~~(b) Beginning on October 1, 2003, local school districts shall pay the health insurance contribution rate of one hundred twenty-two dollars (\$122) per month for each eligible employee electing to participate in the public school employee health insurance program.~~

~~(e)(a)~~ Beginning on October 1, 2004, local school districts shall pay the health insurance contribution rate of one hundred thirty-one dollars (\$131) per month for each eligible employee electing to participate in the public school employee health insurance program.

(b)(1) The Department of Education shall pay the Employee Benefits Division of the Department of Finance and Administration sixty-one dollars (\$61) per month for each eligible employee of a public school district electing to participate in the public school employees' health insurance program administered by the State and Public School Life and Health Insurance Board.

(2) The funds provided to the Employee Benefits Division of the Department of Finance and Administration under this subsection (b) shall be administered by the State and Public School Life and Health Insurance Board for the benefit of the employee participants of the public school employees' health

insurance program.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the cost of insurance coverage can be an impediment to teachers pursuing a career in the public school system; that school districts more easily recruit and maintain quality teachers if health insurance benefits are improved; and that this act will provide such necessary improvements to current benefits coinciding with the beginning of the fiscal year and school year. Therefore, an emergency is declared to exist and this act being necessary for the preservation of the public peace, health, and safety shall become effective on July 1, 2005."
