Article 16, § 5, the property owner shall not be required to pay any portion of the taxes assessed on the real property at issue in the appeal and shall not be found delinquent for nonpayment of real property taxes during the pendency of the appeal to the circuit court, the Court of Appeals, or the Arkansas Supreme Court.

(2)(A) Within sixty (60) days before the delinquency date, a party may file a motion, based upon a good faith belief that the personal property at issue in the appeal will be removed from the jurisdiction of the county during the pendency of the appeal, requesting that the court order the property owner to file with the circuit court an irrevocable letter of credit or surety bond in the amount of the personal property taxes due.

(B) If a party elects not to file a motion, the property owner shall not be required to pay any portion of the taxes assessed on the personal property at issue in the appeal and shall not be found delinquent for nonpayment of personal property taxes during the pendency of the appeal to the circuit court, the Court of Appeals, or the Arkansas Supreme Court.

(3) The property owner may elect to pay any real or personal property taxes due before the date of delinquency under subsection (c) or subsection (d) of this section, and such payment shall not affect the taxpayer's ability to appeal the exempt status of the property to the court of proper jurisdiction.

(4) After final disposition of an appeal:

(A) The property owner shall be required to pay the amount of taxes the court determines is owed, if any, within thirty (30) days of final disposition;

and

(B) Any award of a refund shall be made by the county upon the order of a court of proper jurisdiction."

Delete everything after the enacting clause and substitute the following:

"SECTION 1. Arkansas Code § 23-99-1103(8), concerning the definition of "healthcare insurer" under the Prior Authorization Transparency Act, is amended to read as follows:

(8)(A)(i) "Healthcare insurer" means an entity that is subject to state insurance regulation, including an insurance company, a health maintenance organization, ~~self-insured health plan for employees of a governmental entity, and~~ a hospital and medical service corporation, a risk-based provider organization, and a sponsor of a nonfederal self-funded governmental plan.

(ii) "Healthcare insurer" includes Medicaid where specifically referenced in § 23-99-1119.

(B) "Healthcare insurer" does not include:

(i) ~~workers' compensation plans or~~ A workers' compensation plan; ~~or~~

(ii) Medicaid~~.~~, except as provided under § 23-99-1119 or when Medicaid services are managed or reimbursed by a healthcare insurer; or

~~(C) "Healthcare insurer" does not include an~~ (iii) An entity that provides only dental benefits or eye and vision care benefits;

SECTION 2. Arkansas Code § 23-99-1103, concerning the definitions under the Prior Authorization Transparency Act, is amended to add an additional subdivision to read as follows:

(21) "Prescription for medication-assisted treatment" means any prescription for medication used as treatment for opioid addiction.

SECTION 3. Arkansas Code Title 23, Chapter 99, Subchapter 11, is amended to add an additional section to read as follows:

23-99-1119. Medication-assisted treatment for opioid addiction.

(a) A healthcare insurer, including Medicaid, shall not:

(1) Require prior authorization in order for a patient to obtain coverage of buprenorphine, methadone, naloxone, naltrexone, Suboxone, or the various formulations of these drugs approved by the United States Food and Drug Administration for the treatment of opioid addiction; or

(2) Impose any other requirement other than a valid prescription or compliance with the medication-assisted treatment guidelines issued by the United States Substance Abuse and Mental Health Services Administration in order for a patient to obtain coverage of buprenorphine, methadone, naloxone, naltrexone, Suboxone, or the various formulations of these drugs approved by the United States Food and Drug Administration for the treatment of opioid addiction.

(b) If a new formulation or medication for treatment of opioid addiction becomes available after the effective date of this section and is either more expensive or has not been shown to be more effective than the formulations and medications in subsection (a) of this section, then the healthcare insurer may require prior authorization of the new formulation or medication.

(c) A charge for coverage of a prescription for medication-assisted treatment for opioid addiction, if applicable, shall be on the lowest-cost benefit tier of a prescription drug formulary.

(d) For purposes of any limit a healthcare insurer imposes on the number of prescriptions for a patient, a prescription for medication-assisted treatment shall not be counted.

(e) This section does not affect the responsibility of a healthcare provider to comply with the standard of care for medication-assisted treatment, including without limitation the use of therapy in combination with medication.

SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that medication-assisted treatment is

effective at treating opioid addiction and results in substantial cost savings; that some healthcare insurers, including Medicaid, are placing numerous prior authorization requirements on healthcare providers and their patients who are in need of medication-assisted treatment; that these requirements are counterproductive; and that this act is immediately necessary because, as a result of these requirements, patients resort to continued illegal drug use to stop withdrawals and physicians may be deterred from treating patients due to the difficult prior authorization requirements. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

AMENDMENT NO. 1 TO HOUSE BILL NO. 1771

Amend HOUSE BILL NO. 1771 as originally introduced:

Add Representatives Clowney, D. Douglas, Glover, Murdock, Richardson, Scott, D. Whitaker as cosponsors of the bill

Immediately following the enacting clause, add an additional section to read as follows:

"SECTION 1. DO NOT CODIFY. Legislative findings and intent.

(a) The General Assembly finds that:

(1) The average Arkansan consumes beverages from seven hundred thirty-nine (739) beverage containers per year;

(2) In 2015, Arkansas consumers threw away an estimated one billion four hundred million (1,400,000,000) beverage containers;

(3) A study conducted in Michigan found documentation of a reduction in litter following the implementation of a deposit beverage container program;

(4) According to the study, beverage container deposits were tied to both a reduction in costs for litter cleanup and a reduction in injuries to children caused by glass container litter;

(5) Studies also show a correlation between beverage container deposits and reduced damages to farm operations by a reduction in livestock injuries and in tractor tire damage caused by litter;

(6) Following implementation of a deposit beverage container program, Michigan is estimated to have saved four million six hundred thousand dollars ($4,600,000) from injury prevention and reduced farm damage;

(7) Deposit beverage container programs play a critical role in diverting waste from roadways, streams, and landfills;

(8) Deposit beverage container programs increase recycling and reduce litter;

(9) Arkansas communities are currently expending money to dispose of valuable materials in landfills, which a deposit beverage container program could instead use to create an industry and positively impact the economy;

(10) Landfills are a finite resource that take up valuable land;

(11) In Arkansas, some landfills take up over two hundred fifty (250) acres of land;

(12) Litter and illegal dumping create problems throughout Arkansas's rural areas and farm land;

(13) Arkansas spends an estimated five million dollars ($5,000,000) each year to collect and remove litter from highways;

(14) A deposit beverage container program would keep a projected fifty-eight thousand (58,000) tons of materials out of Arkansas's landfills each year, which would save both landfill space and valuable land used for landfills;

(15) An estimated increase of eight hundred million (800,000,000) beverage containers would be recycled with a deposit beverage container program, which would require a more robust recycling infrastructure in Arkansas and result in an increase in jobs;

(16) Recycling is largely inaccessible to rural Arkansans; and

(17) A deposit beverage container program in Arkansas would help make rural recycling more available with the implementation of privately owned certified redemption centers and would effectively incentivize recycling.

(b) The General Assembly intends by this act to alleviate issues in the state related to litter, illegal dumping, and associated environmental problems by incentivizing and increasing recycling of deposit beverage containers."

Upon motion of Representative Pilkington, HOUSE BILL NO. 1563 was placed back on second reading for the purpose of amendment.

AMENDMENT NO. 1 TO HOUSE BILL NO. 1563

Amend HOUSE BILL NO. 1563 as originally introduced:

Page 1, line 10, delete "JOHNSON COUNTY" and substitute "POPE COUNTY, JOHNSON COUNTY, OR CONWAY COUNTY"

AND

Delete the subtitle in its entirety and substitute the following:

"TO ALLOW FOR CASINO GAMING IN POPE COUNTY, JOHNSON COUNTY, OR CONWAY COUNTY; TO AMEND ARKANSAS CONSTITUTION, AMENDMENT 100; AND TO DECLARE AN EMERGENCY."

AND

Delete everything after the enacting clause and substitute the following:

"SECTION 1. DO NOT CODIFY. LEGISLATIVE INTENT. (a) The General Assembly finds that:

(1) Arkansas Constitution, Article 5, § 1, provides that "[n]o measure approved by a vote of the people shall be amended or repealed by the General Assembly. . . except upon a yea and nay vote on roll call of two-thirds of all the members elected to each house of the General Assembly. . .";

(2) Arkansas Constitution, Article 5, § 1, defines a "measure" to include any bill, law, resolution, ordinance, charter, constitutional amendment or legislative proposal or enactment of any character; and

(3) The plain language of the definition of "measure" in Arkansas Constitution, Article 5, § 1, clearly includes amendments to the Arkansas Constitution, meaning that the General Assembly may amend such measures with a two-thirds vote of each house.

