~~3-5-406. Manufacture and sale a privilege - Purpose of subchapter.~~

~~(a) The business of manufacturing or selling native wine is declared, under the Constitution and laws of the State of Arkansas, to be a privilege.~~

~~(b) Some of the purposes of this subchapter are to impose, assess, and levy certain license fees and taxes upon the exercise of that privilege.~~

~~3-5-407. License fees generally.~~

~~For the privilege of doing business respectively, as indicated in this section, there shall each fiscal year, beginning July 1, be imposed, assessed, levied, and collected the following license fees:~~

~~(1)(A) For the privilege of manufacturing native wine in quantities not to exceed five thousand (5,000) gallons, a license fee of one dollar (\$1.00) per thousand gallons shall be paid by the manufacturer.~~

~~(B)(i) However, any persons in this state shall have the right to manufacture free from this license fee from grapes, berries, or other fruits or vegetables grown in the State of Arkansas, native wine or light wine for consumption in their homes by themselves and their guests, but not for sale, in quantities not to exceed two hundred (200) gallons.~~

~~(ii) Provided, nothing herein shall be deemed to authorize the manufacture of wine or light wine in any area which has voted against the manufacture or sale of intoxicating liquors;~~

~~(2) For the privilege of manufacturing native wine in excess of five thousand (5,000) gallons, a license fee of two hundred fifty dollars (\$250) shall be paid by the manufacturer;~~

~~(3) For the privilege of selling native wine, except by a manufacturer at his winery, there shall be paid for each retail dealer's license a fee of fifteen dollars (\$15.00);~~

~~(4) For the privilege of selling native wine, except by a manufacturer at his winery, there shall be paid for each wholesale dealer's license a fee of fifty dollars (\$50.00).~~

~~3-5-408. Licensing of wineries.~~

~~(a) Every winery in the State of Arkansas must be licensed by the Director of the Alcoholic Beverage Control Division and must be registered in the office of the director. Every license shall show the registration number and location of the winery and shall show the name of the manufacturer owning, conducting, or operating the winery, and the license shall be conspicuously posted at the winery.~~

~~(b) It is the duty of the director to prescribe reasonable rules requiring proper sanitary conditions about the winery and to see that these conditions are met before he shall issue any license.~~

~~(c) The director shall also prescribe reasonable rules requiring the process of manufacturing native wine to be carried on under proper sanitary conditions and in a sanitary manner.~~

~~(d) For any failure to comply with all the reasonable rules, the director shall revoke the license of any winery.~~

~~3-5-409. Tax on manufacture and sale - Exception.~~

~~(a)(1) Under the provisions of this subchapter, for the privilege of manufacturing wine and for selling it at the winery or in this state, there is imposed, assessed, and levied a tax of seventy-five cents (75¢) per gallon upon all the wine manufactured and sold in this state under the provisions of this subchapter.~~

~~(2) For the privilege of manufacturing light wine under the provisions of this subchapter, and for selling it at the winery or in this state, there is imposed, assessed, and levied a tax of twenty-five cents (25¢) per gallon upon all light wine manufactured and sold in this state under the provisions of this subchapter.~~

~~(b) By consent of the Director of the Department of Finance and Administration, the manufacturer may file a bond with the director, the bond to be approved by him, which will entitle the manufacturer to the privilege of making settlement of his taxes every thirty (30) days, the time to be set by the director.~~

~~(c) However, any person in this state shall have the right to manufacture, free from the tax, from grapes, berries, or other fruits or vegetables grown in the State of Arkansas, native wine or light wine for consumption in their home by themselves and guests but not for sale, in quantities not to exceed two hundred (200) gallons.~~

~~3-5-410. Manner of sale.~~

~~All native wine, whether sold by the manufacturer, retailer, or wholesale dealer, must be sold in original packages and in the following lots:~~

~~(1) The manufacturer may sell to the consumer at the winery in lots not to exceed five (5) gallons and to either wholesale or retail dealers in lots not less than five (5) gallons. However, the lots may be contained in packages of less than five (5) gallons each;~~

~~(2) Retail dealers may sell only to consumers and in lots not to exceed five (5) gallons;~~

~~(3) Wholesale dealers may sell only to retail dealers and in lots of any quantity.~~

