(b) When the court orders a juvenile removed from the custody of a parent, guardian, or custodian and placed in the custody of the department or other licensed agency responsible for the care of juveniles or with a relative or other individual, excluding commitments to youth services centers or juvenile detention facilities, the court shall make these specific findings in the order:

(3) What efforts were made to provide those family services relevant to the needs of the family before the removal of the juvenile, taking into consideration whether or not the juvenile could safely remain at home while family services were provided;

(4) Why efforts made to provide the family services described did not prevent the removal of the juvenile;

(5) Whether efforts made to prevent the removal of the juvenile were reasonable, based upon the needs of the family and the juvenile; and

(6) Whether the removal is in the best interest of the juvenile.

(c) Where the state agency's first contact with the family has occurred during an emergency in which the juvenile could not safely remain at home, even with reasonable services being provided, the responsible state agency shall be deemed to have made reasonable efforts to prevent or eliminate the need for removal.

(d)(1)(A) At any hearing to determine whether a juvenile should be removed from the parent, guardian, or custodian of the juvenile or continued in out-of-home placement, the ~~juvenile~~ circuit court may release the juvenile to the parent, guardian, or custodian or may order the juvenile placed in the legal custody of the state agency for placement in a foster care program.

(A) Reasonable efforts were made to keep the family together and avoid out-of-home placement; and

(B) Reasonable efforts to eliminate the need for removal of the juvenile from the home were made by the state and whether the out-of-home placement is in the best interest of the child.

(e) Where the court finds the department's preventive or reunification efforts have not been reasonable, but further preventive or reunification efforts could not permit the juvenile to remain safely at home, the court may authorize or continue the removal of the juvenile but shall note the failure by the department in the record of the case.

(f)(1) In all instances of removal of a juvenile from the home of his parent, guardian, or custodian by a court, the court shall set forth in a written order:

(g)(1) After the department has removed the juvenile or the court grants custody of the juvenile to the department, the juvenile shall be placed in a licensed or approved foster home, shelter, or facility or an exempt child welfare agency as defined at § 9-28-402(12).

(1) A juvenile may be held in a juvenile detention facility when he or she has been away from home for more than twenty-four (24) hours and when the parent, guardian, or other person contacted lives beyond a fifty-mile driving distance or out of state.

(A) The juvenile may be held in custody in a juvenile detention facility for purposes of identification, processing, or arranging for release or transfer to an alternative facility. Such holding shall be limited to the minimum time necessary to complete these actions and shall not occur in any facility utilized for incarceration of adults.

(B) A juvenile held under this subdivision (a)(1) shall be separated from detained juveniles charged or held for delinquency. A juvenile may not be held under this subdivision (a)(1) for more than six (6) hours if the parent, guardian, or other person contacted lives in the state, or twenty-four (24) hours, excluding weekends and holidays, if the parent, guardian, or other person contacted lives out of state.

(2) An adjudicated family in need of services juvenile may be held in a juvenile detention facility when the juvenile court finds that the juvenile violated a valid court order.

(A) For the purposes of this subdivision (a)(2), a valid court order shall include any order of a juvenile court ~~judge to~~ regarding a juvenile who has been brought before the court and made subject to a court order. The juvenile who is the subject of the order shall receive full due process rights.

(B) A juvenile held under this subdivision (a)(2) shall be separated from detained juveniles charged or held for delinquency. Such holding shall not occur in any facility utilized for incarceration of adults.

(b) Except pursuant to subsection (e) of this section, a juvenile shall not be placed or confined in a jail or lock-up used for the detention of adults except under the following circumstances:

(1) A juvenile who has been formally transferred from the juvenile division of circuit court to the criminal division of circuit court and against whom felony charges have been filed or a juvenile who the prosecuting attorney has the discretion to charge in circuit court and to prosecute as an adult and against whom the circuit court's jurisdiction has been invoked by the filing of felony charges may be held in an adult jail or lock-up;

(2) A juvenile alleged to have committed a delinquent act may be held in an adult jail or lock-up for up to six (6) hours for purposes of identification, processing, or arranging for release or transfer to an alternative facility, provided he is separated by sight and sound from adults who are pretrial detainees or convicted persons. A holding for those purposes shall be limited to the minimum time necessary and shall not include travel time for transporting the juvenile to the alternative facility; or

(3)(A) A juvenile alleged to have committed a delinquent act who is awaiting an initial appearance before a judge may be held in an adult jail or lock-up for up to twenty-four (24) hours, excluding weekends and holidays, provided the following conditions exist:

(i) The alleged act would be a misdemeanor or a felony if committed by an adult or is a violation of § 5-73-119; and

(ii) The geographical area having jurisdiction over the juvenile is outside a metropolitan statistical area pursuant to the current designation of the United States Bureau of the Census; and

(iii) No acceptable alternative placement for the juvenile exists; and

(iv) The juvenile is separated by sight and sound from adults who are pretrial detainees or convicted persons.

