(c) Any person failing to complete a program of study which will enable the person to become a licensed teacher shall begin repaying the note according to the note's terms for the sum of all forgivable loan awards made to that person, less the corresponding amount of any awards for which service has been rendered.

(d)(1) Except as provided in subdivision (d)(1)(B), any person failing to complete the teaching obligation, as required by this chapter, shall become immediately liable to the Department of Higher Education for the sum of all forgivable loan awards made to that person, less the corresponding amount of any awards for which service has been rendered according to the note's terms.

(A) The Department of Higher Education may defer payment on the note if an employment position is not immediately available upon a teacher's completion of licensure requirements or for other just cause as determined by the Department of Education.