(b) By the passage of this act, the General Assembly expresses its belief that the Supreme Court will:

(1) Interpret Arkansas Constitution, Article 5, § 1, precisely as it reads; and

(2) Uphold the constitutional authority of the General Assembly under Arkansas Constitution, Article 5, § 1, to amend or repeal amendments to the Arkansas Constitution by a two-thirds vote of each house.

SECTION 2. Pursuant to the authority granted by Arkansas Constitution, Article 5, § 1, Arkansas Constitution, Amendment 100, § 4(k), concerning the licensing of casinos and casino gaming, is amended to read as follows:

(k) The Arkansas Racing Commission shall award a casino license to a casino

applicant for a casino to be located in Pope County, Johnson County, or Conway County within two miles of the city limits of the county seat of the county in which the casino would be located. The Arkansas Racing Commission shall also award a casino license to a casino applicant for a casino to be located in Jefferson County within two miles of the city limits of the county seat.

SECTION 3. Pursuant to the authority granted by Arkansas Constitution, Article 5, § 1, Arkansas Constitution, Amendment 100, § 4(m) and (n), are amended to read as follows:

(m) The Arkansas Racing Commission shall require all casino applicants for a casino license in Pope County, Johnson County, Conway County, and Jefferson County to demonstrate experience conducting casino gaming.

(n) The Arkansas Racing Commission shall require all casino applicants for a casino license in Pope County, Johnson County, Conway County, and Jefferson County to submit either a letter of support from the county judge or a resolution from the quorum court in the county where the proposed casino is to be located and, if the proposed casino is to be located within a city or town, shall also require all casino applicants to include a letter of support from the mayor in the city or town where the applicant is proposing the casino to be located.

SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the statewide adoption of Arkansas Constitution, Amendment 100, has authorized casino gaming in Pope County; that because the voters of Pope County rejected the adoption of the proposed amendment that became Arkansas Constitution, Amendment 100, at the 2018 General Election, additional options should be provided for the location of the casino envisioned by the passage of Arkansas Constitution, Amendment 100; and that this act should become effective at the earliest opportunity to avoid confusion in the implementation of Arkansas Constitution, Amendment 100, and expedite the application process for casino licenses. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

(4) The person against whom physical force is used is a law enforcement officer who enters or attempts to enter a dwelling, business, residence, or vehicle in the performance of the law enforcement officer's official duties, and the law enforcement officer identified himself or herself in accordance with any applicable law, or the person using physical force knew or reasonably should have known that the person entering or attempting to enter was a law enforcement officer.

(e) The threat or use of physical force against another person is not justified:

(1) If the person using physical force consented to the exact physical force used or attempted by the other person;

(2) If the person using physical force provoked the other person's use or attempted use of unlawful physical force, unless:

(A) The person using physical force abandons the encounter or clearly communicates to the other person the intent to do so; and

(B) The other person continues or attempts to use unlawful physical force against the person; or

(3) To resist a halt at a roadblock, arrest, search, or stop and frisk that the person using physical force knows is being made by a law enforcement officer, unless:

(A) The law enforcement officer uses or attempts to use greater physical force than necessary to make the halt at a roadblock, arrest, search, stop and frisk; and

(B) The person using physical force reasonably believes that the physical force is immediately necessary to protect against the law enforcement officer's use or attempted use of greater physical force than necessary.

SECTION 3. Arkansas Code § 5-2-607 is repealed.

~~5-2-607. Use of deadly physical force in defense of a person.~~

~~(a) A person is justified in using deadly physical force upon another person if the person reasonably believes that the other person is:~~

~~(1) Committing or about to commit a felony involving physical force or violence;~~

~~(2) Using or about to use unlawful deadly physical force; or~~

~~(3) Imminently endangering the person's life or imminently about to victimize the person as described in § 9-15-103 from the continuation of a pattern of domestic abuse.~~

~~(b) A person may not use deadly physical force in self-defense if the person knows that he or she can avoid the necessity of using deadly physical force:~~

~~(1)(A) By retreating.~~

~~(B) However, a person is not required to retreat if the person is:~~

~~(i) Unable to retreat with complete safety;~~

~~(ii) In the person's dwelling or on the curtilage surrounding the person's dwelling and was not the original aggressor; or~~

~~(iii) A law enforcement officer or a person assisting at the direction of a law enforcement officer; or~~

~~(2) With complete safety by surrendering possession of property to a person claiming a lawful right to possession of the property.~~