(B)(i) A juvenile awaiting an initial appearance and being held in an adult jail or lock-up pursuant to the twenty-four-hour exception, as provided in subdivision (b)(3)(A) of this section, may be held for an additional period, not to exceed twenty-four (24) hours, provided that the following conditions exist:

(a) The conditions of distance to be traveled or the lack of highway, road, or other ground transportation do not allow for court appearances within twenty-four (24) hours; and

(b) All the conditions in subdivision (b)(3)(A) of this section exist;

(ii) Criteria will be adopted by the Governor or his designee to establish what distance, highway or road conditions, or ground transportation limitations will provide a basis for holding a juvenile in an adult jail or lock-up under this exception.

(c) Except as provided in subsection (e) of this section, nothing in this subchapter is intended to prohibit the use of juvenile detention facilities which are attached to or adjacent to adult jails or lock-ups, provided the facilities are designed and used in accordance with federal and state guidelines and restrictions.

(d) A detention facility shall not release a serious offender for a less serious offender, except by order of the judge who committed the more serious offender.

~~(e) Provided, however, that upon petition by the quorum court of any county, the Governor may waive the requirements of subsections (b) and (c) of this section and any other provision of state law, state jailing standards, and state regulations limiting the detention of juveniles in adult facilities, subject to the following restrictions:~~

~~(1) The authority to grant such a waiver will expire on March 31, 1997; and~~

~~(2) Waivers may be granted only for periods of up to six (6) months, but may be renewed for successive six month periods, provided all such waivers shall expire on March 31, 1997; and~~

~~(3) Such waivers shall be available only if a county:~~

~~(A) Is making a good faith effort to provide a juvenile detention facility that otherwise complies with state law and regulations for detaining juveniles in a juvenile detention facility and has entered into a written agreement with another county or counties for that specific purpose; or~~

~~(B) Has a juvenile detention facility located in that county, but certifies that no further bed capacity is available or will be available within a reasonable period of time, and certifies that the county will increase the bed capacity of its facility by March 31, 1997; and~~

~~(4) Such waivers shall not permit detaining juveniles in the same cell or within physical reach of adults who are pretrial detainees or convicted persons.~~

SECTION 19. Arkansas Code § 9-27-341 is amended to read as follows:

9-27-341. Termination of parental rights.

(a)(1)(A) This section shall be a remedy available only to the Department of Human Services or a court-appointed attorney ad litem.

(B) It shall not be available for private litigants or other agencies.

(2) It shall be used only in such cases when the department is attempting to clear a juvenile for permanent placement.

(3) The intent of this section is to provide permanency in a juvenile's life in all instances where the return of a juvenile to the family home is contrary to the juvenile's health, safety, or welfare and it appears from the evidence that a return to the family home cannot be accomplished in a reasonable period of time as viewed from the juvenile's perspective.

(b)(1) The court may consider a petition to terminate parental rights if there is an appropriate permanency placement plan for the juvenile.

(2) The petitioner shall provide the parent, parents, or putative parent or parents actual or constructive notice of a petition to terminate parental rights.

(3) An order forever terminating parental rights shall be based upon a finding by clear and convincing evidence:

(A) That it is in the best interest of the juvenile, including consideration of the following factors:

(i) The likelihood that the juvenile will be adopted if the termination petition is granted; and

(ii) The potential harm, specifically addressing the effect on the health and safety of the child, caused by continuing contact with the parent, parents, or putative parent or parents;

(B) Of one (1) or more of the following grounds:

(i)(a) That a juvenile has been adjudicated by the court to be dependent-neglected and has continued out of the home for twelve (12) months and, despite a meaningful effort by the department to rehabilitate the home and correct the conditions which caused removal, those conditions have not been remedied by the parent.

