(a) There is hereby created the Arkansas Policemen's Pension Supplement Program to be administered by the Arkansas Fire and Police Pension Review Board. Local and municipal police officers provide valuable services to the citizens of this state by risking their lives and health to protect the lives and property of our citizens. Upon their retirement or participation in a DROP plan ~~from active service~~, these police officers are provided retirement benefits through local police pension funds. These retired police officers and their survivors, if deceased, are expected to pay for all kinds of expenses after their retirement, some which are unexpected and can be extremely expensive. A program by which the state can provide a modest annual supplement to retirement benefits to defray unexpected expenses for retired police officers and their survivors will benefit all local police officers, local governments,

and all citizens of the state. As used in this section, the term "retired police officers" shall include police officers who are retired from active service and officers who remain actively employed while participating in the Police Officers' Deferred Option Plan under a policemen's pension and relief fund.

SECTION 3. Arkansas Code Title 24, Chapter 11, Subchapter 2 is amended to add an additional section to read as follows:

24-11-212. Future Supplement Fund.

(a) A Future Supplement Fund-Police and Future Supplement Fund-Fire are created for the purpose of providing cost of living assistance and minimum benefit amount assistance to police and fire pension and relief funds.

(b) The Future Supplement Funds shall be administered by the Arkansas Fire and Police Pension Review Board.

(c) Each year the Future Supplement Funds will receive moneys from:

(1) The portion of each location's premium tax allocation based on number of members as of December 31, 2000 who are no longer receiving benefits and these amounts are defined in § 24-11-302(c)(3)(C) and § 24-11-810(a)(5)(C); and

(2) The portion of the increase in the amount allocated to general revenues under § 24-11-302 and § 24-11-810 as this amount is defined in those sections.

(d) The General Assembly of the State of Arkansas shall in each regular session decide the method and amount to be distributed from the Future Supplement Funds.

(e) At the time that there are no longer any members covered by local police and fire pension and relief funds, any remainder of the Future Supplement Funds would be transferred to the Local Police and Fire Retirement System.

SECTION 4. Arkansas Code 24-11-302 is amended to read as follows:

24-11-302. Cities and towns qualified to participate - Reports.

(a) Each city or town having a police officers' pension and relief fund which is organized pursuant to any existing statute of this state and each city or town which covers its police department under the Arkansas Local Police and Fire Retirement System shall be qualified to participate in the distribution of the funds described and appropriated by this subchapter.

(b) The allocation of funds to each qualified city or town pursuant to § 24-11-301 shall be subject to the following conditions:

(1) Each calendar year the Arkansas Fire and Police Pension Review Board shall review its previous calendar year distribution of funds to each qualified city or town prior to disbursement to each of these qualified areas. This review shall

comply with subdivisions (d)(4) and (5) of this section; and

(2) The certification of any new city or town to participate in the Firemen's and Police Officers' Pension and Relief Fund shall be considered in the board's assessment each calendar year of the allocation of the disbursement of the funds pursuant to subdivisions (d)(4) and (5) of this section.

(c)(1) The revenues collected pursuant to §§ 23-60-102, 24-11-301, 24-11-302, 26-57-601 - 26-57-605, and 26-57-607 and distribution in accordance with this section shall be allocated to each qualified city or town in a proportion determined by evaluation of the following factors:

(A) The legal description of the metes and bounds of the city or town. The legal description shall be based on standard visible features of the area. If the legal description cannot be based on standard visible features, a Global Positioning System survey shall be conducted to determine the boundaries; and

(B) A census population assessment in the city or town.

(2)(A) The mayor or other qualified representative of each city or town shall certify to the board the accuracy of the metes and bounds legal description of the area and the population information.

(B) The metes and bounds legal description shall be determined by a surveyor licensed in the State of Arkansas, a preexisting map held by the city, town, or fire protection district or by the Institute for Economic Advancement at the College of Business Administration at the University of Arkansas at Little Rock's Geographic Information Systems Lab.

(C) The population of the area shall be determined by the Census State Data Center at the Institute for Economic Advancement at the College of Business Administration at the University of Arkansas at Little Rock's Geographic Information Systems Lab.

