"SECTION 1. LEGISLATIVE FINDINGS. The General Assembly finds that:

(1) It is the duty of the state of Arkansas to provide a general, suitable, and efficient system of free public schools to the children of the state, under Arkansas Constitution Article 14, § 1;

(2) The General Assembly is obligated to ensure the provision of an adequate and equitable system of education;

(3) Evidence presented to the Senate Committee on Education and the House Committee on Education in March 2013 shows that the current method of funding at the three (3) designated levels of funding is not associated with achievement gains;

(4)(A) While the state's goal in providing this funding is to provide a greater level of resources to school districts with the highest concentration of economically disadvantaged students, the method of funding unfairly allocates funding.

(B) The method uses tiers based on the percentage of economically disadvantaged students in a school districts, with significant differences between the funds allocated to school districts in each tier.

(C) Because of the tiered approach, it is possible for two (2) school districts separated by only a one percent (1%) difference in the percentage of economically disadvantaged students to receive significantly different amounts of funding;

(5) Some school districts with the lowest percentage of economically disadvantaged students are being overfunded and some school districts with the highest percentage of economically disadvantaged students are being underfunded;

(6) Currently, the funding method does not differentiate between the family income levels of students who are at significantly different poverty levels; and

(7) The Senate Committee on Education and the House Committee on Education have recommended in the Supplement to Report on Legislative Hearings for the 2012 Interim Study on Educational Adequacy that a smoother funding formula be developed to:

(A) Replace the current national school lunch state categorical funding mechanism with a smoother funding model that provides funding for economically disadvantaged students on a sliding scale; and

(B) Weight the funding to provide more money to school districts for students who under federal poverty guidelines qualify for free meals than it provides to students who qualify for reduced-priced meals.

SECTION 2. Arkansas Code § 6-20-2303(12), concerning the definition of "national school lunch students", is amended to read as follows:

~~(12)(A) "National school lunch students~~ Economically disadvantaged student means, ~~those students or the percentage of enrolled students from low socioeconomic backgrounds as indicated by eligibility for free or reduced-price meals under the National School Lunch Act as determined on October 1 of each previous school year and submitted to the Department of Education, unless the school district is identified by the Department of Education as participating in the special assistance certification and reimbursement alternative implemented under 42 U.S.C. § 1759a, as interpreted in 7 C.F.R. § 245.9. a~~

student whose family income is at or below one hundred eighty-five percent of the federal poverty guidelines;

~~(B) If the school district is participating under 42 U.S.C. § 1759a, then for purposes of funding under § 6-20-2305(b), such a school district's annual percentage of national school lunch students shall be equal to the percentage submitted in the base year, which means the last school year for which eligibility determinations were made and meal counts were taken by type;~~

SECTION 3. Arkansas Code § 6-20-2305(b)(4)(A) and (B), concerning national school lunch student state categorical funding, are amended to read as follows:

~~(4)(A)(i) National school lunch state categorical funding for each identified national school lunch student shall be as follows~~ Funding for economically disadvantaged students is based on the following formula using numbers of economically disadvantaged students from the immediately preceding school year:

~~(i) For a school district in which ninety percent (90%) or greater of the previous school year's enrolled students are national school lunch students, the amount of per-student national school lunch state categorical funding shall be one thousand five hundred eighteen dollars (\$1,518) for the 2011-2012 school year, and one thousand five hundred forty nine dollars (\$1,549) for the 2012-2013 school year and for each school year thereafter;~~

~~(ii) For school districts in which at least seventy percent (70%) but less than ninety percent (90%) of the previous school year's enrolled students are national school lunch students, the amount of per-student national school lunch state categorical funding shall be one thousand twelve dollars (\$1,012) for the 2011-2012 school year, and one thousand thirty three dollars (\$1,033) for the 2012-2013 school year and for each school year thereafter; and~~

~~(iii) For school districts in which less than seventy percent (70%) of the previous school year's enrolled students are national school lunch students, the amount of per-student national school lunch state categorical funding shall be five hundred six dollars (\$506) for the 2011-2012 school year, and five hundred seventeen dollars (\$517) for the 2012-2013 school year and each school year thereafter.~~

