"SECTION 1. Arkansas Code Title 20, Chapter 10 is amended to add an additional subchapter to read as follows:

20-10-1901. Title.

This act shall be known and may be cited as " The Unlicensed Long-Term Care Facilities Act".

20-10-1902. Purpose and intent.

(a) The purpose of this subchapter is to protect the elderly and other vulnerable citizens of this state by ensuring that all facilities that offer assisted living or similar services are properly licensed and following the statutes and regulations for long-term care facilities.

(b) The General Assembly does not intend for the permit of approval process to be an obstacle to accomplishing this goal.

(c) This subchapter is intended to:

(1) Clarify which facilities must obtain a permit of approval and license;

and

(2) Allow a limited time during which a permit of approval is not required for currently unlicensed facilities if they become licensed within the time provided under this subchapter.

20-10-1903. Definitions.

For purposes of this subchapter:

(1) "Assisted living facility" means a long-term care facility as defined in § 20-10-1703;

(2) "Level I" assisted living facility means any assisted living facility that does not provide the more complex assisted living care involving limited nursing services provided in "Level II" assisted living facilities;

(3) "Level II" assisted living facility has the same meaning as in Department of Human Services regulations;

(4) "Congregate services" means provision of group meals or any activities of daily living and instrumental activities of daily living provided in a group setting;

(5) "Department" means the Department of Human Services and its divisions and offices;

(6) "Person" means an individual, partnership, association, corporation, or other entity; and

(7) "Residential care facility" means a long-term care facility as defined in § 20-10-101; and

(8) "Supervision" means that a facility monitors the condition or status of residents while in the facility.

20-10-1904. Licensure Requirement.

(a) Any assisted living or residential care facility comprised of a building or buildings, section or distinct part of a building, whether operated for profit or not, shall be licensed as a long-term care facility by the Office of Long Term Care if the facility:

(1) Houses more than three (3) individuals for a period exceeding twenty-four (24) hours; and,

(2)(A) Provides meals or other congregate services; and

(B) Either:

(i) Provides supervision of residents; or

(ii) Offers or provides assistance with activities of daily living such as eating, bathing, dressing, grooming, ambulating, toileting, or with medications.

(b)(1) Facilities subject to the licensure requirement under subsection (a) of this section include both those that provide services either directly or through contractual arrangements and those that facilitate contracting in the name of the residents.

(1) Apartment house managers referring residents to home health or other service agencies shall not be construed as facilitating contracting within the meaning of this subchapter.

(c) No entity may use the terms "assisted living," "residential care," or similar terms to advertise or publicly represent that it provides assisted living or residential care unless the entity is licensed under Arkansas law as an assisted living facility or residential care facility.

20-10-1905. Existing unlicensed facilities.

(a) Existing unlicensed entities offering assisted living or residential care shall apply for an assisted living facility license or residential care facility license within one-hundred eighty (180) days after the effective date of this subchapter.

(b) The Office of Long Term Care of the Department of Human Services may waive building code requirements implemented after the unlicensed facility was constructed if, in the sole discretion of the office, the facility has or will implement alternative measures that will result in a level of resident safety that will meet or exceed the level that would have resulted had the building been constructed in conformity with building codes in effect at the time of licensure.

(c) Any facility that does not apply for a license within one-hundred eighty (180) days, or applies for a license within one-hundred eighty (180) days but fails to become licensed on or before July 1, 2004, shall be subject to the provisions in § 20-10-1907.

(d)(1) An assisted living or residential care facility shall be exempt from the permit of approval process for purposes of this section if the facility obtains a license within the time provided in subsection (c) of this section.

(2) Thereafter, the facility shall comply with the permit of approval process and methodology in all other respects, including expansion, relocation, or construction of new facilities.

(3) The Office of Long Term Care shall report to the Health Services Permit Agency if a facility has been licensed without a permit of approval under this section.

(e) The Health Services Permit Agency shall take account of the new beds authorized under this section in counting for need purposes under the permit of approval methodology.

20-10-1906. Exemptions.

(a) This subchapter does not apply to situations in which persons in independent apartments receive home health services, "Meals on Wheels," or other services by agencies such as the Area Agencies on Aging, but in which congregate services are not offered and if the complex does not use the terms "assisted living" or "residential care" or any similar terms to advertise or publicly represent that it provides assisted living or residential care.

