Delete SECTION 1 in its entirety and substitute the following:

"SECTION 1. Arkansas Code § 17-19-111 is amended to read as follows:
17-19-111. Fees.

(a) Notwithstanding any other provisions of this chapter to the contrary, and notwithstanding any other provisions of Arkansas law to the contrary, professional bail bond companies are hereby required to charge, collect, and remit the following fees for direct deposit as special revenues into the State Insurance Department Trust Fund for the support, personnel, maintenance, and operations of the State

Insurance Department and for the Domestic Peace Fund administered by the Arkansas Child Abuse/Rape/Domestic Violence Commission, in addition to any other fees, taxes, premium taxes, levies, or other assessments imposed in connection with the issuance of bail bonds by professional bail bond companies under Arkansas law.

(b)(1) In addition to the bail or appearance bond premium or compensation allowed under § 17-19-301, each licensed professional bail bond company shall charge and collect as a nonrefundable fee for the fund an additional ten dollar (\$10.00) fee per bail bond for giving bond for each and every bail and appearance bond issued by the licensed professional bail bond company by or through its individual licensees.

(2) The fees shall be collected quarterly and then reported and filed with the Insurance Commissioner no later than fifteen (15) calendar days after the end of each quarter.

(3) The notarized quarterly reporting form and a notarized annual reconciliation form as to all fees collected for the fund shall be filed by each professional bail bond company on forms prescribed by the commissioner and at the times and in the manner as the commissioner shall prescribe in conformity with this section.

(4) A paper-processing charge of fifteen dollars (\$15.00) shall be collected on each bail bond in order to defray the surety's costs incurred by the quarterly and annual reporting requirements contained herein and to further defray the surety's costs incurred in the collection of all fees due, owing, and collected on behalf of the fund and the surety's costs incurred in the preparation of all required reports submitted in conformance with the standards established by the American Institute of Certified Public Accountants.

(c)(1) The commissioner may, in his or her discretion, grant an extension for the filing of the report and fees for good cause shown upon timely written request.

(2) Absent an extension for good cause shown, each licensed professional bail bond company failing to report or pay these fees shall be liable to the fund for a monetary penalty of one hundred dollars (\$100) per day for each day of delinquency.

(3) The commissioner may pursue any appropriate legal remedies on behalf of the fund to collect any delinquent fees and penalties owed as special revenues.

(d)(1) Upon collection of the fees and any monetary penalties, the commissioner shall deposit as special revenues:

(3)(A) Each individual bail bondsman is required to assist in collection of the fees, but is exempt from the duty and responsibility of payment of the fees to the fund unless he or she misappropriates or converts such moneys to his or her own use or to the use of others not entitled to the fees.

(B) In that case, the commissioner shall proceed on behalf of the fund with any civil or criminal remedies at his or her disposal against the individual responsible.

(C) Upon criminal conviction of the individual responsible for fraudulent conversion of the moneys due the fund, the individual responsible shall pay restitution to the trust fund, and the court shall incorporate a finding to that effect in its order.

(D) Absent substantial evidence to the contrary, the violations of the individual may be attributed to the employing bail bond company, and any criminal or civil court may, in its discretion and upon substantial evidence, order the employing bail bond company to pay restitution to the fund on behalf of the responsible individual and shall incorporate that finding into its order.

(e) For purposes of any statutory security deposit Arkansas law requires of professional bail bond companies, including, but not limited to, the deposit under § 17-19-205, the payment of the fees required by this section is considered to be a duty of the licensee, so as to allow the commissioner on behalf of the fund to make a claim against any such deposit for the fees required by this section and any penalties owed thereon, up to the limit of any security deposit.

(f) Under no circumstances shall the fees or penalties thereon held in or for deposit into the fund as special revenues be subject to any tax, levy, or assessment of any kind, including, but not limited to, any bond forfeiture claims, any garnishment or general creditors' claims, any remedies under title 19 of this Code, or other provisions of Arkansas law.

