Upon motion of Representative Allen, **HOUSE BILL NO. 2100** was placed back on second reading for the purpose of amendment.

AMENDMENT NO. 1 TO HOUSE BILL NO. 2100

Amend **HOUSE BILL NO. 2100** as originally introduced:

Delete everything after the enacting clause and substitute the following:

"SECTION 1. DO NOT CODIFY. Routine HIV Screening Interim Study.

(a) The House Committee on Public Health, Welfare, and Labor and the Senate Committee on Public Health, Welfare, and Labor shall study barriers to HIV testing that contribute to the inability to reduce the incidence of HIV infection in Arkansas.

(b) The House Committee on Public Health, Welfare, and Labor and the Senate Committee on Public Health, Welfare, and Labor shall study without limitation the following:

(1) Provider-related and patient-related factors may act as barriers and prevent health care providers from testing for HIV;

(2) How the acceptance rates among patients can be assessed to understand reasons for opting out of HIV screening;

(3) How state law may be clarified regarding informed consent for adolescents seeking HIV testing and pretesting and posttesting requirements;

(4) The health care settings that could effectively implement routine HIV screening; and

(5) The billing-related obstacles that might prevent routine, voluntary HIV screenings.

(c) The committees may consider the following:

(1) Although African Americans compose thirteen percent (13%) of the state's population, yet they compose forty-three percent (43%) of the 2010 HIV cases in the state and fifty percent (50%) of the 2010 AIDS cases;

(2) There is evidence that indicates that health care providers often do not test for HIV, even in the presence of symptoms;

(3) For individuals who lack health insurance and lack access to health care, the opportunity to engage in HIV screening is even further reduced;

(4) These barriers to HIV testing contribute to the inability to reduce the incidence of HIV infection and make it even more difficult for individuals from ethnic minority groups who are diagnosed significantly late in the disease;

(5) Late diagnosis increases the risk for the development of the life-threatening infections and most importantly also increases the risk for transmission of HIV to others;

(6) There is evidence that once an individual knows his or her HIV status, that individual is significantly less likely to engage in behaviors that might transmit HIV to another person;

(7) There is a need for HIV testing to become a readily available routine screening procedure that can be easily accessed by the general public;

(8) Easily accessible disease prevention and health screening services currently exist for other infectious and chronic diseases;

(9) For example, one can obtain an influenza vaccine, have one's blood pressure checked, or have one's blood glucose or cholesterol measured while at the grocery store, a school activity, or a sporting event, but no such ready access to HIV screening exists in Arkansas;

(10) The Centers for Disease Control and Prevention has recommended routine, HIV screening for every person between the ages of thirteen (13) and sixty-four (64) in any health care setting, with no requirement for separate written consent or pretest counseling; and

(11) By making HIV screening a part of routine medical care, consent to HIV testing is inferred, unless the individual declines testing.

(d) The House Committee on Public Health, Welfare, and Labor and the Senate Committee on Public Health, Welfare, and Labor may invite the Arkansas Minority Health Commission to assist the committees with completing this study.

(e) The House Committee on Public Health, Welfare, and Labor and the Senate Committee on Public Health, Welfare, and Labor shall present final findings concerning this interim study and recommendations for legislation to the Governor and the Legislature Council on or before December 1, 2012."

(2) The circuit clerk shall then select the one hundredth voter registrant appearing on the list after the starting number. As an example, if the starting number is sixty-seven (67), which is the first selection, the second selection would be the one hundred sixty-seventh registered voter, the third selection would be the two hundred sixty-seventh registered voter, and so forth until the current

0 to 1,999	250 or 50% of the registered voters, whichever is smaller	

~~(e)(d)(1)~~ (1) After the list of prospective jurors has been submitted by the circuit clerk, the circuit judge ~~may~~, in the exercise of his or her discretion, may authorize clerical assistance in preparing the alphabetized master list and separate cards, chips, disks, or other appropriate means of including the names and addresses of the prospective jurors in the wheel or box.

(2) The expense of this clerical help shall be paid by the county as an expense of the administration of justice.

(3) Clerical employees shall take the following oath:

“I will not make known to anyone the names of the prospective jurors who have been selected and I will not, directly or indirectly, converse with anyone selected as a juror concerning the merits of any proceeding pending or likely to come before the grand jury or court until after the case is tried or otherwise finally disposed of.”

~~(d)(e)~~ (e) Subsections (a)-~~(e)(d)~~ of this section shall be applicable to all circuit courts and counties within the state that are not using a computerized random jury selection process.