(b) Neither coordinating dining and social activities with a separately owned non-profit senior citizens' center nor any existing arrangements of other types between Area Agencies on Aging and government-subsidized housing projects shall be construed as providing congregate services for purposes of this subchapter.

20-10-1907. Penalties and Enforcement.

(a) The Department of Human Services shall have the same powers to enforce this subchapter as under § 20-10-215.

(b)(1) The department may enter and inspect suspected unlicensed facilities, including any combination of separate entities working in concert under § 20-10-215.

(2) If a facility denies or refuses the department entry, or denies, refuses, or interferes with inspection by the department, the department may apply to a court of competent jurisdiction for, and shall be granted, an injunction in the name of the state to prohibit the facility from operating until such time as the department is permitted to enter and inspect the facility.

SECTION 11 . EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that various long-term care facilities are operating in this state without having obtained a license, that there is no state oversight or protection for the vulnerable residents in these facilities, and no way of ensuring that the facilities properly treat and protect these residents under state long-term care laws.. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto. "

It is found and determined by the General Assembly of the State of Arkansas that current Arkansas law regulating the purchase of credit life insurance and credit disability insurance does not provide adequate notice to insurance consumers and does not allow the Insurance Commissioner to adequately regulate the issuance of credit life insurance and credit disability policies; that this act protects consumers by requiring certain notice to insurers, by granting to the Insurance Commissioner the exclusive jurisdiction to regulate the issuance of credit life and credit disability insurance policies and to approve credit life and credit disability insurance rates, and by clarifying the formula that may be used to determine refunds for reducing term credit life insurance or reducing credit disability insurance; and that this act is immediately necessary to protect consumers purchasing credit life insurance and credit disability insurance. 24-10-510. Service credit for former military personnel.

Any person who is a member of the Arkansas Local Police and Fire Retirement System and who was not receiving benefits under the system on January 1, 2003, shall be entitled to purchase credited service in the system for a period not to exceed two (2) years for service rendered by the member while on active duty in the armed forces of the United States prior to the member's employment covered by the system, but only if:

(1) The person received an honorable discharge from the armed forces;

(2) The person is not receiving federal military service retirement pay based upon nineteen (19) or more years of active duty. However, disability federal retirement pay shall not disqualify a member from purchasing credit; and

(3) The person does the following: If he or she has participated in the system for at least five (5) years or takes medical disability, he or she contributes to the member's deposit account a sum of money equal to the amount of the combined employee and employer contribution made by or on behalf of the member to the system based upon the contributions for the last month of the employee's fifth year of service, or if the employee has taken medical disability, the last month of the employee's last year of service prior to taking disability, multiplied by the number of months of military service the member is eligible for and desires to purchase under this section with interest thereon at the rate of six percent (6%) per annum from the date of eligibility to purchase the service to the date of purchase.”

(2) To enter into contracts with any state agency, state or governmental body or political subdivision, public or private corporation, agencies or instrumentalities of the federal government, or other governmental body or political subdivision, public or private corporation, or other legal entity, or any individual, or a combination of any of these entities and individuals, to provide for the design, financing, construction, expansion, operation, and maintenance of all or any portion of a jail facility, or for any combination of such services or functions;

(3) To enter into long or short term contracts with counties, municipalities, public entities, the State of Arkansas, agencies or instrumentalities of the federal government, and other public entities under which the public facilities board shall provide nightly or other periodic housing of these entities' misdemeanants, or other incarcerants for fee compensation or other consideration;

SECTION 4. Any municipality, county, public instrumentality, or other governmental entity may pledge all or any portion of its fines, penalties, bonds against fines, court costs, filing fees, other court fees, and other sums payable by judicial order, statute, ordinance, or otherwise imposed by law and collected by the entity towards the repayment of any debt issued by a jail board or any public facilities board operating, owning, or administering a jail facility.

SECTION 5. EMERGENCY CLAUSE. It is found and determined by the General Assembly that the counties, municipalities, public instrumentalities and other governmental entities of the State of Arkansas are experiencing severe jail overcrowding, and that existing jail facilities may not be in compliance with applicable state and federal regulations. It is further recognized that funding for jail renovation, improvement, and construction is extremely limited and oftentimes can be funded only through the implementation of new sales taxes, and that the failure to immediately address this problem could result in the possible closure of existing jail facilities, and the release of incarcerants prior to the schedule expiration of their terms. Therefore, an emergency is declared to exist, and this act being immediately

necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

(d) The child shall not be sent, brought, or caused to be sent or brought into