(g)(1) At the beginning of each fiscal year, the department shall certify to the Chief Fiscal Officer of the State an amount sufficient to provide for personal services and operating expenses of the Professional Bail Bond Company and Professional Bail Bondsman Licensing Board.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that lawsuits concerning poultry litter have created a crisis in poultry litter distribution in Arkansas; that incentives for transportation of poultry litter will provide immediate relief to both Arkansas poultry producers and Arkansas poultry litter applicators; and that this act is immediately necessary because many poultry litter applications are made once a year and any delay in transportation will further exacerbate the already serious crisis. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

Amendment No. 1 to SENATE BILL NO. 938

Amend **Senate Bill No. 938** as originally introduced:

Page 1, delete lines 23 through 25 in their entirety and substitute the following
 "SECTION 1. Arkansas Code Title 6, Chapter 13, is amended to add an additional subchapter to read as follows:

6-13-1701. Purpose.

The purpose of this subchapter is to encourage the voluntary creation of administratively consolidated or administratively annexed school districts that are as near to being county-wide as is practicable under our existing system of school district territorial organization and to further encourage the voluntary formation of single administrative public education units that include territory from more than one county where circumstances in a particular area make that educationally beneficial.

6-13-1702. Definitions.

As used in this subchapter:

(1)(A) "Administrative annexation" means the joining of an affected school district or a part of the school district with a receiving school district.

(B) "Administrative annexation" does not include the closing of school facilities;

(2) "Administrative consolidation" means the joining of two (2) or more school districts to create a single school district with one (1) administrative unit and one (1) board of directors that is not required to close school facilities;

(3) "Affected school district" means a school district that loses territory or students, or both, as a result of an administrative consolidation or an administrative annexation;

(4) "Receiving school district" means a school district or districts that receive territory or students, or both, from an affected school district as a result of an administrative consolidation or an administrative annexation;

(5) "Resulting school district" means the new school district created from an affected district or districts as a result of an administrative consolidation or an administrative annexation; and

(6) "State board" means the State Board of Education.

6-13-1703. Voluntary administrative consolidation or voluntary administrative annexation.

(a)(1) Any school district may agree to a voluntary administrative consolidation or a voluntary administrative annexation with another school district or school districts under the provisions of this section.

(2)(A) Any school district that agrees to a voluntary administrative consolidation or a voluntary administrative annexation shall submit to the State Board of Education a petition that contains the terms of the voluntary administrative consolidation or voluntary administrative annexation agreement petition and any other information required by the state board.

(B) If the petition is approved by the state board, the affected school districts shall complete the voluntary administrative consolidation or the voluntary administrative annexation as directed by the state board.

(3) The state board shall not deny a petition for voluntary administrative consolidation or voluntary administrative annexation unless:

(A) A provision contained in the agreement for a voluntary administrative consolidation or voluntary administrative annexation would violate state or federal law; or

(B) The voluntary administrative consolidation or voluntary administrative annexation would not enhance the educational opportunities of students in the affected school districts.

(b) Any voluntary administrative consolidation or voluntary administrative annexation under this section shall not create a resulting school district that adversely affects the desegregation of another school district in this state.

(c) The ad valorem tax rate shall be determined as set forth under § 6-13-1409 for any affected school district under this subchapter.

(d) Nothing in this subchapter shall require the closing of any school or school facility.

(e) The resulting school district shall not have more than one (1) superintendent.

(f) Any school district not designated as being in academic or fiscal distress for the current school year that voluntarily administratively consolidates or voluntarily annexes a school district designated by the state board as being in academic or fiscal distress at the time of consolidation or annexation shall not be subject to academic or fiscal distress sanctions for a period of three (3) years from the effective date of consolidation or annexation unless:

(1) The school district fails to meet minimum teacher salary requirements; or

(2) The school district fails to comply with the Standards for Accreditation of Arkansas Public Schools issued by the Department of Education.