~~3-5-411. Transportation.~~

~~(a) It shall be lawful to transport native wine in the original package along any highway, road, street, or other thoroughfare of travel.~~

~~(b) It shall be unlawful to transport wine along any highway, road, street, or other thoroughfare of travel except in the original package.~~

~~(c)(1) It is lawful for any winery in the State of Arkansas to ship wines out of the state by common carrier or other appropriate parcel delivery service and for common carriers and other appropriate parcel delivery services to accept wine from Arkansas wineries for delivery outside the State of Arkansas.~~

~~(2)(A) An individual who purchases native Arkansas wine at the winery may transport the wine pursuant to § 3-5-504 or may have the purchase shipped to him or her at the individual's home by common carrier or appropriate parcel delivery service.~~

~~(B) Under subdivision (c)(2)(A) of this section, it is lawful for:~~

~~(i) Any winery in the State of Arkansas to ship wines within the state by common carrier or other appropriate parcel delivery service; and~~

~~(ii) Common carriers and other appropriate parcel delivery services to accept wine from Arkansas wineries for delivery within the State of Arkansas.~~

~~3-5-412. Disposition of funds.~~

~~(a) All permits or license fees or taxes, penalties, fines, and costs received by the Director of the Department of Finance and Administration under the provisions of this subchapter, with the exception of the tax allocated in subsection (b) of this section, shall be general revenues and shall be deposited in the State Treasury to the credit of the State Apportionment Fund. The Treasurer of State shall allocate and transfer these amounts to the various State Treasury funds participating in general revenues in the respective proportions to each as provided by, and to be used for the respective purposes set forth in, the Revenue Stabilization Law of Arkansas, § 19-5-101 et seq.~~

~~(b)(1) All revenues derived from five cents (5¢) per gallon of the tax levied upon native wine by § 3-5-409 shall be deposited in the State Treasury as special revenues. The net amount thereof shall be credited to the University of Arkansas Fund to be used exclusively for promoting research concerning the production of wine grapes and the manufacture of wine in Arkansas and in supporting the Arkansas native wine industry.~~

~~(2) All revenues derived from seventy cents (70¢) per gallon of the tax levied upon wine by § 3-5-409 shall be deposited in the State Treasury as gross revenues. The net amount thereof shall be credited to the respective funds and accounts in the respective proportions to each and to be used for the respective purposes as provided in the Revenue Stabilization Law, § 19-5-101 et seq.~~

~~3-5-413. Wineries — Sale of wine for on-premises or off-premises consumption.~~

~~(a) Notwithstanding the provisions of § 3-5-410 or any other law to the contrary, wine may be sold at any winery located in this state for on-premises or off-premises consumption on any day of the week.~~

~~(b) The Alcohol Beverage Control Board is hereby authorized to promulgate reasonable rules and regulations for the on-premises sale with foods, and off-premises package sale, labeling, and identification, of wine sold at wine outlets maintained on the premises and operated in connection with a wine manufacturing facility in this state throughout the week, and such regulations shall include the following minimum requirements:~~

~~(1) The winery shall provide tours through their cellars;~~

~~(2) Only sealed containers may be removed from the winery premises;~~

~~(3)(A) That packages sold on Sundays for off-premises consumption shall have attached around the central seam of each such package a tape or other seal approved by the Alcoholic Beverage Control Board to seal such package.~~

~~(B) Said tape or seal shall be affixed in such manner as directed by the Alcoholic Beverage Control Board which shall prohibit the opening thereof without breaking such tape or seal.~~

~~(C) On each such package shall be stamped in ink the words "Not to be opened on date of sale by order of the Arkansas Alcoholic Beverage Control Board" and stating the penalty for violating such order in letters of such minimum height and size as may be prescribed by the Alcoholic Beverage Control Board.~~

~~(c) Breaking the seal required by subdivision (b)(3) of this section on the date of sale shall be a Class C misdemeanor.~~

~~Subchapter 5.~~

~~Native Wines - Transportation.~~

~~3-5-501. Legislative determinations and intent.~~

~~(a) The General Assembly, in the passage of this subchapter, is cognizant of the practice of Arkansas wineries who produce native wine in cooperating with the efforts of the State Parks, Recreation, and Travel Commission in promoting the tourist industry of this state by opening their cellars and vineyards to tourists, by providing official tour guides, and by expending sums of money for the construction of vineyard observation towers, vineyard roads, tourist centers, and tunnels for the proper flow of travel through their wine cellars, and that these activities by Arkansas wineries who produce native wine have promoted the tourist industry in Arkansas, and are of substantial benefit in promoting the economy and welfare of this state.~~

