Immediately following SECTION 2, add a new section to read as follows:

"SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that under current law broad discretion is given to local governing bodies concerning the purposes for which a redevelopment district may be created; that redevelopment districts are being created that are not consistent with the purposes of Arkansas law governing the creation of redevelopment districts; that local governing bodies need standards in order to ascertain if proposed redevelopment plans meet the purposes for which they are being created; and that this act is immediately necessary because it provides local governing bodies with necessary standards in order to comply with the purposes of creating redevelopment districts. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."