(g) The state board may approve the voluntary administrative consolidation of noncontiguous school districts if the facilities and physical plant of each school district:

(1) Are within the same county; or

(2) Are not within the same county and the state board finds that the consolidation or annexation will:

(A) Improve the overall educational benefit to students in all of the affected school districts; or

(B) Provide a significant advantage in transportation costs or service to all of the affected school districts.

(h) Contiguous districts may agree to a voluntary administrative consolidation even if they are not in the same county.

(i) The provisions of § 6-13-1406 shall govern the board of directors of each school district created under this subchapter.

(j) The state board shall promulgate rules to facilitate the administration of this subchapter.

6-13-1704. Incentives for the resulting school district containing seventy percent (70%) or more of the total county school enrollment.

(a) The state board shall develop and implement an incentive program that encourages the creation of administrative public education units that are as nearly county-wide as is practical, or larger, through voluntary administrative consolidation or voluntary administrative annexation. Therefore, whenever a voluntary administrative consolidation or voluntary administrative annexation of one or more school districts with another school district results in the formation of a resulting school district that contains seventy percent (70%) or more of the total school district enrollment of all the districts in the county wherein the resulting school district is situated, the resulting school district shall receive incentives which include:

(1) For the first year after consolidation or annexation, an award of one thousand dollars (\$1,000) per student in the resulting school district up to a maximum of five million dollars (\$5,000,000);

(2) For the second year after consolidation or annexation, an award of five hundred dollars (\$500) per student in the resulting school district up to a maximum of two and one-half million dollars (\$2,500,000); and

(3) For the third year after consolidation or annexation, an award of five hundred dollars (\$500) per student in the resulting school district up to a maximum of two and one-half million dollars (\$2,500,000).

(b) The Division of Public School Academic Facilities and Transportation shall ensure that the state's financial participation in support of the resulting school district's academic facilities fully funds any financial contribution that is required or would be required of the resulting school district for the five (5) years after the formation of the resulting school district.

(c)(1) For the ten-year period after the resulting school district's formation, any person or entity within the geographic area of that resulting school district is entitled to double any state incentive related to economic development or job creation for which that person or entity is eligible as a result of the resulting school district's formation.

(2) A resulting school district does not qualify for any incentive funded by the Department of Economic Development Super Projects Fund, § 19-5-1219."

Amend [Senate Bill No. 972](#) as originally introduced:

Add an additional section to the bill to read as follows:

"SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that Arkansas cities are faced with ever increasing problems of providing services to their citizens caused by a combination of globalization, rapid technological change, rising citizen expectations, the need for more accountability, mandates from higher levels of government, and a constrained tax base which together have created a context in which more effective and efficient

methods of governance have become mandatory; and that this act is immediately necessary to meet these needs and for the efficiency of government. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

ARKANSAS SENATE
EIGHTY-SIXTH GENERAL ASSEMBLY
REGULAR SESSION
Amendment No. 1 to SENATE BILL NO. 993

Amend **Senate Bill No. 993** as originally introduced:

Delete everything after the ENACTING clause and substitute the following:

"SECTION 1. Arkansas Code Title 14, Chapter 125 is amended to add an additional subchapter to read as follows:

14-125-1001. Title.

This subchapter shall be known and may be cited as the "Arkansas Soil and Water Contamination Inspection Law".

14-125-1002. Legislative intent — Findings.

(a) This subchapter is intended to:

(1) Protect the natural resources of the State of Arkansas from loss or damage by reason of runoff of silt and other contaminants into the soil surface or waters of this state from:

(A) Construction sites;

(B) Malfunctioning sewage systems; and

(C) Oil and gas production wastes; and

(2) Supplement and strengthen the resources of the Arkansas Department of Environmental Quality in the inspection and enforcement of existing laws and rules regarding contamination of soil and water in this state.