~~(b) The General Assembly further recognizes that quantities of native wines are sold at the wineries in this state to connoisseurs of vintage wines who purchase the native wines to stock their home wine cellars, but in the transportation of such wines, persons may often find themselves in technical violation of the laws of this state by transporting greater quantities of native wine through dry counties than are authorized by law.~~

~~(c) It is, therefore, essential to the development of native wine producing industry in this state, with related economic benefits to farms and orchards which produce fruits and berries used in native wine production, and in improved employment advantages enjoyed by those directly or indirectly engaged in native wine production or allied employment, that procedures be developed for the lawful, yet regulated, movement of native wines within the state and through the state so long as the native wine is not used in violation of any local option law.~~

~~(d) The General Assembly further determines that the procedures set forth hereinafter provide reasonable regulations for the lawful transportation of native wines upon the public highways of this state which, if transported in compliance herewith, shall not be in violation of state law or of any local initiated act prohibiting or restricting the manufacture, possession, or sale of alcoholic beverages in this state.~~

~~(e) It is the intent of this subchapter to establish regulated procedures for transportation of native wine on the public highways of this state which are purchased by the purchaser in the manner provided in this subchapter for transportation to a destination outside the State of Arkansas or to a destination within the state in which the lawful manufacture, possession, or sale of alcoholic beverages is prohibited.~~

~~3-5-502. Penalty.~~

~~Any person who shall knowingly or illegally violate any of the provisions of this subchapter shall be guilty of a Class B misdemeanor.~~

~~3-5-503. Labeling for transportation.~~

~~(a) The Alcoholic Beverage Control Board is authorized to promulgate reasonable rules and regulations for the labeling and identification of quantities of native wine purchased at wine outlets maintained on the premises and operated in connection with a native wine manufacturing facility in this state, which would identify native wines and authorize the transportation of them upon the public highways of this state to a destination outside this state or to a destination within this state in which the lawful possession or sale of alcoholic beverages is not prohibited by law.~~

~~(b) The regulation shall include minimum requirements as follows:~~

~~(1)(A) Each case or partial case of native wine sold at a retail outlet of native wine manufacturers shall have attached around the central seam of each case a tape or other seal approved by the Alcoholic Beverage Control Board to seal the package.~~

~~(B) The tape or seal shall be affixed in the manner as directed by the Alcoholic Beverage Control Board which shall prohibit the opening of the case in transit or which if opened in transit would enable any law enforcement officer to determine that the sealed case had been unlawfully opened;~~

~~(2) On each case shall be stamped in ink the words: "Not to Be Opened in Transit by Order of the Arkansas Alcoholic Beverage Control Board," in letters of such minimum height and size as may be prescribed by the Alcoholic Beverage Control Board;~~

~~(3)(A) In addition thereto, the case shall have stamped or printed on it substantially the following form:~~

~~ARKANSAS NATIVE WINE TRANSIT PERMIT~~

~~—This package contains Arkansas Native Wine produced by:~~

~~....., and sold to~~

~~—(Name and Address of Winery)~~

~~.....~~

~~—(Name of Purchaser) ————— (Address)~~

~~—On ....., for transit to~~

~~—(Date of Sale)~~

~~.....~~

~~—(Name and Address of Destination)~~

~~(B) Each case or partial case of native wine shall be stamped in the manner as provided in this section, and there shall be written on each case or partial case the information required in this section.~~

~~3-5-504. Transportation by purchaser authorized—Limitation.~~

~~(a) Any person who shall purchase native wine at retail outlets maintained on the premises of, and operated by, the native wine manufacturer may transport a quantity of not more than three (3) cases, not to exceed three (3) gallons per case, of Arkansas-produced native wine. If the cases are packaged, sealed, and stamped in the manner as provided in § 3-5-503, they may be transported upon the public highways of this state without the transportation of them being in violation of any laws of this state or of any local ordinances prohibiting the manufacture, possession, or sale of alcoholic beverages in any dry area through which they are transported on the public highway. This is true so long as the container has been unopened and is being transported by a vehicle to a destination, as reflected on the package, outside the State of Arkansas or to a destination within the State of Arkansas in which the manufacture, possession, or sale of alcoholic beverages is not prohibited by law.~~

