(ii) Eight percent (8%) of the Waste Tire Grant Fund that is set aside for supplemental aid under § 8-9-405(e).

(B) Provided, however, the tire retailer may retain five percent (5%) of the fee levied by subdivision (a)(2)(A) of this section as an administrative cost.

(c)(1)(A) Grant funds for waste tire management programs shall be distributed to the regional solid waste management boards based on the following formula:

(i) Step 1: Determine the total number of automobile tires sold in the state during the previous calendar year by dividing the dollar amount collected for each retail automobile tire sale into the total fees collected by the Department of Finance and Administration during the previous calendar year;

(ii) Step 2: Determine the statewide per capita tire sales by dividing the total number of tires sold by the total state population as determined by the most recent census; and

(iii) Step 3: Determine the amount of grant funds available for each district by multiplying the statewide per capita tire sales by the district population, as determined by the most recent census, by the dollar allowance available per tire.

(B) The formula shall be updated each year with the tire sales from the previous year.

(2) To be eligible to receive waste tire management grant funds, regional solid waste management boards shall provide the department with quarterly financial and progress reports, as determined by the department.

(3) Distribution of grant funds shall be based upon moneys available in the fund and upon approved quarterly financial reports. Such reports shall show funds expended on waste tire projects during the previous quarter and expenses expected on waste tire projects during the next quarter and any other information as determined by the department. Accordingly, and upon department approval, quarterly distributions shall be made to the boards.

SECTION 5. Arkansas Code § 8-9-405(e), concerning waste tire grants, is amended to read as follows:

(e) The department shall expand the waste tire grant program by setting aside a portion, not to exceed ~~ten percent (10%)~~ eight percent (8%) of the Waste Tire Grant Fund available, other than those fees established in § 8-9-404(a)(2)(B), to regional solid waste management districts, in order to provide supplemental aid wherever needed.

SECTION 6. This act shall become effective on the first day of the calendar month following the ninetieth day after the sine die adjournment of this session or the first day of the calendar month following the ninetieth day after a recess or adjournment for a period longer than ninety (90) days.”