(a) The weighted number of economically disadvantaged students is calculated as follows:

(1) A tier 1 weighting factor between one (1) and two (2) multiplied by the number of tier 1 students in the school district whose family income is at or below one hundred thirty percent (130%) of the federal poverty guidelines; plus

(2) A tier 2 weighting factor of less than one (1) multiplied by the number of tier 2 students in the school district whose family income is above one hundred thirty percent (130%) of the federal poverty guidelines but not more than one hundred eighty-five percent (185%) of the federal poverty guidelines;

(b) The percentage the weighted number of economically disadvantaged students is calculated by:

(1) Dividing the weighted number of economically disadvantaged students under subdivision (4)(A)(1)(a) of this section by the total student enrollment for the school district; or

(2) If the school district is participating under 42 U.S.C. § 1759a, applying the tier 1 and tier 2 weighting factors to the school district's annual percentage of students eligible for free and reduced-price meals as submitted in the base year, which is the last school year for which eligibility determinations were made and meal counts were taken by type;

(c) An upward-sloping funding curve is derived by multiplying together the following three (3) factors:

(1) The percentage of the weighted number of economically disadvantaged students raised to an exponent of between two (2) and three (3), inclusive;

(2) The base funding amount; and
(3) The weighted number of economically disadvantaged students in the school district under subdivision (4)(A)(1)(a) of this section.

(ii) For the 2013-2014 school year, and each school year thereafter:

(a) The tier 1 weighting factor is one and twenty-five hundredths (1.25);

(b) The tier 2 weighting factor is seventy-five hundredths (.75);

(c) The exponential sloping term is two and six hundred twenty-five one-thousandths (2.625);

(d) The base funding amount per year is one thousand thirty-three dollars (\$1,033); and

(e) The least amount of funding that a school district shall receive is two hundred dollars (\$200) per weighted economically disadvantaged student.

~~(B)(i)(a) Except as provided under subdivision (b)(4)(B)(i)(c) of this section, national school lunch state categorical funding under this subdivision (b)(4) shall be based on the number of national school lunch students for the immediately preceding school year determined under § 6-20-2303(12)(A).~~

~~(b) If the school district is participating under 42 U.S.C. § 1759a, funding under this subdivision (b)(4) is based on the percentage determined in § 6-20-2303(12)(B) multiplied by the number of enrolled students for the immediately preceding school year.~~

~~(e)(B) The per-student national school lunch state categorical economically disadvantaged student funding for an open-enrollment public charter school shall be based upon the current school year enrollment:~~

~~(1)(i) In the initial year of operation for an open-enrollment public charter school; or~~

~~(2)(ii) In a year in which an open-enrollment public charter school adds a grade.~~

~~(ii)(a) If a school district will receive in the current school year national school lunch state categorical funding under subdivision (b)(4)(A) of this section that is based on a different per student amount of national school lunch state categorical funding than the school district received in the immediately preceding school year, due to a percentage change in national school lunch students, the department shall adjust the funding to the school district in a transitional three-year period.~~

~~(b) The amount of national school lunch state categorical funding under this subdivision (b)(4)(B)(ii) shall be increased or decreased in each year of a three-year transition period by one-third (1/3) of the difference between the amount of national school lunch state categorical funding per student for the current year and the amount of national school lunch state categorical funding per student for the immediately preceding year, adjusted for changes to the funding rates in § 6-20-2305(b)(4)(A).~~

~~(iii)(a) The Department of Education shall establish rules to implement the transitional national school lunch state categorical funding provided in subdivision (b)(4)(B)(ii) of this section.~~

~~(b) The rules shall include the methods of transition for a school district that:~~

~~(1) Experiences a decrease in the amount of national school lunch state categorical funding per student under subdivision (b)(4)(A) of this section;~~

~~(2) Experiences an increase in the amount of national school lunch state categorical funding per student under subdivision (b)(4)(A) of this section; or~~

~~(3) Within a three-year transition period, experiences both a decrease and an increase in the amount of national school lunch state~~

category funding per student under subdivision (b)(4)(A) of this section;

~~(iv) Under no circumstances shall a school district be entitled to receive more or less funding as a result of the transitional process than the school district is otherwise entitled to receive under this subdivision (b)(4) based on the school district's national school lunch student population as a percentage of the school district's entire student population.~~

