(b) Each insurer other than those in § 26-57-603(d) and subsection (a) of this section shall pay to the Treasurer of State through the commissioner, as a tax imposed for the privilege of transacting business in this state, a tax at the rate of two and one-half percent (2 1/2%) upon the net premiums and net considerations on all kinds of insurance, except as provided in § 26-57-605. The taxes shall be paid on a quarterly estimate basis as prescribed by the commissioner and shall be reconciled annually at the time of filing the annual report required in § 26-57-603(a)-(c).

SECTION 129. EMERGENCY CLAUSE.

It is hereby found and determined by the Eighty-Third General Assembly, that the insurance laws for foreign, alien and domestic insurers & other licensees are not modernized as they should be for proper commerce, and not in compliance with federal laws on financial services or with those law regulating insurers operating in Arkansas and other states; and that such lack of uniformity affects how domestic insurers and other reporting entities participate in interstate commerce, as well as electronic commerce. The provisions of this act are essential to bring certain specified chapters of the Insurance Code into compliance with the new provisions of the Gramm-Leach-Bliley Act, which requires conformity with bank and financial holding companies, and insurers which are affiliates or subsidiaries of such depository corporations. Another continuing goal is to keep the insurance regulatory scheme updated with industry standards promulgated by the NAIC, for the department's on-going national accreditation. It is vital that the provisions of this act become effective immediately, to allow sufficient time for reporting entities to comply

with the changes to be enacted by this act. The provisions of this act should be effective as to the year 2001 for these reporting entities. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective upon the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill. If the bill is vetoed by the Governor and the veto is overridden, it shall become effective on the date the last house overrides the veto."
