(2) Distribution of all grants and aids from the state for which the school district, local education agency, or education service cooperative may be eligible shall be suspended until the requirements of this subchapter are met.

(c)(1) School district, local education agency, and education service cooperative budgets filed pursuant to this section shall be reviewed by the auditors of the financial accountability office of the department to determine if the requirements of state law and the rules of the state board regarding the use of school, local education agency, and education service cooperative funds and expenditure requirements are being met.

(2) Upon approval by the auditors, copies of the approved budget shall be filed with the school district, local education agency, education service cooperative, the county treasurer if serving as school treasurer, and the department.

(2) The department shall submit a list of all required financial accountability reports along with due dates to each school district, local education agency, and education service cooperative by July 1 of each year.

(f) The state board shall promulgate the necessary rules to fully implement the provisions of this section.

(g) The Treasurer of State shall withhold the monthly distribution of county aid provided under § 19-5-602(b) from any county that fails to provide in a timely manner information to the department concerning the annual abstract of assessment for each school district located wholly or in part in the county.

(B) The superintendent or education service cooperative director shall notify the person by certified mail, return receipt requested, and the person shall be unable to continue in his or her position from the date of receipt of notification by the superintendent or education service cooperative director.

(6) If the person is unable to obtain the required training because of military service or illness as verified by a written sworn statement of the person's attending physician, the department shall grant an extension permitting the person additional time to obtain the required training. The issuance of an extension shall not constitute a citation against the school district as measured by the Standards for Accreditation of Arkansas Public Schools issued by the department or the education service cooperative and shall not operate to remove the person from his or her job.