(3)(A) An actuary certified by the Society of Actuaries shall evaluate the information submitted pursuant to subsection (c) of this section to determine the amount of turnback funds to be directed to an area based on the following formula:

(i) The legal description of the metes and bounds shall be considered as forty percent (40%) of the calculation; and

(ii) The population of the area shall be considered as sixty percent (60%) of the calculation.

(B) The actuarial assessment shall apply the corresponding ratio of these factors in calculating the exact amount of funds that should be allocated to each city, town, or fire protection district.

(C) The amount allocated to each location shall be reduced by the amount defined in this subdivision (c)(3)(C) for the Future Supplement Fund-

Police under § 24-11-212. The amount allocated to the Future Supplement Fund-Police is the amount allocated to a location in this subsection multiplied by the ratio of the number as determined in subdivision (c)(3)(C)(i) of this section to the number as determined in subdivision (c)(3)(C)(ii) of this section as follows:

(i) The number of active, retiree and beneficiary members of the pension and relief fund as of December 31, 2000 minus the number of active, retiree and beneficiary members of the pension and relief fund as of the most recent December 31; and

(ii) The number of active, retiree and beneficiary members of the Local Police and Fire Retirement System plus the number of active, retiree and beneficiary members of the pension and relief fund as of December 31, 2000.

(iii) In the case of multiple beneficiaries of a single deceased member, those beneficiaries shall be counted as one (1) for the purposes of this subdivision (c)(3)(C).

(iv) In the case of paid service and volunteer service members in one location, one (1) paid service member shall be equal to five (5) volunteer service members for the purposes of this subdivision (c)(3)(C).

(d)(1) All cities, towns, or fire protection districts participating in the Arkansas Firemen's and Police Officers' Pension and Relief Fund as of April 15, 1999, shall receive at least seventy-five percent (75%) of its current level of premium tax distributions upon conversion to the distribution method prescribed in subsection (c) of this section. This threshold percentage may be used as a phase-in tool by the board to accommodate the conversion of distribution of a period of five (5) years from April 15, 1999. The distribution of these funds shall be subject to subsection (b) of this section.

(2) All cities and towns having police departments organized pursuant to §§ 24-11-101 - 24-11-830 that have provided the information required in subsection (c) of this section to the board shall qualify for participation in the distribution of premium taxes for the Firemen's and Police Officers' Pension and Relief Fund under the board.

(3) On or before December 15, 1985, of each calendar year until the year 2000, the board shall certify to the Insurance Commissioner those cities and towns which have organized police departments qualified to participate in the distribution of premium taxes described by §§ 24-11-301 - 24-11-830.

Certification shall be provided to the Department of Finance and Administration on all entities participating in the pension plan, including, but not limited to, those entities participating prior to April 15, 1999.

(5) On or before June 15, 2001, the board shall certify to the Department of Finance and Administration the exact amount of tax revenues each city and town is entitled to receive for the calendar year in which coverage began pursuant to subsection (c) of this section. Such information shall be provided each calendar year thereafter on or before June 15.

(6) The eligibility of the cities or towns shall be continuous for a ten-year period without recertification unless otherwise directed by the board. The first year of implementation shall require a nine-year cycle from June 15, 2001. Thereafter each city or town shall resubmit the information required in subsection (c) of this section every ten (10) years beginning on December 15, 2010.

(e) The Arkansas Fire and Police Pension Review Board created by § 24-11-203 is directed, and it shall be its duty, to identify those cities and towns to certify them to the Insurance Commissioner on or before December 15 of each calendar year until the year 2000, indicating that they are qualified to participate in the distribution of those funds described and appropriated by this subchapter. (2) Funds shall be distributed by the Chief Fiscal Officer of the State to the Arkansas Fire and Police Pension Guarantee Fund upon the recommendation of the Arkansas Fire and Police Pension Review Board in an amount necessary to fund the priority categories defined by § 24-11-209(e)(3)(A) - (D)

Delete Sections 1 through 4 and substitute the following:

"SECTION 1. Any tenant who uses or allows another person to use the tenant's leased premises as a common nuisance as defined by Arkansas Code 5-74-109(b) or 16-105-402, or for a criminal offense identified in Section 2 may be evicted by the prosecuting attorney of the county, the city attorney of the city, the premises owner, or an agent for the premises owner pursuant to the provisions of this act.