~~(v)(a) A school district that has experienced a significant growth in enrolled students in the previous three (3) years shall receive funding for the expected increase in the number of national school lunch students based on the expected increase in enrolled students based on the levels of funding provided in this section for national school lunch students.~~

~~(b) The State Board of Education shall establish rules to be used by the Department of Education to determine:~~

~~(1) The amount of growth necessary to qualify as significant growth;~~

~~(2) The expected increase in the number of national school lunch students based on the expected increase in enrolled students; and~~

~~(3) Which school districts have experienced a significant growth in enrolled students as necessary to qualify for funding under this subdivision (b)(4)(B)(v).~~

~~(c) The Department of Education shall not be required to adjust or fund a school district's national school lunch students based on the current year's number of national school lunch students enrolled in the school district or the average growth of students in the school district.~~

SECTION 4. Arkansas Code § 6-16-601(d)(1)(B), concerning data collection for postsecondary preparatory programs, is amended to read as follows:

(B) The number of participants who were eligible for free and reduced-price meals under the National School Lunch Act identified as economically disadvantaged students under § 6-20-2305(b)(4);

(2) An eligible student shall receive priority for enrollment in a postsecondary preparatory program if the eligible student ~~qualifies for free and reduced price meals under the National School Lunch Act, 42 U.S.C. § 1751 et seq~~ is identified as an economically disadvantaged student under § 6-20-2305(b)(4).

SECTION 6. Arkansas Code § 6-17-811(2), concerning incentives for teacher recruitment and retention in high-priority districts, is amended to read as follows:

(2)(A) ~~"National school lunch Economically disadvantaged students" has the same meaning as that given to the term in § 6-20-2303(12) means those students or the percentage of enrolled students from low socioeconomic backgrounds as indicated by eligibility for free or reduced price meals under the National School Lunch Act as determined on October 1 of each previous school year and submitted to the Department of Education, unless the school district is identified by the Department of Education as participating in the special assistance certification and reimbursement alternative implemented under 42 U.S.C. § 1759a, as interpreted in 7 C.F.R. § 245.9.~~

~~(B) If the school district is participating under 42 U.S.C. § 1759a, then for purposes of this section, the school district's annual percentage of national school lunch students is equal to the percentage submitted in the base year, which means the last school year for which eligibility determinations were made and meal counts were taken by type;~~

SECTION 7. Arkansas Code § 6-18-1606 is amended to read as follows:
6-18-1606. Implementation.

Beginning with the 2008-2009 school year, the Voluntary Universal ACT Assessment Program may provide each student in grade eleven (11) with the opportunity to take the ACT Assessment while in grade eleven (11) without any charge by using school district funding, including ~~National School Lunch Act~~ economically disadvantaged student funds, to pay for the exams as approved by the Department of Education.

SECTION 8. Arkansas Code § 10-3-2102(h)(1)(B), concerning the biennial adequacy studies, is amended to read as follows:

SECTION 10. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that it is the state's constitutional obligation to provide a general, suitable, and efficient free system of public schools in the state; that the public school funding distribution changes in this act are needed to ensure that proper funding is provided to public schools and school districts; and that this act is immediately necessary so that public schools and school districts will receive the amount of funding provided under this act for the 2013-2014 school year. Subchapter 21 — Health Care Independence Act of 2013

20-77-2101. Title.

This act shall be known and may be cited as the "Health Care Independence Act of 2013".

20-77-2102. Legislative intent.

(a) Notwithstanding any general or specific laws to the contrary, the Department of Human Services is to explore design options that reform the Medicaid Program utilizing the Health Care Independence Act of 2013 so that it is a fiscally sustainable, cost-effective, personally responsible, and opportunity-driven program utilizing competitive and value-based purchasing to:

- (1) Maximize the available service options;
- (2) Promote accountability, personal responsibility, and transparency;
- (3) Encourage and reward healthy outcomes and responsible choices; and
- (4) Promote efficiencies that will deliver value to the taxpayers.

(b)(1) It is the intent of the General Assembly that the State of Arkansas through the Department of Human Services shall utilize a private insurance option for "low-risk" adults.

