"SECTION 2. Arkansas Code § 26-26-1907 is amended to read as follows:
26-26-1907. Arkansas Real Property Reappraisal Fund.

(a)(1) There is hereby created the "Arkansas Real Property Reappraisal Fund".

(2) The proceeds of the fund shall be used to pay counties and professional reappraisal companies for the reappraisal of real property required by this subchapter and shall be in lieu of real property reappraisal funding by the local taxing units in each county of this state.

(3)(A) The Director of the Assessment Coordination Department of the State of Arkansas shall certify monthly to the Chief Fiscal Officer of the State the amount of funding needed to pay counties and professional reappraisal companies for the reappraisal of real property.

(B) Upon receipt of the certification, the Chief Fiscal Officer of the State shall transfer the following to the Arkansas Real Property Reappraisal Fund:

(i) Seventy percent (70%) of the amount certified from the Department of Education Public School Fund Account;

(ii) Twelve percent (12%) of the amount certified from the general revenues of the County Aid Fund;

(iii) Ten percent (10%) of the amount certified from the Municipal Aid Fund; and

(iv) Eight percent (8%) of the amount certified from the highway turnback funds of the County Aid Fund.

(b) For cause and after an opportunity for hearing, the Director of the Assessment Coordination Department may suspend or terminate the contract of any appraisal firm or county.

(c)(1) The fund proceeds shall be distributed monthly, except when there is a determination by the Assessment Coordination Department that proper reappraisal procedures established by the department are not being followed.

(2)(A)(i) Upon a finding by the department that proper reappraisal procedures are not being followed, the county assessor or contractor shall be notified that the reappraisal is out of compliance with accepted guidelines as established in § 26-26-1901 et seq. and rules enacted pursuant thereto.

(ii) The department shall notify the county assessor or contractor in writing that the assessor or contractor has thirty (30) days in which to bring the reappraisal into compliance.

(B) If there is a further finding that proper reappraisal procedures are not being followed, the contract shall be promptly terminated and the department shall negotiate another contract and management plan for the completion of the reappraisal project.

(d) Based on its expertise and the criteria and requirements set forth in this subchapter, the department shall establish by rule the findings that indicate proper reappraisal procedures are not being followed.

(e) At the end of each countywide reappraisal, the department shall issue a report of the status of the county.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the funding of the Arkansas Real Property Reappraisal Fund needs to be redistributed; that for the effective administration of this act, it should become effective at the beginning of the next fiscal year; and that the next fiscal year begins July 1, 2005. Therefore, an emergency is declared to exist and this act being necessary for the preservation of the public peace, health, and safety shall become effective on July 1, 2005."

"SECTION 1. (a)(1) As a condition of employment, a person hired or appointed to a position in any agency in state government on or after the effective date of this act shall be required to accept payment of salary or wages by electronic warrants transfer. The electronic warrants transfer shall be made in the form of a direct deposit of funds to the account of the beneficiary of such payment in any financial institution equipped for electronic fund transfers, provided that such financial institution is designated in writing by such beneficiary and has lawful authority to accept such deposits.

(2)(A) Any person affected by the direct deposit requirement set forth in subdivision (a)(1) of this section may request an exemption from the requirement. The Chief Fiscal Officer of the State shall have the authority to grant exemptions from the direct deposit requirement upon a showing of hardship to the person requesting the exemption or upon any other reasonable basis.

(B) The Chief Fiscal Officer of the State shall establish the standards and procedures for granting exemptions from the direct deposit requirement set forth in this section.

(3) The direct deposit requirement set forth in subdivision (a)(1) of this section shall not apply to a person who is in the employment of the state prior to the effective date of this act and subsequently receives a promotion appointment, transfer, or other change in position within the same personnel system on or after the effective date of this act.

