(2) The board shall have the authority to deny a license or church-operated exemption to any applicant found to have any record of founded child maltreatment in the official record of the registry.

(3)(A) Any person required to be checked under this section who is found to have any record of child maltreatment in the official record of the registry shall be reviewed by the owner or operator of the facility in consultation with the board to determine appropriate corrective action measures which would indicate, but are not limited to, training, probationary employment, or nonselection for employment.

(B) The board shall also have the authority to deny a license or church-operated exemption to an applicant who continues to employ a person with any record of founded child maltreatment.

(4) All persons required to be checked with the registry under this subsection shall repeat the check every two (2) years, except that adoptive parents who reside in Arkansas shall repeat the check every year pending court issuance of a final decree of adoption, at which point repeat checks shall no longer be required.

(b)(1) Each of the following persons in a child welfare agency who has lived in Arkansas continuously for six (6) years or more shall be checked with the Identification Bureau of the Department of Arkansas State Police for convictions of the offenses listed in this subchapter in compliance with policy and procedures promulgated by the board:

(B) Failure to maintain that evidence on file will be prima facie grounds to revoke the license or church-operated exemption of the owner or operator of the child welfare agency.

(3) All persons required to be checked with the Department of Arkansas State Police under this subsection shall repeat the check every five (5) years, except that adoptive parents shall not repeat the check after court issuance of

a final decree of adoption in the adoption case for which the check was obtained.

(4) Adoptive parents shall complete background checks as required by law.

(c)(1) Each of the following persons in a child welfare agency who has not lived in Arkansas continuously for the past six (6) years shall be checked with the Federal Bureau of Investigation for convictions of the offenses listed in this subchapter, in compliance with federal law and regulations and with policy and procedures promulgated by the board:

(D) An owner having direct and unsupervised contact with children; and

(E) A member of the agency's board of directors having direct and unsupervised contact with children.

(2)(A) The owner or operator of a child welfare agency shall maintain on file, subject to inspection by the board, evidence that the Federal Bureau of Investigation's criminal records checks have been initiated on all persons required to be checked and the results of the checks.

(B) Failure to maintain that evidence on file will be prima facie grounds to revoke the license or church-operated exemption of the owner or operator of the child welfare agency.

(d)(1) Each person required to have a criminal records check under this subchapter shall complete a criminal records check form developed by the Department of Human Services and shall sign the form which contains the following under oath before a notary public:

(A) Certification that the subject of the check consents to the completion of the check;

(B) Certification that the subject of the check has not been convicted of a crime and, if the subject of the check has been convicted of a crime, contains a description of the crime and the particulars of the conviction;

(C) Notification that the subject of the check may challenge the accuracy and completeness of any information in any report and obtain a prompt determination as to the validity of the challenge before a final determination is made by the board with respect to his or her employment status or licensing status;

(D) Notification that the subject of the check may be denied a license or exemption to operate a child welfare agency or may be denied unsupervised access to children in the care of a child welfare agency due to information obtained by the check which indicates that the subject of the check has been convicted of, or is under pending indictment for, a crime listed in this subchapter; and

(E) Notification that any background check and the results thereof shall be handled in accordance with the requirements of Pub. L. 92-544.

(2) The owner or operator of the child welfare agency shall submit the criminal records check form to the Identification Bureau of the Department of Arkansas State Police for processing within ten (10) days of hiring the employee, who shall remain under conditional employment until the registry check and criminal records checks required under this subchapter are completed.

(3) Nothing in this section shall be construed to prevent the board from denying a license or exemption to an owner or preventing an operator or employee in a child welfare agency from having unsupervised access to children by reason of the pending appeal of a criminal conviction or child maltreatment determination.

(4) In the event a legible set of fingerprints as determined by the Department of Arkansas State Police and the Federal Bureau of Investigation cannot be obtained after a minimum of three (3) attempts by qualified law enforcement personnel, the board shall determine eligibility based upon a name check by the Department of Arkansas State Police and the Federal Bureau of Investigation.

(B)(i) Pursuant to this subchapter, false swearing shall occur when a person while under oath provides false information or omits information that the person knew or reasonably should have known was material.

(ii) Lack of knowledge that information is material is not a defense to a charge of false swearing.

(C) For purposes of this subchapter, false swearing is a Class A misdemeanor.
