Amend **Senate Bill No. 96** as originally introduced:

“SECTION 1. Definition.

(a) “Committee” means the Profiling Advisory Committee created by this act;
(b) “Criminal Justice Department” means the Criminal Justice Department at the University of Arkansas at Pine Bluff; and

(c) “Racial profiling” means the practice of a law enforcement officer relying, to any degree, on race, ethnicity, national origin, or religion in selecting which individuals to subject to routine investigatory activities, or in deciding upon the scope and substance of law enforcement activity following the initial routine investigatory activity, except that racial profiling does not include reliance on the criteria in combination with other identifying factors when the law enforcement officer is seeking to apprehend a specific suspect whose race, ethnicity, or national origin is part of the description of the suspect, and the description is thought to be reliable

and locally relevant.

SECTION 2. Prohibition on racial profiling.

(a) No member of the Arkansas State Police, Arkansas Highway Police, a sheriff's department, a municipal police department, constable, or any other law enforcement officer of this state shall engage in racial profiling.

(b) The detention of an individual based on any noncriminal factor or combination of noncriminal factors is inconsistent with this policy.

SECTION 3. Policies.

(a) Not later than January 1, 2004, the Arkansas State Police, Arkansas Highway Police, all sheriffs' departments, municipal police departments, constables, and all other law enforcement agencies of this state shall adopt a written policy that:

(1) Prohibits racial profiling as defined in section 1 of this act;

(2) Requires that law enforcement officers articulate reasonable suspicion prior to a stop, frisk, arrest, or detention;

(3) Defines reasonable suspicion, to ensure that individuals are stopped for valid reasons, and that race, ethnicity, national origin, or religion are not a basis for stops for violations for which other nongroup members would not be stopped;

(4) Requires law enforcement officers to identify themselves by full name and jurisdiction, and proffer written identification;

(5) Provides for a regular review by the law enforcement agency of the annual report of the Profiling Advisory Committee required by this act;

(6)(A) Provides for a systematic review process for investigating allegations of racial profiling to determine whether any officers of the law enforcement agency have a pattern of stopping or searching members of minority groups; and

(B) If the review reveals a pattern, requires an investigation to determine whether any officers of the law enforcement agency routinely stop persons on the basis of race, ethnicity, national origin, or religion as a pretext for investigating other violations of criminal law;

(7) Provides, where a supervisor or other reviewer has detected a pattern of racial profiling, timely assistance, remediation, or discipline for individual law enforcement officers who have been found to be profiling by race, ethnicity, national origin, or religion;

(8) Ensures that supervisors will not retaliate against officers who report racial profiling by others;

(9) Provides for the creation, maintenance, and disposition of documents evidencing a traffic or pedestrian stop; and

(10) Provides standards for the use of in-car audio and visual equipment, including the duration for which the recordings are preserved.

SECTION 4. Training.

(a) Each law enforcement agency shall provide annual training to all officers that:

(1) Emphasizes the prohibition against racial profiling;

(2) Ensures that operating procedures adequately implement the prohibition against profiling and that their law enforcement personnel have copies of, understand, and follow the operating procedures; and

(3) Includes foreign language instruction when appropriate, to ensure adequate communication with residents of a community.

(b) The course or courses of instruction and the guidelines shall stress understanding and respect for racial, ethnic, national, religious, and cultural differences, and development of effective and appropriate methods of carrying out law enforcement duties.

SECTION 5. Data.

(a) Commencing January 1, 2004, the Arkansas State Police, Arkansas Highway Police, each sheriff's department, municipal police department, constable, and any other law enforcement agency of this state shall collect from each police officer who stops a driver of a motor vehicle or a pedestrian the following information:

- (6) The basis for a search, if one was conducted;
- (7) If the individual consented to the search;
- (8) Whether any person or persons were searched;
- (9) Whether any person's property was searched, and the scope of the search;
- (10) Whether any contraband or other property was discovered in the course of the search, the type of any contraband discovered, and whether any contraband or other property was seized;

SECTION 6. Audits.

(e)(1) The report authorized under this section shall include a multivariate analysis of the collected data in accordance with general statistical standards.

(f)(1) After the effective date of this act, the committee, shall obtain the services of an organization, company, person, or other entity with sufficient expertise in the field of statistics to assist with the implementation of this act.

(2) The organization, company, person, or other entity so retained shall assist the committee with the design of the methodology for gathering statistics, monitoring compliance, and conducting a statistical analysis at the conclusion of each year to determine the extent to which racial profiling exists within the state.