~~(c) As used in this section:~~

~~(1) "Curtilage" means the land adjoining a dwelling that is convenient for residential purposes and habitually used for residential purposes, but not necessarily enclosed, and includes an outbuilding that is directly and intimately connected with the dwelling and in close proximity to the dwelling; and~~

~~(2) "Domestic abuse" means:~~

~~(A) Physical harm, physical injury, assault, or the infliction of fear of imminent physical harm, physical injury, or assault between family or household members; or~~

SECTION 4. Arkansas Code § 5-2-608(b), concerning the use of physical force in defense of premises, is amended to read as follows:

(b) A person may use deadly physical force under the circumstances set forth in subsection (a) of this section if:

(1) Use of deadly physical force is authorized by ~~§ 5-2-607~~ § 5-2-606; or

(2) The person reasonably believes the use of deadly physical force is necessary to prevent the commission of arson or burglary by a trespasser.

SECTION 5. Arkansas Code § 5-2-615(b) and (c), concerning use of physical force by a pregnant woman in defense of her unborn child, are amended to read as follows:

(b) A pregnant woman is justified in using physical force or deadly physical force against another person to protect her unborn child if, under the circumstances as the pregnant woman reasonably believes them to be, she would be justified under § 5-2-606 ~~or § 5-2-607~~ in using physical force or deadly physical force to protect herself against the unlawful physical force or unlawful deadly physical force she reasonably believes to be threatening her unborn child.

(c) The justification for using physical force or deadly physical force against another person to protect a pregnant woman's unborn child is not available if:

(1) The use of the physical force or deadly physical force for protection was used by a person other than the pregnant woman; or

(2)(A) The use of the deadly physical force for protection would not be allowed under ~~§ 5-2-607(b)~~ § 5-2-606.

(B) However, the pregnant woman is not obligated to retreat or surrender possession of property as described in ~~§ 5-2-607(b)~~ § 5-2-606 unless the pregnant woman knows she can avoid the necessity of using deadly physical force and simultaneously ensure the complete safety of her unborn child.

SECTION 6. Arkansas Code § 16-120-302 is amended to read as follows:

16-120-302. Use of deadly physical force.

(b) A court shall award reasonable attorney's fees, costs, and trial-related expenses to a person in defense of a civil action brought by another person if the court finds that the person is immune from civil action as provided in this section."

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. Arkansas Code Title 11, Chapter 1, is amended to add a subchapter to read as follows:

Subchapter 1 — Empower Independent Contractors Act of 2019

11-1-101. Title.

This subchapter shall be known and may be cited as the "Empower Independent Contractors Act of 2019".

11-1-102. Purpose.

The purpose of this subchapter is to help employers create jobs, help individuals return to work and no longer need public assistance, and grow the economy.

11-1-103. Definition.

As used in this title, "employment status" means the status of an individual as an employee or independent contractor for employment purposes, including without limitation wages, taxation, and workers' compensation issues.

(9)(A) The work is performed on the premises of the person for whom a service is performed, or the person for whom a service is performed has control over where the work takes place.

(B) A person for whom a service is performed has control over where the work takes place if the person has the right to:

(i) Compel the worker to travel a designated route;

(ii) Compel the worker to canvass a territory within a certain time; or

(iii) Require that the work be done at a specific place, especially if the work could be performed elsewhere;

(10) A worker is required to perform services in the order or sequence set by the person for whom a service is performed or the person for whom a service is performed retains the right to set the order or sequence;

(11) A worker is required to submit regular oral or written reports to the person for whom a service is performed;

(12) A worker is paid by the hour, week, or month except when he or she is paid by the hour, week, or month only as a convenient way of paying a lump sum agreed upon as the cost of a job;

(13) A person for whom a service is performed pays the worker's business or traveling expenses;

(14) A person for whom a service is performed provides significant tools and materials to the worker performing services;

(18) A worker makes his or her services available to the general public on a regular and consistent basis;

(19) A person for whom a service is performed retains the right to discharge the worker; and

(20) A worker has the right to terminate the relationship with the person for whom a service is performed at any time he or she wishes without incurring liability.

SECTION 8. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that under current law the Arkansas Code Revision Commission does not have the authority to correct conflicts occurring when multiple acts amend the same provision of the Arkansas Constitution as expressly permitted by the Arkansas Constitution; that this inability to resolve conflicts makes the law unclear and impossible to publish for review and study by the citizens of the state; and that this act should become effective at the earliest opportunity so that it may be applied to acts enacted by the Ninety-Second General Assembly. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