SECTION 2. For purposes of this act, any tenant who engages in or allows another person to engage in gambling as defined by Arkansas Code 5-66-107, in prostitution as defined by Arkansas Code 5-70-102, or in the unlawful sale of alcohol as defined by Arkansas Code 3-3-205 on the tenant's leased premises shall be subject to the eviction procedures established by this act.

SECTION 3. The prosecuting attorney of the county, the city attorney of the city, the premises owner, or an agent for the premises owner may file a complaint in office of the clerk of the circuit court for the eviction of any tenant who has used or

has allowed another person to use the tenant's leased premises for use as a common nuisance as defined by Arkansas Code 5-74-109(b) or 16-105-402, or for a criminal offense identified in Section 2.

SECTION 4. The complaint shall state the name of the tenant or tenants to be evicted, the location of the leased premises, and the basis for which eviction is authorized under this act.

SECTION 5. Upon the filing of a complaint under this act, the clerk of the court shall issue a summons upon the complaint. The summons shall be in customary form directed to the sheriff of the county in which the cause of action is filed, with direction for service thereof on the named defendants. In addition, the court shall issue and direct the sheriff to serve upon the named defendants a notice in the following form:

NOTICE OF INTENTION TO EVICT FOR CRIMINAL ACTIVITY

You are hereby notified that the attached complaint in the above styled cause claims that you have engaged in or have allowed the property described in the above-mentioned complaint to be used for criminal activity and that the plaintiff is entitled to have you evicted pursuant to state law. If, within five (5) days, excluding Sundays and legal holidays, after the date of service of this notice, you have not filed in the office of the circuit clerk of this county a written objection to the claims made against you by the plaintiff in his or her complaint for eviction, then a writ of ejectment shall forthwith issue from this office directed to the sheriff of this county or to the police chief of the city and ordering him or her to remove you from possession of the property described in the complaint. If you should file a written objection to the complaint of the plaintiff and the allegations for immediate possession of the property described in the complaint within five (5) days, excluding Sundays and legal holidays, after the date of service of this notice, a hearing will be scheduled by the circuit court of this county after you have timely answered to determine whether or not the writ of ejectment should issue as sought by the plaintiff.

Circuit Clerk of _____ County

SECTION 6. (a) If, within five (5) days, excluding Sundays and legal holidays, following service of this summons, complaint, and notice seeking a writ of ejectment against the defendants named therein, the defendant or defendants have not filed a written objection to the claim for a writ of ejectment made by the plaintiff in his complaint, the clerk of the circuit court shall immediately issue a writ of ejectment directed to the sheriff of the county and or the police chief of the city commanding him or her to cause the defendant or defendants to vacate the property described in the complaint without delay, which the sheriff or police chief shall thereupon execute

in the manner described in section 7 of this act.

(b) If a written objection to the claim of the plaintiff for a writ of ejectment shall be filed by the defendant or defendants within five (5) days after the date of service of the notice, summons, and complaint as provided for in this section, the plaintiff shall obtain a date for the hearing of the plaintiff's demand for a writ of ejectment of the property described in the complaint after the defendants have timely answered the complaint. If such a hearing is required, at the hearing the plaintiff shall present evidence sufficient to make a prima facie case of the criminal activity that has been facilitated at property described in the complaint. The defendant or defendants shall be entitled to present evidence in rebuttal thereof. If the court decides upon all the evidence that the plaintiff is entitled to a writ of ejectment under state law, then the court shall order the clerk forthwith to issue a writ of ejectment to the sheriff or the police chief of the city to evict the defendant or defendants as provided for in section 7 of this act.

SECTION 7. (a) Upon receipt of a writ of ejection from the clerk of the circuit court, the sheriff or police chief shall immediately proceed to execute the writ in the specific manner described in this section and, if necessary, ultimately by ejecting from the property described in the writ the defendant or defendants and any other person or persons who shall have unlawfully received or entered into the possession of the property after the issuance of the writ, and thereupon notify the plaintiff that the property has been vacated by the defendant or defendants.

(b) Upon receipt of the writ, the sheriff or police chief shall notify the defendant of the issuance of the writ by delivering a copy thereof to the defendant or to any person authorized to receive summons in civil cases and in like manner. If, within eight (8) hours after receipt of the writ of possession, the sheriff or police chief shall not find any such person at their normal place of residence, he or she may serve the writ of possession by placing a copy conspicuously upon the front door or other structure of the property described in the complaint, which shall have like effect as if delivered in person pursuant to the terms hereof.