(b) The General Assembly finds that:

(1) The forests, fields, streams, lakes, rivers, and other natural resources of the State of Arkansas are among the state's greatest assets and are valuable in ensuring that the citizens of the state enjoy the pleasures of hunting, fishing, and other enjoyable aspects of nature and that the forests, fields, streams, lakes, rivers, and other natural resources of the State of Arkansas continue in their role of attracting tourists to the state with the great economic benefit to the state attendant upon tourism;

(2) The development of land that accompanies the growing population of the state has caused runoff of silt and other contaminants into the streams, rivers, and lakes in the state from construction sites and from malfunctioning septic systems that cause or potentially cause harm to the waters of the state and to the fish and plant life in the waters;

(3) The increased exploration for and production of oil and gas in the state has caused and has the potential to cause continuing runoff of waste that is highly toxic to waters of the state and to the fish and plant life in the waters and that is harmful to soil, vegetation, and wildlife;

(4) The resources of the Arkansas Department of Environmental Quality are not sufficient to adequately inspect, monitor, and enforce in each county of the state laws governing the release of contaminants from construction sites and wastes from oil and gas operations and releases are going undetected and unaddressed as a result; and

(5) To avoid, prevent, and address these potential harms to the soil, waters, and other natural resources of the state, the soil and water conservation districts, given their familiarity with the lands and waters in their respective counties, should be authorized to:

(A) Conduct inspections to determine whether releases of wastes, pollutants, or contaminants from construction sites, malfunctioning septic systems, or oil and gas operations are occurring; and

(B) Take appropriate action in the event of releases of wastes, pollutants, or contaminants from construction sites, malfunctioning septic systems, or oil and gas operations.

14-125-1003. Definition.

As used in this subchapter, "construction site" means any activity that results in land disturbance of an area:

(1) Equal to or greater than one (1) acre; or

(2) Less than one (1) acre of total land area that is part of a large common plan of development or sale if the large common plan of development will ultimately disturb an area equal to or greater than one (1) acre.

14-125-1004. Soil and water conservation districts — Authority to conduct inspections.

(a) A soil and water conservation district shall conduct inspections of sites located within a county where the conservation districts is located to determine whether runoff of oil field wastes or untreated or inadequately treated sewage, silt, or other contaminants and pollutants have entered upon soils or into waters of the state within the county if the site is:

(1) The site is :

(A) A construction site;

(B) A site at which oil and gas exploration or production is occurring or has occurred in the past; or

(C) A site at which septic systems are malfunctioning and causing a release of untreated or inadequately treated sewage; and

(2) The site is land onto which contaminants and pollutants have migrated from a site described in subdivisions (a)(1)(A)-(C) of this section;

(3) Owned or operated by the person or persons who have or may have caused or contributed to such a release.

(b) A designated employee of a soil and water conservation district may enter a site described in subdivisions (a)(1)(A)-(C) of this section to determine:

(1) Whether a release of contaminants has occurred or is likely to occur; and

(2) The extent of the possible release and the damage that may result from the release.

(c) In conducting inspections under this section, an employee of a soil and water conservation district has the authority of an inspector of the Arkansas Department of Environmental Quality and an inspector of the Division of Health of the Department of Health and Human Services regarding inspections for the release of contaminants from construction sites, septic systems, and oil and gas exploration and production sites.

14-125-1005. Powers and duties supplemental to those of existing departments.

The powers and duties of the soil and water conservation districts provided in this subchapter are in addition to and supplement and do not replace or limit any authority of the Arkansas Department of Environmental Quality or the Division of Health of the Department of Health and Human Services.

14-125-1006. Soil and water conservation districts — Personnel.

If funds are available, a soil and water conservation district may hire, train, and equip personnel to conduct the inspections under this subchapter.

14-125-1007. Inspection reports.

(a) Upon determination by an inspector of a soil and water conservation district that a release of pollutants and contaminants from a construction site, a malfunctioning septic system, or an oil and gas operation is occurring or has occurred, the inspector shall report the release to the Director of the Arkansas Department of Environmental Quality.

