SECTION 2. Arkansas Code § 25-33-104(a), concerning the duties of the Executive Chief Information Officer, is amended to read as follows:

(a) The Executive Chief Information Officer shall:

(1) Utilize any personnel and resources of the Department of Information Systems as deemed necessary with the consent of the Governor, including, but not limited to, the functions currently performed by the Office of Information Technology;

(2)(A) Direct the formulation and promulgation of policies, standards, specifications, and guidelines for information technology in the state, including, but not limited to, those required to support state and local government exchange in a secure environment for the acquisition, storage, use, sharing, and distribution of core infrastructure components as defined by the State of Arkansas shared technical architecture.

(B) The areas in which standards, policies, and guidelines shall be developed shall include, but are not limited to, retention schedules for control, preservation, protection, and disposition of the electronic records of agencies;

(3) Develop a process for how all state agencies shall have input into the formation of these policies, standards, specifications, and guidelines and present the plan to the Governor and the General Assembly;

(4) If deemed necessary and appropriate, establish working groups to assist in the formulation of policies, standards, specifications, and guidelines and assure that all agencies have the opportunity to review and comment;

(5) Oversee the development of legislation and rules and regulations affecting electronic records management and retention, privacy, security, and related issues;

(6) Create a state security office to monitor information resource security issues, coordinate all security measures which could be used to protect resources by more than one (1) governmental entity, and act as an information technology resource to other state agencies;

(7) Oversee the development of information technology security policy for state agencies;

(8) Direct the development of policies and procedures, in consultation with the CIO Council, which state agencies shall follow in developing information technology plans and technology-related budgets and technology project justification;

(9) Establish criteria for enterprise projects and review enterprise project plans and budget requests and recommend priorities to the council;

(10)(A) Develop plans and implementation strategies to promulgate state-level missions, goals, and objectives for the use of information technology, with the review and advice of the council.

(B) These plans and strategies shall include, but not be limited to:

(i) Business case development for information technology applications;

(ii) Maximizing state purchasing power;

(iii) Increasing collaborative efforts for projects of mutual interest; and

(iv) Creating opportunities to develop public and private partnerships;

(11) Review procurements to ensure conformity with information policies and standards and state-level plans and implementation strategies;

(12) Advise state agencies in acquiring information technology service, as well as advise on information technology contracts and agreements;

(13) Make a quarterly report to the Joint Committee on Advanced Communications and Information Technology regarding the status of information technology deployment to meet the goals set forth in this enabling legislation;

(14) Solicit, receive, and administer funds from public and private entities to be used for the purchase of information technology resources; ~~and~~

(15) Report to the committee and the Governor the total business analysis prepared for information technology projects; and

(16) Develop and promulgate rules and guidelines governing the retention and management of public records commonly found in most state agencies."

6-17-1117. Health insurance.

(a) ~~Beginning on July 1, 2001, local Local school districts shall pay the health insurance contribution rate of one hundred fourteen dollars (\$114)~~ one hundred and forty-one dollars (\$141) per month for each eligible employee electing to participate in the public school employee health insurance program.

~~(b) Beginning on October 1, 2003, local school districts shall pay the health insurance contribution rate of one hundred twenty-two dollars (\$122) per month for each eligible employee electing to participate in the public school employee health insurance program.~~

~~(c) Beginning on October 1, 2004, local school districts shall pay the health insurance contribution rate of one hundred thirty-one dollars (\$131) per month for each eligible employee electing to participate in the public school employee health insurance program.~~

(b)(1) The Department of Education shall pay the Employee Benefits Division of the Department of Finance and Administration sixty-one dollars (\$61) per month for each eligible employee of a public school district electing to participate in the public school employees' health insurance program administered by the State and Public School Life and Health Insurance Board.

(2) The funds provided to the Employee Benefits Division of the Department of Finance and Administration under this subsection (b) shall be administered by the State and Public School Life and Health Insurance Board for the benefit of the employee participants of the public school employees' health insurance program.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the cost of insurance coverage can be an impediment to teachers pursuing a career in the public school system; that school districts more easily recruit and maintain quality teachers if health insurance benefits are improved; and that this act will provide such necessary improvements to current benefits coinciding with the beginning of the fiscal year and school year. Therefore, an emergency is declared to exist and this act being necessary for the preservation of the public peace, health, and safety shall become effective on July 1, 2005."