(2) The Health Care Independence Act of 2013 shall ensure that:

(A) Private health care options increase and government-operated programs such as Medicaid decrease; and

(B) Decisions about the design, operation and implementation of this option, including cost, remain within the purview of the State of Arkansas and not with Washington, D.C.

20-77-2103. Purpose.(a) The purpose of this subchapter is to:

- (1) Improve access to quality health care;
- (2) Attract insurance carriers and enhance competition in the Arkansas insurance marketplace;
- (3) Promote individually-owned health insurance;
- (4) Strengthen personal responsibility through cost-sharing;
- (5) Improve continuity of coverage;
- (6) Reduce the size of the state-administered Medicaid program;
- (7) Encourage appropriate care, including early intervention, prevention, and wellness;
- (8) Increase quality and delivery system efficiencies;
- (9) Facilitate Arkansas's continued payment innovation, delivery system reform, and market-driven improvements;
- (10) Discourage over-utilization; and
- (11) Reduce waste, fraud, and abuse.

(b) The State of Arkansas shall take an integrated and market-based approach to covering low-income Arkansans through offering new coverage opportunities, stimulating market competition, and offering alternatives to the existing Medicaid program.

20-77-2104. Definitions.As used in this subchapter:

- (1) "Carrier" means a private entity certified by the State Insurance Department and offering plans through the Health Insurance Marketplace;
- (2) "Cost sharing" means the portion of the cost of a covered medical service that must be paid by or on behalf of eligible individuals, consisting of copayments or coinsurance but not deductibles;
- (3) "Eligible individuals" means individuals who:
 - (A) Are adults between nineteen (19) years of age and sixty-five (65) years of age with an income that is equal to or less than one hundred thirty-eight percent (138%) of the federal poverty level, including without limitation individuals who would not be eligible for Medicaid under laws and rules in effect on January 1, 2013;
 - (B) Have been authenticated to be a United States citizen or documented qualified alien according to the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193; and
 - (C) Are not determined to be more effectively covered through the standard Medicaid program, such as an individual who is medically frail or other individuals with exceptional medical needs for whom coverage through the Health Insurance Marketplace is determined to be impractical, overly complex, or would undermine continuity or effectiveness of care;
- (4) "Healthcare coverage" means healthcare benefits as defined by certification or rules, or both, promulgated by the State Insurance Department for the Qualified Health Plans or available on the marketplace;
- (5) "Health Insurance Marketplace" means the vehicle created to help individuals, families, and small businesses in Arkansas shop for and select health insurance coverage in a way that permits comparison of available Qualified Health Plan based upon price, benefits, services, and quality, regardless of the governance structure of the marketplace;
- (6) "Premium" means a charge that must be paid as a condition of enrolling in health care coverage;
- (7) "Program" means the Health Care Independence Program established by this subchapter; and

(8) "Qualified Health Plan" means a State Insurance Department certified individual health insurance plan offered by a carrier through the Health Insurance Marketplace.

20-77-2105. Administration of the Health Care Independence Program.

(1) Create and administer the Health Care Independence Program; and

(2) Submit Medicaid State Plan Amendments and apply for any federal waivers necessary to implement the program in a manner consistent with this subchapter.

(b) Implementation of the program is conditioned upon the receipt of necessary federal approvals.

(c) The program shall include premium assistance for eligible individuals to enable their enrollment in a Qualified Health Plan through the Health Insurance Marketplace.

(d)(1) The Department of Human Services is specifically authorized to pay premiums and supplemental cost-sharing subsidies directly to the Qualified Health Plans for enrolled eligible individuals.

(2) The intent of the payments under subdivision (d)(1) of this section is to increase participation and competition in the health insurance market, intensify price pressures, and reduce costs for both publicly and privately funded health care.

(e) To the extent allowable by law:

(1) The Department of Human Services shall pursue strategies that promote insurance coverage of children in their parents' or caregivers' plan, including children eligible for the ARKids First Program Act, § 20-77-1101, commonly known as the "ARKids B program"; and

(2) During calendar year 2015, the Department of Human Services shall include and seek federal approval for the transition to the Health Insurance Marketplace of:

(3) The Department of Human Services shall develop a strategy to inform Medicaid recipient populations whose needs would be reduced or better served through participation in the Health Insurance Marketplace.