~~(b) For the purposes of this subchapter, each purchaser of Arkansas-produced native wine shall be entitled to purchase not more than three (3) cases of native wine per purchaser as reflected on the sealed cases thereof and may transport native wine in any vehicle under the provisions of this subchapter.~~

~~(c) Nothing in this subchapter shall be construed to limit the transportation of three (3) cases per vehicle.~~

~~(d) Nothing in this subchapter shall be construed to grant permission or authority for any person to transport an unlawful quantity of native wine to a destination in, or for possession, sale, or use in, any county, city, or portion thereof in which the manufacture, possession, or sale of alcoholic beverages is prohibited by law.~~

~~3-5-505. Package to remain unopened - Inspection.~~

~~(a) Any person purchasing Arkansas-produced native wines and transporting them in the manner authorized in this subchapter shall not open any container or break any seal or package in which the wines are packaged for transportation in compliance with this subchapter until the package reaches the destination thereof as designated on the sealed package.~~

~~(b) All cases of Arkansas-produced native wine transported under the provisions of this subchapter shall be made available for inspection, upon request, by any law enforcement officer.~~

~~(c) If a law enforcement officer determines it necessary to open the case for any lawful inspection, he shall attach to the case a statement, in writing, identifying the name, address, and commission of the officer and the site, hour, and date on which the case has been opened, in order that if the person transporting the package is required to submit it for further inspection, there will be a proper identification thereon that it was opened for inspection and has not been opened in violation of this subchapter.~~

SECTION 4. Arkansas Code § 3-5-607 is repealed.

~~3-5-607. Tax incentive for export of local wines.~~

~~(a) In order to encourage Arkansas wineries to seek new and broader markets for Arkansas wines outside of Arkansas and to enable the wineries to be less dependent upon Arkansas markets for the sale of their wines, thereby giving an incentive for the purchase of more Arkansas fruits and vegetables to be used in the production of wines for sale outside this state, the General Assembly determines that the establishment of a tax incentive is necessary to accomplish this purpose.~~

~~(b) The tax incentive shall be as follows: For every one and one-half (1 1/2) gallons of Arkansas-grown wine that an Arkansas winery sells and ships outside the State of Arkansas, the Arkansas winery shall receive a seventy-cent tax credit against tax it must pay for out-of-state wines that the winery imports into this state for blending with Arkansas-produced wines for sale within the State of Arkansas. The Arkansas winery must pay a similar credit against taxes for wines it sells within the State of Arkansas produced from fruits and vegetables grown outside the State of Arkansas.~~

~~(c)(1) To qualify for the benefits of the tax credit incentive as provided in subsections (a) and (b) of this section, the Arkansas winery shall submit to the Department of Finance and Administration copies of invoices of sales of Arkansas-grown wines to wholesalers in other states or countries indicating the date of sale and address of the wholesaler.~~

~~(2) If certain wines on the invoice are blends of Arkansas-grown and out-of-state grown wines, or blends with wines produced in Arkansas from out-of-state fruit, a copy of the blend-ratio record shall accompany the invoice.~~

~~(3) Invoices may be submitted annually.~~

~~(d) Nothing in this subchapter shall be construed to require Arkansas wineries to pay gallonage tax in Arkansas on wines shipped and sold to wholesalers for sale outside of Arkansas.~~

~~(e) All persons manufacturing controlled beverages shall keep and maintain on the premises the following records:~~

~~(1) A record showing the kind, quantity, and date of the receipt of all materials brought upon the premises for use in the manufacture of controlled beverages;~~

~~(2) A record of all controlled beverages sold or otherwise disposed of, indicating the date of sale or other disposition, the name of the wholesale or retail outlet purchaser, and the quantity of controlled beverages sold or otherwise disposed of.~~

~~(f) The records shall be preserved for a period of three (3) years from the relevant date of the records and shall be available on the premises at all times for reasonable inspection by authorized agents of the Alcoholic Beverage Control Division and the Department of Finance and Administration. The records, along with federal Bureau of Alcohol, Tobacco, and Firearms production and sales records and other requirements of this subchapter, shall serve as a system to ensure proper collection of wine taxes."~~
