(4) The total quantity of the sale is not greater than three (3) packages or nine (9) grams, whichever is smaller; and

SECTION 2. Arkansas Code Title 5, Chapter 64, Subchapter 10 is amended to add an additional section to read as follows:

5-64-1006. Suspicious Order Reports.

(a) Any manufacturer, wholesaler or retail distributor who is required to keep records under this subchapter, and who sells, transfers, or otherwise furnishes ephedrine, pseudoephedrine or phenylpropanolamine, or their salts, optical isomers and salts of optical isomers, alone or in a mixture, to any person in this state in a suspicious transaction shall report the transaction in writing to the State Board of Pharmacy.

(b) Any person who does not submit a report as required by subsection (a) of this section is guilty of a Class D felony.

(c) For the purposes of this section, "suspicious transaction" means a sale or transfer to which either of the following applies:

(1) The circumstances of the sale or transfer would lead a reasonable person to believe that the substance is likely to be used for the purpose of unlawfully manufacturing a controlled substance in violation of the Uniform Controlled Substances Act based on such factors as the amount involved, the method of payment, the method of delivery, and past dealings with the person acquiring the substance; or

(2) The transaction involves payment for ephedrine, pseudoephedrine or phenylpropanolamine, or their salts, optical isomers and salts of optical isomers, alone or in a mixture, in cash or money orders totaling more than two hundred dollars (\$200).

(2) In addition to any other penalties provided for in this section, the State Board of Pharmacy may impose a civil penalty for a violation of subsection (a) of this section not to exceed ten thousand dollars (\$10,000) per violation.

SECTION 3. Arkansas Code 5-64-1101 is amended to read as follows:

(b) Possession of more than five (5) grams of ephedrine or more than nine (9) grams of pseudoephedrine or phenylpropanolamine, or their salts, optical isomers and salts of optical isomers shall constitute prima facie evidence of the intent to manufacture methamphetamine or another controlled substance in violation of this subchapter, unless the person qualifies for an exemption listed in subsection (a) of this section.

~~(b)~~(c) Any person who violates the provisions of this section shall be guilty of a Class D felony.

(b)(1) It shall be unlawful for a person to sell, transfer, distribute, or dispense any product containing ephedrine, pseudoephedrine or phenylpropanolamine, or their salts, isomers or salts of isomers if the person knows that the purchaser will use the product as a precursor to manufacture methamphetamine or another controlled substance, or if the person sells, transfers, distributes or dispenses the product with reckless disregard as to how the product will be used.

(2) Any person who violates the provisions of this subsection (b) shall be guilty of a Class D felony.

SECTION 5. Arkansas Code Title 5, Chapter 64, Subchapter 11 is amended to add an additional section to read as follows:

5-64-1103. Retail Sales Limits.

(a) It shall be unlawful for a retail distributor, or an employee thereof, to knowingly sell, transfer, or otherwise furnish, in a single transaction:

(1) More than three (3) packages of one (1) or more products that the distributor or employee knows to contain ephedrine, pseudoephedrine, or phenylpropanolamine, their salts, isomers, or salts of isomers; or

(2) Any single package of any product that the distributor or employee knows to contain ephedrine, pseudoephedrine, or phenylpropanolamine, which contains more than ninety-six (96) pills, tablets, gelcaps, capsules, or other individual units; or more than three (3) grams of ephedrine, pseudoephedrine, or phenylpropanolamine, their salts, isomers, or salts of isomers, or a combination of any of these substances, whichever is smaller.

(3) Any product containing ephedrine, pseudoephedrine or phenylpropanolamine unless:

(A) The product is sold in package sizes of not more than three (3) grams of ephedrine, pseudoephedrine, or phenylpropanolamine base, and is packaged in blister packs, each blister containing not more than two dosage units; or

(B) Where the use of blister packs is technically infeasible, that is packaged in unit dose packets or pouches; or

(C) In the case of liquids, the drug is sold in package sizes of not more than three (3) grams of ephedrine, pseudoephedrine or phenylpropanolamine base.