(c)(1) If, at the expiration of twenty-four (24) hours after the service of the writ of ejectment in the manner indicated, the defendants or any or either of them shall be and remain in possession of the property, the sheriff or police chief shall notify the plaintiff or his attorney of that fact and shall be provided with all labor and assistance required by him or her in removing the possessions and belongings of the defendants from the affected property to a place of storage in a public warehouse or in some other reasonable safe place of storage under the control of the plaintiff until the defendant or defendants may recover the property within seven (7) business days. Before recovering the property the defendant or defendants shall

pay for the reasonable cost of storage.

(2) If the defendant or defendants shall never recover the property as provides in subdivision (c)(1) then the court shall order the possessions and belongings of the defendant sold by the plaintiff in a commercially reasonable manner with the proceeds of the sale applied first to the cost of storage, second to any monetary judgment in favor of the plaintiff, and third, any excess to be remitted to the defendant.

(d) In executing the writ of ejectment, the sheriff or police chief shall have the right forcibly to remove all locks or other barriers erected to prevent entry upon the premises in any manner which he or she deems appropriate or convenient and, if necessary, physically to restrain the defendants from interfering with the removal of the defendants' property and possessions from the property described in the writ of ejectment.

(e) If the plaintiff is the city attorney or prosecuting attorney no bond shall be required. If the plaintiff is the landlord no bond shall be required, unless ordered to do so by the court, as a condition to the execution of a writ granted prior to the date an answer is to be filed by the defendant or defendants.

(f) The sheriff or police chief shall return the writ at or before the return date of the writ and shall state in his return the manner in which he or she executed the writ and whether or not the defendant or defendants have been ejected from the property described and, if not, the reason for his or her failure to do so.

SECTION 8. (a) A court granting relief under this act may order, in addition to any other costs provided by law, the payment by the defendant or defendants to the plaintiff reasonable attorney fees and the costs of the action. In such cases, multiple defendants are jointly and severally liable for any payment so ordered. Any costs of attorney's fees collected from the defendants shall be remitted to the plaintiff. If the plaintiff is the city attorney, the costs shall be remitted to the general fund of the city. If the plaintiff is the prosecuting attorney, the costs shall be remitted to the general fund of the county.

(b) A proceeding brought under this section for eviction of the defendant or defendants of the premises does not preclude the owner or landlord from recovering monetary damages for rent, repairs or any other incidental damages up to the date of eviction from the tenants or occupants of such premises in a civil action."

Labor Day shall be celebrated as a school holiday in all the school districts of the state, and school shall not be held on that date.

(2) The Department of Education may grant a school district a waiver to begin school on an earlier or later date if the department determines that there exists a material and substantial reason for the school district to begin on an earlier or later date due to very exceptional or emergency circumstances such as a contagious disease outbreak, inclement weather, or other acts of God.

(b)(1) Contracts of employment for certified and noncertified employees of school districts may require school district employees to begin performance under

their contract of employment prior to the first day of student attendance.

(2)(A) A local school board may waive up to three (3) contract days of certified or noncertified employees' contract days that have been missed in excess due to contagious disease outbreaks, inclement weather, fire, disasters or other acts of God.

(B) Any contract days waived under subdivision (2)(A) of this section, shall not cause a reduction in the certified or noncertified employees contract salary.

(C) Any contract days waived under subdivision (2)(A) of this section, shall also be waived by the State Board of Education for purposes of student/teacher contact day requirements.

(c) If the school year in any school district extends beyond the date observed as Memorial Day, such date shall be a holiday in the district. Provided, upon approval of the department, this date may be used as a make-up day in any school district which has unavoidably lost more than five (5) scheduled days of student attendance during the course of the school year due to contagious disease outbreaks, inclement weather, or other acts of God.

(d) No other waiver from the requirements of this section shall be granted.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly that an excess of school days were missed during the 2000-2001 school year due to inclement whether in many parts of the state; that local school boards need to take corrective actions as necessary in each school district prior to the end of the school year; and that immediate relief is necessary for the preservation of the public peace, health and safety. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective on the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill. If the bill is vetoed by the Governor and the veto is overridden, it shall become effective on the date the last house overrides the veto."