(b) It is not necessary that the twelve-month period referenced in subdivision (b)(3)(B)(i) of this section immediately precede the filing of the petition for termination of parental rights or that it be for twelve (12) consecutive months;

(ii)(a) The juvenile has lived outside the home of the parent for a period of twelve (12) months, and the parent has willfully failed to provide significant material support in accordance with the parent's means or to maintain meaningful contact with the juvenile.

(b) To find willful failure to maintain meaningful contact, it must be shown that the parent was not prevented from visiting or having contact with the juvenile by the juvenile's custodian or any other person, taking into consideration the distance of the juvenile's placement from the parent's home.

(c) Material support consists of either financial contributions or food, shelter, clothing, or other necessities where such contribution has been requested by the juvenile's custodian or ordered by a court of competent jurisdiction.

(d) It is not necessary that the twelve-month period referenced in subdivision (b)(3)(B)(ii) of this section immediately precede the filing of the petition for termination of parental rights, or that it be for twelve (12) consecutive months;

(iii) The presumptive legal father is not the biological father of the juvenile and the welfare of the juvenile can best be served by terminating the parental rights of the presumptive legal father;

(iv) A parent has abandoned the juvenile;

(v) A parent has executed consent to termination of parental rights or adoption of the juvenile, subject to the court's approval;

(vi)(a) The juvenile court has found the juvenile victim dependent-neglected as a result of neglect or abuse that could endanger the life of the child, sexual abuse, or sexual exploitation, and which was perpetrated by the juvenile's parent or parents.

(b) Such findings by the juvenile court shall constitute grounds for immediate termination of the parental rights of one (1) or both of the parents;

(vii)(a) That, subsequent to the filing of the original petition for dependency-neglect, other factors or issues arose which demonstrate that return of the juvenile to the family home is contrary to the juvenile's health, safety, or welfare and that, despite the offer of appropriate family services, the parent has manifested the incapacity or indifference to remedy the subsequent issues or factors or rehabilitate the parent's circumstances which prevent return of the juvenile to the family home.

(b) Provided, however, that the department shall make reasonable accommodations in accordance with the Americans with Disabilities Act to parents with disabilities in order to allow them meaningful access to reunification and family preservation services.

(c) For purposes of subdivision (b)(3)(B)(vii) of this section, the inability or incapacity to remedy or rehabilitate includes, but is not limited to, mental illness, emotional illness, or mental deficiencies;

(viii)(a) The parent is sentenced in a criminal proceeding for a period of time which would constitute a substantial period of the juvenile's life and the conditions in subdivision (b)(3)(B)(i) or (b)(3)(B)(ii) of this section have also been established.

(b) For purposes of subdivision (b)(3)(B)(viii) of this section, "substantial period" means a sentence, and not time actually served, of no less than fifteen (15) years, none of which has been suspended;

(ix)(a) The parent is found by a court of competent jurisdiction, including the juvenile division of circuit court, to:

(1) Have committed murder or voluntary manslaughter of any child or to have aided or abetted, attempted, conspired, or solicited to commit the murder or voluntary manslaughter;

(2) Have committed a felony battery or assault that results in serious bodily injury to any child;

(3) Have subjected the child to aggravated circumstances;

(4) Have had his parental rights involuntarily terminated as to a sibling of the child; or

(5) Have abandoned an infant, as defined at § 9-27-303(2).

(b) Nothing in this chapter shall be construed to require reunification of a surviving child with a parent who has been found guilty of any of the offenses listed in subdivision (b)(3)(B)(ix)(a) of this section.

(c)(1) An order terminating the relationship between parent and juvenile divests the parent and the juvenile of all legal rights, powers, and obligations with respect to each other, including the right to withhold consent to adoption, except the right of the juvenile to inherit from the parent which is terminated only by a final order of adoption.

(2)(A)(i) Termination of the relationship between a juvenile and one (1) parent shall not affect the relationship between the juvenile and the other parent if those rights are legally established.

(ii) If no legal rights have been established, a putative parent must prove that significant contacts existed with the juvenile in order for the putative parent's rights to attach.

(B)(i) When the petitioner has actual knowledge that an individual is claiming to be or is named as the putative parent of the juvenile and the paternity of the juvenile has not been judicially determined, the individual is entitled to notice of the petition to terminate parental rights.

(ii) The notice shall identify the rights sought to be terminated and those which may be terminated.

(iii) The notice shall further specify that the putative parent must prove that significant contacts existed with the juvenile for the putative parent's rights to attach.

(3) An order terminating parental rights under this section may authorize the department to consent to adoption of the juvenile.