(b)(1) In response to a release under subsection (a) of this section, the Arkansas Department of Environmental Quality shall order:

(A) The immediate cessation of the release;

(B) Remediation by the party responsible for the operation of the site or facility from which the release occurred of the damage caused by the release; and

(C) Reimbursement to the soil and water conservation district and any other state agency of any cost incurred by the soil and water conservation district and any other state agency by the release or during the inspection.

(2) The department shall assess appropriate fines and penalties as a deterrent to future releases."

[Amendment No. 1 to SENATE BILL NO. 971](#)

Amend [Senate Bill No. 971](#) as originally introduced:

Delete SECTION 1 in its entirety and substitute the following:

"SECTION 1. Arkansas Code § 18-60-307(a), concerning an eviction action for a writ of possession, is amended to read as follows:

(a) When any person to whom any cause of action shall accrue under this subchapter shall file in the office of the clerk of the circuit court of the county in which the offense shall be committed a complaint signed by him or her, his or her agent or attorney, specifying the lands, tenements, or other possessions so forcibly entered and detained, or so unlawfully detained over, and by whom and when done, and shall also file the affidavit of himself or herself or some other credible person for him or her, stating that the plaintiff is lawfully entitled to the possession of the lands, tenements, or other possessions mentioned in the complaint and that the defendant forcibly entered upon and detained them or unlawfully detains them, after lawful demand therefor made in the manner described in this subchapter, the clerk of the court shall thereupon issue a summons upon the complaint. In addition, he or she shall issue and direct the sheriff to serve upon the named defendants a notice in the following form:

"NOTICE OF INTENTION TO ISSUE WRIT OF POSSESSION

You are hereby notified that the attached complaint in the above styled cause claims that you have been guilty of [forcible entry and detainer] [unlawful detainer] (the inapplicable phrase shall be deleted from the notice) and seeks to have a writ of possession directing the sheriff to deliver possession of the lands, tenements, or other possessions described in the complaint delivered to the plaintiff. If you should file a written objection to the complaint of the plaintiff and the allegations for immediate possession of the property described in the complaint within five (5) days, excluding Sundays and legal holidays, from the date of service of this notice, a hearing will be scheduled by the circuit court of this county to determine whether or not the writ of possession should issue as sought by the plaintiff. the pendency of these proceedings in accordance with your written or verbal rental agreement. Your failure to tender the rent due without justification is grounds for the court to grant the writ of possession.

(2) If the defendant continues to possess the property described in the plaintiff's complaint during the pendency of the proceedings under this subchapter, the defendant is required to deposit into the registry of the court at the time of filing the written objection a sum equal to the amount of rent due on the property and continue paying rent into the registry of the court in accordance with the written or verbal rental agreement.

14-116-301. Members generally - Original appointments.

(a) The board of directors shall be composed of three (3) qualified voters residing in the service area of the customers of the district, which is the area within the boundaries of the water district to which the customers of the district currently provide retail water or other services that they have purchased from the district. However, if the district embraces lands in more than one (1) county, then the board of directors shall be composed of three (3) qualified electors who are residents of the service area of the customers of the district from each of the counties in which lands are embraced in the district. Furthermore, if the court creating a water distribution district finds that a larger number of board members than that provided for above is necessary to afford adequate representation for the various ~~areas~~ parts of the district, the court may establish a board consisting of a greater number of members than that provided for above. In this case the representation on the board of directors shall be apportioned to the various ~~areas~~ parts of the district in a manner the court deems just and equitable, and each director shall be a qualified voter residing in the part of the service area of the customers of the district that he or she represents.

(b) When the circuit court has established the district, it shall, within a reasonable time thereafter, appoint the three (3) or more directors of the water district. Upon the expiration of the terms of the directors so appointed, subsequent directors shall be elected as set out in this subchapter by the qualified electors residing in the service area of the customers of the water district in each county in which ~~there is area included~~ lands are embraced in the district or, if the district has been apportioned by the court, by qualified voters residing in the part of the service area of the customers of the district that the director will represent.

SECTION 2. Arkansas Code § 14-116-302 is amended to read as follows:
14-116-302. Members - Terms.

