"SECTION 1. Arkansas Code Title 6, Chapter 15, Subchapter 2 is amended to add an additional section to read as follows:

6-15-214. Advanced placement course counted as core curriculum course taught.

(a) The purpose of this section is to assist small, rural public schools in providing students access to the most rigorous courses available if it is the desire of students to take Advanced Placement courses in the place of regular courses and, in doing so, to meet the requirements of the Standards for Accreditation of Arkansas Public Schools and School Districts.

(b) The Department of Education acknowledges that the rigor and level of difficulty of Advanced Placement courses exceed the requirements of regular courses. Such rigor and level of difficulty are validated through the required Advanced Placement Audit and Advanced Placement examinations.

(c) The State Board of Education shall consider an Advanced Placement course as being taught for one (1) of the required courses under the Standards for Accreditation of Arkansas Public Schools and School Districts if:

(1) The public school district has a qualified teacher for the required course;

(2) No students enrolled in the course;

(3) An Advanced Placement course in the same subject area as the required course has students enrolled in the course;

(4) The public school district teaches all other courses required by the Standards for Accreditation; and

(5)(A) The public school district teaches the required course to any student who enrolls in the public school district after the school year begins.

(B) The public school district may teach the required course to a new student:

(i) In a traditional classroom setting;

(ii) Through distance learning with a qualified teacher, or

(iii) By modifying the Advanced Placement course on an individual level to accommodate the new student.

(d)(1)(A) The public school district shall notify the Department of Education after registration in the spring prior to the beginning of the new school year and immediately after the school year begins if no students enrolled in the required course and the public school district will seek to meet the Standards of Accreditation using the Advanced Placement course.

(B) Upon receiving the public school district notification and after spring registration, the department shall permit the public school district to meet the standards by teaching the Advanced Placement course in place of the required course.

(e) If a new student enrolls in the required course, the public school district shall immediately notify the Department of Education.

(f) The department shall establish procedures to ensure that no student is coerced into taking an Advanced Placement course for the purpose of meeting the Standards of Accreditation.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that a rigorous curriculum is essential for the improvement of public school student achievement in Arkansas; that efficient and consistent enforcement of the Standards of Accreditation are vital to the public education system; that public school districts should have some efficient method of teaching Advanced Placement courses as part of the accredited curriculum; that this

act provides the flexibility needed to ensure that a rigorous curriculum is efficiently delivered to all public school students. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

THE RESOLUTION WAS READ AND ADOPTED BY MORE THAN 51 VOTES.

The Speaker requested that **HOUSE BILL NO. 1801** be transferred back to the Joint Budget Committee.

Upon motion of Representative Sumpter, **HOUSE BILL NO. 2754** was placed back on second reading for the purpose of amendment.

**AMENDMENT NO. 1 TO HOUSE BILL NO. 2754**

Amend **HOUSE BILL NO. 2754** as originally introduced:

Delete everything following the enacting clause and substitute the following:

“SECTION 1. Arkansas Code § 3-3-210(a), concerning sales of alcoholic beverages on Sunday or early weekday mornings, is amended to read as follows:

(a)(1) Any person who shall sell intoxicating alcoholic liquor on Sunday, except as such sales are authorized by §§ 3-9-215, 3-9-216, and 3-9-401 et seq., or between 1:00 a.m. and 7:00 a.m. on weekdays shall be guilty of a violation and for the first offense be punished by a fine of not less than one hundred dollars (\$100) nor more than two hundred fifty dollars (\$250).

(2) For the second and subsequent offenses, the person shall be guilty of a Class B misdemeanor.

SECTION 2. Arkansas Code Title 3, Chapter 9, Subchapter 2 is amended to add an additional section to read as follows:

3-9-216. Authorization of sales on Sundays for certain large attendance facilities.

(a) Large attendance facilities under § 3-9-202(8)(B) in which pari-mutuel wagering has been authorized and which have a valid and current license or permit to sell alcoholic beverages for consumption on their premises may sell alcoholic beverages on Sundays between the hours of 12:00 a.m. and 2:00 a.m. in addition to other times authorized by law for selling alcoholic beverages for consumption on the premises.

(b) This section shall not be construed to:

(1) Authorize the sale of alcoholic beverages in any city or county or in any portion of a city or county in which the sale of alcoholic beverages is prohibited by law; or

(2) Repeal or modify any law that prohibits the sale of intoxicating alcoholic liquor, beer, or wine on Sunday unless the law specifically conflicts with this section.

SECTION 3. Arkansas Code § 3-9-404(b)(2), concerning permits to sell alcoholic beverages for on-premises consumption on Sundays, is amended to read

as follows:

(2) It is:

(A) ~~located~~ Located in a city or county where Sunday sale of alcoholic beverages for on-premises consumption has been approved by the voters of the city or county as authorized under Arkansas law; or

(B) A large attendance facility under § 3-9-202(8)(B) in which pari-mutuel wagering has been authorized by law;

SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that current laws concerning the sale of alcoholic beverages at certain large attendance facilities enact a financial hardship on those facilities; and that a revision to Arkansas law is necessary to ease those hardships and provide a more equitable system of selling alcoholic beverages on certain days and times. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.”

"SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that lawsuits concerning poultry litter have created a crisis in poultry litter distribution in Arkansas; that tax incentives for transportation of poultry litter will provide immediate relief to both Arkansas poultry producers and Arkansas poultry litter applicators; and that this act is immediately necessary because many poultry litter applications are made once a year and any delay in transportation will further exacerbate the already serious crisis. (b) Cost share funds shall be available to a natural person, partnership, or corporation that:

(2) Transports or arranges for the transportation of the surplus litter outside the nutrient surplus areas to an area within Arkansas but outside the watersheds listed in subdivision (a)(2) of this section.

15-20-1204. Application of transported litter.

Litter that is transported from a nutrient surplus area and then land applied shall be applied in a manner consistent with soil test recommendations.

15-20-1205. Application and approval procedure – Administration.

(a) The Arkansas Natural Resources Commission shall promulgate rules necessary to administer the cost share program under this subchapter.

(b)(1) The commission may charge a reasonable application fee to process cost share applications.

(2) All fees received under subdivision (b)(1) of this section shall be deposited into the Arkansas Water Development Fund.

15-20-1206. Source of program money.

The Arkansas Water Development Fund may be used to finance cost share under this subchapter.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that lawsuits concerning poultry litter have created a crisis in poultry litter distribution in Arkansas; that incentives for transportation of poultry litter will provide immediate relief to both Arkansas poultry producers and Arkansas poultry litter applicators; and that this act is immediately necessary because many poultry litter applications are made once a year and any delay in transportation will further exacerbate the already serious crisis. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."