(f) The program shall include allowable cost sharing for eligible individuals that is comparable to that for individuals in the same income range in the private insurance market and is structured to enhance eligible individuals' investment in their health care purchasing decisions.

(g)(1) The State Insurance Department and Department of Human Services shall administer and promulgate rules to administer the program authorized under this subchapter.

(2) No less than thirty (30) days before the State Insurance Department and Department of Human Services begin promulgating a rule under this subchapter, the proposed rule shall be presented to the Legislative Council.

(h) The program authorized under this subchapter shall terminate within one hundred twenty (120) days after a reduction in any of the following federal medical assistance percentages:

(1) One hundred percent (100%) in 2014, 2015,

or 2016;

(2) Ninety-five percent (95%) in 2017;

(3) Ninety-four percent (94%) in 2018;

(4) Ninety-three percent (93%) in 2019; and

(5) Ninety percent (90%) in 2020 or any year after 2020.

(i) An eligible individual enrolled in the program shall affirmatively acknowledge that:
 (1) The program is not a perpetual federal or state right or a guaranteed entitlement;

(2) The program is subject to cancellation upon appropriate notice; and

(3) The program is not an entitlement program.

(j)(1) The Department of Human Services shall develop a model and seek approval from the Center for Medicare and Medicaid Services to allow a limited number of enrollees to participate in a pilot program testing the viability of a Health Saving Account or a Medical Savings Account.

(2) The pilot program shall be implemented during calendar year 2015.

(k)(1) State obligations for uncompensated care shall be projected, tracked, and reported to identify potential incremental future decreases.

(2) The Department of Human Services shall recommend appropriate adjustments to the General Assembly.

(3) Adjustments shall be made by the General Assembly as appropriate.

(l) The Department of Human Services shall track the Hospital Assessment Fee as defined in § 20-77-1902 and report to the General Assembly subsequent decreases based upon reduced uncompensated care.

(1) Program enrollment;

(2) Patient experience;

(3) Economic impact including enrollment distribution;

(4) Carrier competition; and

(5) Avoided uncompensated care.

20-77-2106. Standards of healthcare coverage through the Health Insurance Marketplace.

(a) Healthcare coverage shall be achieved through a qualified health plan at the silver level as provided in 42 U.S.C. §§ 18022 and 18071, as existing on January 1, 2013, that restricts cost sharing to amounts that do not exceed Medicaid cost-sharing limitations.

(b) All participating carriers in the Health Insurance Marketplace shall offer healthcare coverage conforming to the requirements of this subchapter.

(c) To assure price competitive choice among healthcare coverage options, the State Insurance Department shall assure that at least two (2) qualified health plans are offered in each county in the state.

(d) Health insurance carriers offering health care coverage for program eligible individuals shall participate in Arkansas Payment Improvement Initiatives including:

(1) Assignment of primary care clinician;

(2) Support for patient-centered medical home; and

20-77-2108. Effective date.

This subchapter shall be in effect until June 30, 2017, unless amended or extended by the General Assembly.

SECTION 2. Arkansas Code Title 19, Chapter 5, Subchapter 11, is amended to add an additional section to read as follows:

19-5-1140. Health Care Independence Program Trust Fund.

(a) There is created on the books of the Treasurer of State, the Auditor of State, and the Chief Fiscal Officer of the State a trust fund to be known as the "Health Care Independence Program Trust Fund".

(b)(1) The Health Care Independence Program Trust Fund shall consist of moneys saved and accrued under the Health Care Independence Act of 2013, § 20-77-2101 et seq.

(2) The fund shall also consist of other revenues and funds authorized by law.

(c) The fund may be used by the Department of Human Services to pay for future obligations under the Health Care Independence Program created by the Health Care Independence Act of 2013, § 20-77-2101 et seq.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the Health Care Independence Program requires private insurance companies to create, present to the Department of Human Services for approval, implement, and market a new kind of insurance policy; and that the private insurance companies need certainty about the law creating the Health Care Independence Program before fully investing time, funds, personnel, and other resources to the development of the new insurance policies. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."