(a) Each director shall serve for a term of six (6) years and until his successor is duly elected and qualified, except that one (1) of the original directors from each county shall serve for a term of not more than two (2) years, one (1) for a term of not more than four (4) years, and one (1) for a term of not more than six (6) years as determined by the courts. However, if the court finds at any time that it is necessary or desirable that the board be composed of or increased to a greater number than three (3) for each county represented in the district in order to provide proper representation to the various ~~areas~~ parts of the district, the additional member or members of the enlarged board appointed by the court shall be appointed for terms of office that the court deems necessary to properly provide for staggered terms for the members of the board representing each ~~area~~ part of the district.

(b) The term of office of the directors shall expire on December 31 of the year which constitutes the last year of the term of each director.

SECTION 3. Arkansas Code § 14-116-303 is amended to read as follows:
14-116-303. Members - Nomination and election.

(a) Nominations for directors shall be upon petitions signed by at least fifty (50) qualified electors residing in the part of the service area of the customers of the district from which the director is to be elected. This petition shall be filed with the county board of election commissioners at least sixty (60) days prior to the general election.

(b) Election of the directors shall be held as a part of the general election and under the laws governing it.

(b) This chapter may be submitted in either or both of the following modes to determine whether it shall become operative:

(D)(i)(a) If at the hearing the commissioners find that the petition is not signed by a majority in value of the landowners of the district, as shown by the last county assessment, they shall so declare. Such findings shall terminate proceedings under this chapter unless within the term herein limited another petition purporting to be signed by a majority in value of owners of real estate in the district is filed with the commission, when like proceedings shall again be had to determine whether a majority in value of the landowners of the district have signed the petition.

(b) However, the finding that a majority in value has not petitioned for the improvement shall not bar the chapter from becoming effective as provided in subdivision (b)(2) and subsection (c) of this section.

(ii) If the commission finds that the petition is signed by a majority in value of the landowners of the district as shown by the last county assessment, they shall so declare and shall proceed to carry out the purposes of this chapter.

(iii) In either event, public notice shall be given in at least one (1) daily paper published in the county of that fact, and a copy of the findings shall be filed with the county court of the county.

(2)(A) The commission may call at any time within five (5) years an election in accordance with § 7-5-103(b) to determine whether this chapter shall become operative and may call subsequent elections in accordance with § 7-5-103(b) after the chapter has failed to carry if the commission has good reasons to believe that a majority of the electors then favor this chapter.

(B) The election held under this section shall be held conformable as nearly as possible to the laws of the state governing general elections.

~~(C)(i) The election held under this section shall occur on the second Tuesday of any month, except as provided in subdivision (b)(2)(C)(ii) of this section.~~

(D) The commission shall perform the duties of county election commissioners as nearly as applicable.

(E) All citizens of the city in which the district is located who possess a right to vote if the election were a general election for state officers, and no other, shall be entitled to vote in the election.

(F) The commission shall canvass the votes cast at the special elections. If the commission finds that a majority of the votes cast in the election were in favor of this chapter's becoming operative, they shall so declare and shall proceed to carry out the purposes of this chapter.

(G) Public notice shall be given of their findings in either event in at least one (1) daily newspaper published in the county in which the district is located, and a copy of their findings shall be filed with the county clerk of such a county.

(c) It is the intent of this section to permit this chapter to become operative if it is approved at any time within five (5) years in either of the foregoing methods and not to become operative unless approved within this period by one (1) or the other of the methods provided in this section.

Otherwise, upon a declaration that a set of petitions is sufficient and the first in time, then all petitions filed after the first sufficient petitions and before the special election shall be deemed moot and may be destroyed.

(4) Once an election has been held pursuant to the provisions of any act that results in a change in the manner of selecting the governing body of a city with the manager form of government, or seeks to reorganize a manager-government city under any other form of government, then none of the options presented by this chapter, or any act concerning the organization of the government under any form of municipal government, may be submitted to the voters for a period of four (4) years from the date of the election.