(b)(1) For purposes of the direct deposit requirement set out in subdivision (a)(1) of this section, the term "agency" means all state agencies, boards, commissions, bureaus, councils, or programs except:

(A) The elected constitutional officers of the State of Arkansas and their employees;

(B) The General Assembly and its employees, including employees of the Bureau of Legislative Research of the Legislative Council and the Division of Legislative Audit;

(C) Members and employees of the Arkansas Supreme Court, the Administrative Office of the Courts, circuit courts, and prosecuting attorneys, but

not including deputy prosecuting attorneys:

(D) The Arkansas State Game and Fish Commission;

(E) The Arkansas State Highway and Transportation Department; and

(F) All administrative, academic, classified, and nonclassified employees of the state-supported institutions of higher learning.

(2) Any agency, board, commission, bureau, council, or program exempted under this subsection (b) from the direct deposit requirement set forth in subdivision (a)(1) of this section may elect to enter the electronic warrants transfer system on a voluntary basis.

(c) The Chief Fiscal Officer of the State shall have the authority to establish any special accounts necessary to facilitate direct deposit of employee salaries or wages."

Immediately following SECTION 1, add additional sections to read as follows:

"SECTION 2. Arkansas Code § 15-20-1106 is amended to read as follows:

15-20-1106. Designated nutrient application. [Effective January 1, 2004.]

(a) It shall be a violation of this subchapter to apply designated nutrients to soils or associated crops within a nutrient surplus area unless the nutrient application is done in compliance with a nutrient management plan approved by the Arkansas Soil and Water Conservation Commission or at a protective rate established by the commission.

(b) Application of poultry litter to soils or associated crops on lands within a nutrient surplus area shall be done in accordance with a nutrient management plan or poultry litter management plan after January 1, 2007.

(c) After a soil test with nutrient application recommendations is obtained for lands within a nutrient surplus area, application of commercial fertilizer may continue in compliance with the protective rate after January 1, 2007.

(d) After a soil test with nutrient application recommendations is obtained for lands within a nutrient surplus area, the protective rate as indicated by the soil test shall constitute a permit to apply nutrients consistent with the protective rate.

~~(b)~~(e) Designated nutrient application within a nutrient surplus area shall be applied under time, place, and manner restrictions determined necessary by the commission to protect the soil fertility, crop vitality, and the waters within the state.

~~(e)(1)(f)~~(1) Except as provided in subsection ~~(e)~~(h) of this section, only a certified nutrient applicator may apply a nutrient application within a nutrient surplus area.

(2) In areas outside nutrient surplus areas, nutrient applicators may not be required to be certified.

~~(d)(1)(g)~~(1) Except as provided in subsection ~~(e)~~(h) of this section, nutrient application within a nutrient surplus area shall be documented by the nutrient applicator in a method acceptable to the commission.

(2)(A) This documentation shall be maintained by the landowner and the nutrient applicator.

(B) The information collected in furtherance of this subchapter shall not be public record.

~~(e)(1)(h)~~(1) Designated nutrient application within a nutrient surplus area on residential lands of two and one-half (2 1/2) acres or less shall be applied at a rate not to exceed the protective rate and in a manner acceptable to the commission and may be performed by the landowner or resident.

(2) In such instances, the landowner or resident shall not be required to be a certified nutrient applicator but shall maintain the required documentation.

SECTION 3. Arkansas Code § 15-20-1107 is amended to read as follows:

15-20-1107. Nutrient management plan. [Effective January 1, 2004.]

(a)(1) Nutrient management plans shall be approved by the board of directors of the conservation district where a majority of the land to which the plan applies is located.

(2) The person requesting a nutrient management plan may appeal its disapproval or any of its provisions to the Executive Director of the Arkansas Soil and Water Conservation Commission.

~~(a)~~(b) In considering the approval of a nutrient management plan, a conservation district board of directors and the Arkansas Soil and Water Conservation Commission shall consider the plan's provision for:

- (1) Soil nutrient testing;
- (2) The level of nutrients contained in the nutrient source;

(3) Nutrient application rates, including the methodology utilized in determining the rate;

(4) Crops being grown, soil type, geology, hydrology, and other physical characteristics of land on which the nutrient will be applied;

(5) The manner and timing of nutrient application;

(6) The method for keeping application records contained in the plan;

and

(7) The qualifications of the person developing the plan.

