(3) For members who are participating in the deferred retirement option plan on June 30, 2011, the rate of interest shall not be changed.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that there are members currently participating in the Arkansas Public Employees' Retirement System Deferred Retirement Option Plan who based the decision to retire on the interest rate of the deferred plan; that these members are depending on this interest rate to provide them with the necessary retirement funds; that decreasing the interest rate will severely limit the amount of money that can be saved prior to their cessation of work; and that the Arkansas Public Employees' Retirement System is planning to cut the interest rate on July 1, 2011. Therefore, an emergency is declared to exist and this act being necessary for the preservation of the public peace, health, and safety shall become effective on June 1, 2011."

SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the highways, roads, streets, and bridges of this state are in dire need of construction, reconstruction, and maintenance; that well-maintained roadways are necessary for economic development in this state; that dedicating a portion of the general revenue that represents the sales and use tax on motor vehicle repair and the retail sale of motor vehicle tires is necessary to help pay for the construction, reconstruction, and maintenance of our roadways; that dedicating the sales and use tax from the sale of new and used motor vehicles will be needed in order to construct, reconstruct, and repair those roadways; and that in order to lessen the loss of this money from general revenue, the transfer of these taxes will be phased in over a ten-year period. Therefore, an emergency is declared to exist and this act being necessary for the preservation of the public peace, health, and safety shall become effective on July 1, 2011.