(4) An order terminating parental rights under this section does not preclude adoptive parents from allowing contact between an adopted child and the birth sibling or other birth family members.

(d) The court shall conduct and complete a termination of parental rights hearing within ninety (90) days from the date the petition for termination of parental rights is filed unless continued for good cause as articulated in the written order of the court.

(e) A written order shall be filed by the court or by a party or party's counsel as designated by the court within thirty (30) days of the date of the termination hearing or before the next hearing, whichever is sooner.

(f) After an order of termination of parental rights is filed, the court shall review the case at least every three (3) months when the goal is adoption and, in other cases, every six (6) months until permanency is achieved for that juvenile.

(g)(1)(A) A parent may withdraw consent to termination of parental rights within ten (10) calendar days after it was signed by filing an affidavit with the clerk of the juvenile court in the county designated by the consent as the county in which the termination of parental rights will be filed.

(B) If the ten-day period ends on a weekend or legal holiday, the person may file the affidavit the next working day.

(C) No fee shall be charged for the filing of the affidavit.

(2) The consent to terminate parental rights shall state that the person has the right of withdrawal of consent and shall provide the address of the juvenile court clerk of the county in which the termination of parental rights will be filed.

SECTION 20. Arkansas Code § 9-27-342(e), concerning proceedings regarding illegitimate juveniles, is amended to read as follows:

(e) A father, providing that paternity has been established in a court of competent jurisdiction, may petition the juvenile court in the county where the juvenile resides for custody of the juvenile. The court may award custody to a father who has had paternity established if the court finds by a preponderance of the evidence that:

- (1) He is a fit parent to raise the juvenile;
- (2) He has assumed his responsibilities toward the juvenile by providing care, supervision, protection, and financial support for the juvenile; and
- (3) It is in the best interest of the juvenile to award custody to the father.

SECTION 21. Arkansas Code § 9-27-343 is amended to read as follows:

9-27-343. Appeals.

(a) All appeals from juvenile ~~court~~ cases shall be made to the Arkansas Supreme Court or to the Arkansas Court of Appeals in the ~~same~~ time and manner provided for appeals ~~from chancery court~~ in the Arkansas Rules of Appellate Procedure.

(b) In delinquency cases, the petitioner may appeal only under those circumstances that would permit the state to appeal in criminal proceedings.

SECTION 22. Arkansas Code § 9-27-344 is amended to read as follows:

9-27-344. Monthly report.

The juvenile court shall submit monthly to the Director of the Administrative Office of the Courts a report in writing upon forms to be furnished by the Director of the Administrative Office of the Courts showing the number and disposition of juveniles brought before the juvenile court together with such other information regarding those cases as may be requested by the Director of the Administrative Office of the Courts.

9-27-347. Probation reports.

(a) The probation officer shall make and keep a complete history of each case prior to disposition and during the course of any probation imposed by the court.

(b)(1) It is the intention of this section to require an intelligent and thorough report of each juvenile prior to probation and during the course thereof as to heredity, environment, condition, treatment, development, and results.

(2) The report shall contain among other information the age, sex, nativity, residence, education, mentality, habits, whether married or single, and employment and income and shall be continued so as to show the condition of the person during the term of his probation and the results of probation in the case.

(3) The report shall never be disclosed except as required by law or directed by the juvenile court.

(c) The probation officer shall furnish to each person released on probation a written statement of the terms and conditions of probation and shall report to the juvenile court any violation or breach of the terms and conditions so imposed.

SECTION 25. Arkansas Code § 9-27-348 is amended to read as follows:

(ii)(a) It is recognized by the General Assembly that in many areas of the state resources have not been available to support the requirement of representation for children at the necessary level.

(b) It is also recognized, however, that in other areas, a system has been developed which is appropriately and successfully serving children and the courts.

(iii) With the transition to state funding, it is not the intent of the General Assembly to adversely affect these systems that are working well or to put into place a system which is too inflexible to respond to local needs or restrictions.

(7) The Administrative Office of the Courts shall establish guidelines to provide a maximum amount of expenses and fees per hour and per case that will be paid under this section.

(8) In order to ensure that each judicial district will have an appropriate amount of funds to utilize indigent parent or guardian representation in dependency-neglect cases, the funds appropriated shall be apportioned based upon a formula developed by the Administrative Office of the Courts and approved by the Juvenile Judges Division Judges' Committee of the Arkansas Judicial Council.