~~(b)~~(c) If the land application of a designated nutrient within a nutrient surplus area is a part of a process regulated under the Arkansas Water and Air Pollution Control Act, § 8-4-101 et seq., or other similar federal or state law and the permit contains conditions regulating the application of the designated nutrient acceptable to the commission, then the permit shall serve as the nutrient management plan.

(d) An approved plan shall constitute a permit to apply nutrients consistent with the plan.

SECTION 4. Arkansas Code § 15-20-1108 is amended to read as follows:

15-20-1108. Poultry litter management plan. [Effective January 1, 2004.]

(a)(1) Poultry litter management plans shall be approved by the board of directors of the conservation district where a majority of the land to which the plan applies is located.

(2) The person requesting a poultry litter management plan may appeal its disapproval or any of its provisions to the Executive Director of the Arkansas Soil and Water Conservation Commission.

~~(a)(1)~~(b)(1) Poultry feeding operations within a surplus nutrient area shall develop and implement a poultry litter management plan acceptable to the Arkansas Soil and Water Conservation Commission before January 1, 2007.

(2) The person who develops the poultry litter management plan shall have obtained certification from the commission in planning.

(3) If the commission determines it to be beneficial, the poultry litter management plan may be a part of a nutrient management plan.

~~(b)~~(c) At a minimum, the poultry litter management plan shall contain a:

(1) Periodic poultry litter nutrient content analysis component;

(2) Poultry litter utilization component providing for the proper utilization of the litter produced, including provisions ensuring that:

(A) Land application within a nutrient surplus area is in accordance with a nutrient management plan or at a rate not to exceed the protective rate;

(B) Land application outside a nutrient surplus area is in a method and at a rate acceptable to the commission; and

(C) Litter not land-applied is converted to a nonnutrient use or other use acceptable to the commission; and

(3) Records component that requires the owner of the poultry feeding operation to maintain sufficient records at the site of the poultry feeding operation to determine poultry litter utilization and compliance with the other portions of the poultry litter management plan.

~~(e)(d)~~ The commission may accept a plan or permit prepared to comply with federal law as a poultry litter management plan if the plan or permit substantially meets the requirements of this section.

(e) An approved plan shall constitute a permit to apply nutrients consistent with the plan.

AMENDMENT NO. 1 TO HOUSE BILL NO. 2452

Amend **HOUSE BILL NO. 2452** as originally introduced:

Delete everything after the enacting clause and substitute:

"SECTION 1. It is the intent of the General Assembly of the State of Arkansas that:

(1) Juveniles receive mental health services in their communities whenever possible and in the least restrictive placement consistent with the juvenile's treatment needs;

(2) Circuit courts are provided with qualified mental health screenings to assist courts in ordering appropriate mental health services for juveniles; and

(3) Juvenile officers, mental health providers, residential providers, the Department of Human Services, Child and Adolescent Service System Program providers, attorneys, and advocates shall work together to ensure the continuity of mental health services for juveniles in their communities.

SECTION 2. (a) When a mental health screening or assessment is provided to the juvenile division of a circuit court, the screening or assessment shall include, but not be limited to, the following:

(1) An assessment of the mental health services needed for the juvenile and the juvenile's family; and

(2) The services that could be provided to enable the juvenile to remain safely in his or her home and the availability of such services.

(b) If the screening or assessment recommends that the juvenile cannot remain safely in his or her home, then the screening or assessment shall state the recommended type of residential treatment or in-patient treatment that is needed for the juvenile which:

(1) Meets the treatment needs of the juvenile;

(2) Allows the juvenile to remain as close to his or her home and community as possible so that his or her family can participate in the treatment plan;

(3) Provides for the least restrictive placement ensuring the health and safety of the juvenile;

(4) Provides an anticipated length of time needed for residential or in-patient treatment; and

(5) Provides a plan for the reintegration of the juvenile into his or her community, including coordination with local providers when the juvenile is released from residential or in-patient treatment."