(4) Any product containing ephedrine, pseudoephedrine or phenylpropanolamine to any person under the age of eighteen (18) years.

(A) The person making the sale shall require proof of age from

the purchaser unless from the purchaser's outward appearance the person would reasonably presume the purchaser to be twenty-five (25) years of age or older.

(B) "Proof of age" means any document issued by a governmental agency containing a description of the person, a photograph of the person, or both, and giving the person's date of birth and includes, without being limited to, a passport, military identification card, or driver's license.

(b)(1) Any retail distributor, or employee thereof, who violates subsection (a) of this section, shall be guilty of a Class A misdemeanor, and may also be subject to a civil fine not to exceed five thousand dollars (\$5,000).

(2)(A) The prosecuting attorney may waive any civil penalty under this section, if the retail distributor, or employee thereof, establishes that he or she acted in good faith to prevent violations of this section, and the violations occurred despite the exercise of due diligence.

(B) In making a determination, the prosecuting attorney may consider evidence that an employer trained employees on how to sell, transfer, or otherwise furnish substances specified in this subchapter in accordance with applicable laws.

(c) It shall be unlawful for any person, other than a person or entity described in § 5-64-1101(a)(1) through 5-64-1101(a)(4), to knowingly purchase, acquire or otherwise receive in a single transaction:

(1) More than three (3) packages of one (1) or more products that the person knows to contain ephedrine, pseudoephedrine, or phenylpropanolamine, their salts, isomers, or salts of isomers; or

(2) Any single package of any product that the person knows to contain ephedrine, pseudoephedrine, or phenylpropanolamine, which contains more than ninety-six (96) pills, tablets, gels, capsules, or other individual units; or more than three (3) grams of ephedrine, pseudoephedrine, or phenylpropanolamine, their salts, isomers, or salts of isomers, or a combination of any of these substances, whichever is smaller.

(3) Any person who violates the provisions of this subsection (c) of this section shall be guilty of a Class A misdemeanor.

(d) This subchapter shall not apply to products that the State Board of Pharmacy, upon application of a manufacturer, exempts by rule from this section because the product has been formulated in such a way as to effectively prevent the conversion of the active ingredient into methamphetamine, or its salts or precursors.

(e) For the purposes of this subchapter:

(1) The terms "ephedrine," "pseudoephedrine" and "phenylpropanolamine" mean any drug product containing ephedrine, pseudoephedrine, or phenylpropanolamine or any of their salts, isomers or salts of

isomers, alone or in a mixture.

(2) "Retail distributor" means a grocery store, general merchandise store, drugstore, convenience store or other related entity, the activities of which, as a distributor of ephedrine, pseudoephedrine, or phenylpropanolamine products, are limited exclusively to the sale of ephedrine, pseudoephedrine, or phenylpropanolamine products for personal use both in number of sales and volume of sales, either directly to walk-in customers or in face-to-face transactions by direct sales, and includes any person or entity that makes a direct sale or has knowledge of the sale, but does not include any manager, supervisor or owner not present and not otherwise aware of the sale, nor shall it include the parent company of that entity if the company is not involved in direct sales regulated by this subchapter.

(3) "Sale for personal use" means the sale in a single transaction to an individual customer for a legitimate medical use of a product containing ephedrine, pseudoephedrine, or phenylpropanolamine in quantities at or below that specified in subsection (a) of this section, and includes the sale of those products to employers to be dispensed to employees from first-aid kits or medicine chests."

AND

SECTION 6. Emergency It is found and determined by the General Assembly of the State of Arkansas that the methamphetamine problem has become epidemic in the State of Arkansas; that drastic measures are needed to control the sale and possession of large quantities of over-the-counter medicines which contain the necessary ingredients for making methamphetamine; that the public's inconvenience is far outweighed by the necessity of curtailing the illegal production and distribution of methamphetamine; that giving this act immediate effect may spare thousands of Arkansans from the devastation caused from methamphetamine addiction. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective on the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill. If the bill is vetoed by the Governor and the veto is overridden, it shall become effective on the date the last house overrides the veto.
