AND

Delete everything after the Enacting Clause and substitute the following:

“SECTION 1. Arkansas Code § 2-4-101 is amended to read as follows:

2-4-101. Purpose.

It is the declared policy of the state to conserve, protect, and encourage the development and improvement of its agricultural ~~land~~ and forest lands and other facilities for the production of food, fiber, and other agricultural and silvicultural products. When nonagricultural land uses extend into agricultural areas, agricultural operations often become the subject of nuisance suits. As a result, agricultural operations are sometimes forced to cease operations. Many others are discouraged from making investments in farm or other agricultural improvements. It is the purpose of this chapter to reduce the loss to the state of its agricultural resources by limiting the circumstances under which agricultural operations may be deemed to be a nuisance.

SECTION 2. Arkansas Code § 2-4-102 is amended to read as follows:

2-4-102. Definition.

~~As used in this chapter, unless the context otherwise requires, "agricultural facility" or "facility" means, but is not limited to, any plant, facility, structure, or establishment used for the feeding, growing, production, holding, processing, storage, or distribution for commercial purposes of crops, livestock, poultry, swine, or fish, or products derived from any of them.~~

As used in this chapter:

(1) “Agricultural operation” or “farming operation” means an agricultural, silvicultural, or aquacultural facility or pursuit conducted, in whole or in part, including:

(A) The care and production of livestock and livestock products,

poultry and poultry products, apiary products, and plant and animal production for nonfood uses;

(B) The planting, cultivating, harvesting, and processing of crops and timber; and

(C) The production of any plant or animal species in a controlled freshwater or saltwater environment; and

(2) "Agriculture" includes agriculture, silviculture, and aquaculture.

SECTION 3. Arkansas Code § 2-4-104 is repealed.

~~2-4-104. Nonapplicable to certain facilities.~~

~~This chapter shall not apply to an agricultural facility which materially changes its character of operation or materially increases the size of its physical plant.~~

SECTION 4. Arkansas Code § 2-4-105 is amended to read as follows:

2-4-105. Local ordinances void.

Any and all ordinances adopted by any municipality or county in which an agricultural ~~facility~~ operation is located making or having the effect of making the agricultural operation ~~of~~ or any agricultural facility or its appurtenances a nuisance or providing for an abatement thereof as a nuisance in the circumstances set forth in this chapter are void and shall have no force or effect.

SECTION 5. Arkansas Code § 2-4-107 is amended to read as follows:

2-4-107. ~~Facility~~ Operation not to become nuisance.

(a) An agricultural facility, its appurtenances, or the operation thereof operation or its facilities or appurtenances shall not be or become a nuisance, private or public, as a result of any changed conditions in and about the locality after it has been in operation for a period of one (1) year or more when the facility, its appurtenances, or the operation thereof was agricultural operation or its facilities or appurtenances were not a nuisance at the time the operation began.

6-20-107. Educational cost reimbursement prohibition.

(a) As used in this section, "juvenile" means a person who is eighteen (18) years old or less.

(b) The Department of Education, a public school district, or an open-enrollment charter school shall not be liable for any educational costs or other related costs associated with the placement of a juvenile in an out-of-state residential or inpatient facility for any care and treatment, including psychiatric treatment, unless:

(1) At the time of placement:

(A) The juvenile qualifies as disabled under the Individuals with Disabilities Education Act, 20 U.S.C. § 1400 et seq.; and

(B) Payment is required under the Individuals with Disabilities Education Act; and

(2) The Department of Education authorizes public payment for educational costs based on a determination that the educational program and facilities are appropriate for the juvenile and the Department of Education has approved the facility's educational program; and

(3) Each program authorization must precede the placement and if the program is not authorized prior to placement, the Department of Education, public school districts, or open-enrollment charter schools shall not be responsible for

education or other related costs, nor shall they be subject to any order to pay for educational or other related costs.

(c) The department, a public school district, or an open-enrollment charter school shall not be liable for any educational costs or other related costs associated with the placement of a juvenile in an in-state residential or inpatient facility for any care and treatment, including psychiatric treatment, unless:

(1) The Department of Education authorizes public payment for educational costs based on a determination that the educational program and facilities are appropriate for the juvenile and the Department of Education has approved the facility's educational program; and

(d) The liability of the department, a public school district, or an open-enrollment charter school for the educational costs or other related costs described in subsections (a) and (b) of this section shall be limited to the lesser of:

(1) The reimbursement rate established by the department for a juvenile placed in a residential or inpatient facility; or

(2) The normal and customary educational cost reimbursement rate of the state in which a juvenile is placed in an out-of-state residential or inpatient facility as determined by the department.

(e) This section shall not apply to a juvenile placed in an Arkansas juvenile detention facility as defined in § 6-20-104.

(f) Nothing in this section shall be construed to require payment by the department, a public school district, or an open-enrollment charter school for educational costs and other related costs associated with the placement of a juvenile in an out-of-state residential or inpatient facility for any care or treatment, including psychiatric treatment, prior to the effective date of this section.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that certain out-of-state parties are seeking to make legal claims for educational resources otherwise to be provided to Arkansas public schools; that these legal claims may jeopardize or negatively impact the adequacy of public education funding and resources; and that immediate passage of this act is necessary to ensure the appropriate management of educational services and related costs associated with juveniles placed in a residential or inpatient facility for any care or treatment, including psychiatric

treatment. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."
