RE: An Act for the Department of Environmental Quality Appropriation; HB 1040

Dear Ms. Cornwell:

An amendment was placed on HB 1040 of 2014 that would allow monies from the Landfill Post-Closure Trust Fund to be expended for both the closure and post-closure care of landfills in certain cases. As written, the language would specifically apply to the NABORS landfill in Baxter County. This landfill is owned by the Ozark Mountain Regional Solid Waste Management District.

My employer, Farmers Bank and Trust Company, owns bonds issued by the Regional Solid Waste District. While these bonds are in default and the bank is certain to have a loss in the bonds, the access to the Landfill Post-Closure Trust Fund could potentially affect the recovery to the bondholders. This may not be the case because the Arkansas Department of Environmental Quality also has the authority to institute a civil action against the District or the entities that comprise the District to recover any monies expended from the Trust Fund. Regardless, out of an abundance of caution, I will abstain from voting on this measure and ask that this letter be made a part of the official record of the action on this bill.

Sincerely,
