"SECTION 1. DO NOT CODIFY. Legislative findings. The General Assembly finds that:

(1) In 2009, four hundred forty-seven (447) people died while riding in passenger vehicles in Arkansas and sixty-one percent (61%) of those who died, where use was known, were not wearing a seat belt;

(2) Of those who died, forty-four (44) individuals were passengers in the back seat and sixty-four percent (64%) were not wearing a seat belt;

(3) According to the National Highway Traffic Safety Administration, in 2009 approximately eleven (11) lives were saved because of seat belt use by rear seat passengers;

(4) According to a 2007 study by the National Highway Traffic Safety Administration, seat belt use is much higher among back seat passengers in states that require seat belt use in all seating positions, averaging eighty-eight percent (88%) in states that cover all seats and sixty-nine percent (69%) in states requiring only front seat use;

(5) Thirty-one (31) states, the District of Columbia, and five (5) territories have primary seat belt laws, and of those, twenty-four (24) cover all seating positions;

(6) Arkansas's seat belt use rate has increased from seventy and four-tenths percent (70.4%) before the primary seat belt law went into effect in 2009 to seventy-eight and three-tenths percent (78.3%) in 2010; however, we are still below the national average of eighty-five percent (85%);

(7) The Governors Highway Safety Association, the National Highway Traffic Safety Administration, and the National Transportation Safety Board all support the policy that states should adopt seat belt laws that cover all seats; and

(8) By amending the mandatory seat belt law to cover back seat passengers, Arkansas can expect to increase overall seat belt use in the state and save additional lives, prevent serious injuries, and save additional economic costs each year.

"SECTION 1. Arkansas Code § 24-5-101, regarding definitions under the Arkansas State Highway Employees' Retirement System, is amended to add an additional subdivision to read as follows:

(14) "Actuarial equivalent" means a benefit of equal reserve value when reserve is the present value of all payment to be made on account of any benefit based upon such reasonable rate of interest and table of experience as a plan shall adopt from time to time.

SECTION 2. Arkansas Code § 24-5-111 is repealed.

~~24-5-111. Credit for prior service with public employer.~~

~~(a) Any employee of the Arkansas State Highway and Transportation Department who became a member of the Arkansas State Highway Employees' Retirement System on or before July 1, 1967, upon application and submission of proper proof to the Board of Trustees of the Arkansas State Highway Employees' Retirement System, shall receive prior service credit for any service rendered to any public employer, as defined in § 24-4-101, prior to July 1, 1967.~~

~~(b) Before any member or employee is credited with such prior service, the member or employee shall pay into the system an amount equal to that which the member would have paid had the service to be credited been performed for the department, together with such interest as may be prescribed by the board.~~

~~(c) It is the purpose of § 24-5-110 and this section to protect employees and to provide that employees will not lose their status or retirement benefits by changing employment from one (1) state department to another state department and that employment by the Arkansas State Highway and Transportation Department and other departments shall be cumulative in calculating retirement benefits.~~

SECTION 3. Arkansas Code § 24-5-117, regarding benefits and withdrawal from service under the Arkansas State Highway Employees' Retirement System, is amended to add an additional subsection to read as follows:

(c) The payment of the cost of the refunded service shall be based on an actuarial equivalent as prescribed by the board if a member:

(1) Is reemployed by a state employer;

(2) Has received a refund from the Arkansas State Highway Employees' Retirement System; and

(3) Seeks to reinstate time withdrawn.

SECTION 4. Arkansas Code § 24-5-121 is repealed.

~~24-5-121. Life annuities for surviving spouse — Return of funds previously withdrawn.~~

~~(a)(1) The surviving spouse of any person who had twenty (20) or more years of creditable service under the Arkansas State Highway Employees' Retirement System and who died subsequent to July 1, 1969, but on or before April 1, 1971, while drawing benefits under the system shall be entitled to receive a life annuity equal to forty two and one half percent (42.5%) of the annuity which the deceased member was receiving at the time of death.~~

~~(2) The surviving spouse shall be entitled to receive the benefits provided for in this section from the date application therefor is made to the Board of Trustees of the Arkansas State Highway Employees' Retirement System.~~

~~(b) If any surviving spouse of a deceased member who is otherwise entitled to receive an annuity under the provisions of this section has withdrawn any portion of the employee contributions made to the system by the deceased member, the surviving spouse shall return the funds so withdrawn with interest at the rate of three percent (3%) from the date withdrawn to the date returned to the system.~~

SECTION 5. Arkansas Code § 24-5-123(a)(5), regarding credit for military service, is amended to read as follows:

(5) ~~Contributes to the members' deposit account a sum of money equal to the amount that would have been contributed during the term of military service allowable, based upon the biweekly earnings of the member at the time the member first reinstates membership in the system after completing the period of active military service times a rate equal to the sum of the contribution rates for both the member and the employer at the time the membership was first reinstated after completion of the active military service~~ an amount based on an actuarial equivalent as prescribed by the Board of Trustees of the Arkansas State Highway Employees' Retirement System.

SECTION 6. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that certain provisions of the Arkansas State Highway Employees' Retirement System law are in urgent need of revision to bring them into conformance with sound public pension policy; that this revision is of great importance to members of the Arkansas State Highway Employees' Retirement System and to other citizens of the State of Arkansas; that a member's purchase of service credit currently provides that a member pay the system yesterday's dollars for the value of today's benefits; that such a valuation is unfair to the members as a whole and inconsistent with the prudent management of the system's funds and obligations; that the purchase of service credit in the system

should be based upon actuarial equivalents; that the purchase of service credit should be paid in a lump sum to the system unless otherwise authorized; that current service purchase accounts remain unpaid and inactive for many years at a time and create an administrative burden and accounting difficulty on the system that can be remedied by the passage of this act; and that this act is necessary to maintain an orderly system of benefits for the members of the Arkansas State Highway Employees' Retirement System. Therefore, an emergency is declared to exist and this act being necessary for the preservation of the public peace, health, and safety shall become effective on July 1, 2011."
