STATE OF ARKANSAS
OFFICE OF THE GOVERNOR

Little Rock, Arkansas

April 17, 2001

The Honorable Shane Broadway
Speaker of the House of Representatives
State of Arkansas
State Capitol Building
Little Rock, AR 72201

Dear Mr. Speaker:

This letter is to inform you I've vetoed by line item specific portions of House Bill 2080. The bill provides appropriations for the operating expenses of the Arkansas Administrative Statewide Information System. I vetoed special language in Section 8 that would have created the AASIS Project Policy Steering Committee. I also vetoed special language in Section 6 that referenced this steering committee. These provisions would have granted total governing authority over AASIS to this new steering committee.

The vetoed provisions are directly contrary to Act 1042, which was approved this session to create a state chief information officer and CIO Council to manage state information technology. AASIS will be subject to the oversight of the CIO and the CIO Council as an "enterprise project" defined by Act 1042. Any allocation of state resources to AASIS will also be subject to review of the Information Technology Oversight Committee created by Act 1042.

Act 1042 provides the management and oversight necessary for the success of AASIS. In addition to the provisions of Act 1042, the Department of Finance and Administration will establish an advisory group of representatives from AASIS user agencies. This advisory group will advise DF&A on the continuing operations of AASIS. The steering committee that would have been established by the vetoed language would have created a duplicative, unnecessary bureaucracy.

The Honorable Shane Broadway

-2-

April 12, 2001

Responsibility for the management and success of AASIS rests with DF&A. The vetoed language would have given the governing authority over AASIS to the steering committee while holding DF&A responsible for the success of AASIS. DF&A would have been left without the authority to do its job.

My veto leaves the responsibility for the management of AASIS with DF&A, subject to the oversight and safeguards of Act 1042. This is the model for the success of future information technology projects in state government, and it should be utilized to ensure the success of AASIS.

Sincerely yours,

/s/ Mike Huckabee

MH:ddc

RECEIPT FROM THE GOVERNOR

RECEIVED FROM THE HOUSE:

HOUSE BILL NO. 2080

/s/ Mike Huckabee - Governor

By: Barb Meyer

DATE: April 18, 2001

STATE OF ARKANSAS
OFFICE OF THE GOVERNOR

Little Rock, Arkansas

April 18, 2001

The Honorable Shane Broadway
Speaker of the House of Representatives
State of Arkansas
State Capitol Building
Little Rock, AR 72201

Dear Mr. Speaker:

This letter is to inform you I've vetoed House Bill 2541, which alters the structure of the Minority Health Commission.

House Bill 2541 re-enacts language that was repealed by Act 1288 of 2001 relating to the appointment of members of the House and Senate to the Minority Health Commission. The Arkansas Supreme Court declared such service to be in violation of the Arkansas Constitution in State Board Of Workforce Education v. King, 336 Ark. 409 (1999).

Under the provisions of House Bill 2541, appointees of the governor would no longer constitute a majority of the Minority Health Commission. This intrusion into executive authority violates the doctrine of separation of powers stated in Sections 1 and 2 of Article 4 of the Arkansas Constitution.

Finally, House Bill 2541 would deprive the Minority Health Commission of the expertise and participation of the directors of the state Department of Human Services' Division of Aging and Adult Services and Division of Mental Health Services.

My veto leaves the responsibility for executing the law with executive officers and appointees. This approach is consistent with the basic premise that authority should follow responsibility.

Sincerely yours,

/s/ Mike Huckabee