~~(e)~~(f)(1)(A) All circuit clerks who maintain on computers ~~voter registration~~ lists of persons described in subsection (a) of this section or the enhanced list of prospective jurors authorized by § 16-32-302, whether in-house or contracted, may utilize the computers and associated equipment for the purpose of selecting jury panels from the ~~voter registration~~ lists of persons described in subsection (a) of this section or the enhanced list of prospective jurors instead of compiling a master list under subsections (a)-~~(e)~~(d) of this section if the computer program is capable of randomly selecting names for the jury panels from the ~~voter registration~~ lists of persons described in subsection (a) of this section or enhanced list of prospective jurors.

(B) If the computer program is not capable of randomly selecting names for the jury panels from the ~~voter registration~~ lists of persons described in subsection (a) of this section or enhanced list of prospective jurors, the clerks may use the computers and associated equipment for the purpose of creating the master list under subsections (a)-~~(e)~~(d) of this section.

(2) The master list of jurors' names and addresses shall not be available for public inspection, publication, or copying, but it may be examined in the presence of the circuit judge by litigants or their attorneys who desire to verify that names drawn from the wheel or box were placed there in the manner provided in this act by the commissioners.

(3)(A) In counties where jury selection is conducted by a computerized random process, the source list of potential jurors' names and addresses shall not be available for public inspection, publication, or copying.

(B) The source list may be examined in the presence of the circuit judge by litigants or their attorneys who desire to verify that names randomly selected by computer were selected from the list.

SECTION 3. Arkansas Code § 16-32-301 is amended to read as follows:

(2) The Department of Finance and Administration, the Arkansas Crime Information Center, the Department of Health, and the Administrative Office of the Courts shall assist the Secretary of State in developing a process whereby the Secretary of State will create a merged list from the voter registration list, the list of state income tax filers, the list of licensed drivers, and persons issued identification cards under § 27-16-805, who are citizens of the United States and who will be eighteen (18) years of age or older at the time the list is provided to the counties or the Administrative Office of the Courts.

(3)(A) In order to improve the quality of the enhanced list of prospective jurors and to decrease the cost of summoning potential jurors, the Arkansas Crime Information Center and the Administrative Office of the Courts are authorized to provide information to the Secretary of State and the Department of Finance and Administration to identify which voters, state income tax filers, licensed drivers, and persons issued identification cards under § 27-16-805 have been convicted of a felony and have not been pardoned.

(B) The Department of Health is authorized to provide information to the Secretary of State and the Department of Finance and Administration in order to identify which voters, state income tax filers, licensed drivers, and persons issued identification cards under § 27-16-805 are deceased, have changed names, or have been married or divorced.

(C) The Secretary of State is authorized to provide information to enable the deletion of inactive voters from the list of registered voters for purposes of creating the enhanced jury list.

(4) The Arkansas Crime Information Center, the Administrative Office of the Courts, and the Department of Health are authorized to provide as much information as they agree is necessary and possible to enable the Secretary of State to compile the most accurate, timely, and complete merged list of voters, state income tax filers, licensed drivers, and persons issued identification cards under § 27-16-805, who are citizens of the United States, eighteen (18) years of age or older, are still living, and who have not been convicted of a felony and have not been pardoned.

SECTION 5. Arkansas Code § 16-34-106(b)(3)(C), regarding the dates a county may request reimbursement for costs incurred for a payment under § 16-34-103(b)(1), is amended to read as follows:

“estate taxes as set out in Arkansas Code 19-6-301(171);

(e) The sum of ten million five hundred thousand dollars (\$10,500,000), or so much thereof as is available remaining in the 87th Session Projects Account of the General Improvement Fund from funds set aside in (a)(1) of Section 3 of Act 1442 and Act 1443 of 2009.”

AND

Insert additional SECTIONS immediately following SECTION 2 to read as follows:

“ SECTION 3. Of those moneys accruing to the 88th Session Projects Account of the General Improvement Fund as set out in Section 2 of this Act, the State Treasurer shall first set-aside twenty six million four hundred thousand three hundred and twelve dollars (\$26,400,312). In the event the amount of funds actually transferred to the 88th Session Projects Account by Section 2 (e) of this Act is less than ten million five hundred thousand dollars (\$10,500,000) the State Treasurer shall adjust the amount first set aside to the amount less than ten million five hundred thousand dollars (\$10,500,000) actually transferred. In no event shall the State Treasurer decrease the amount first set aside by more than ten million five hundred thousand dollars (\$10,500,000). Such funds set-aside and made available under this section shall be used for any project or portion thereof enumerated within subsection (a) or (d) so long as the projects enumerated in subsections (a)(2) and (a)(3) are fully funded by June 30, 2013, but not to exceed the amount set out in subsection (a) for the project. The Chief Fiscal Officer of the State shall notify the Arkansas Legislative Council or the Joint Budget Committee of the release of funds for projects enumerated in subsection (a) at the same time that the Department of Finance and Administration is notified.

(a)(1) For transfers, from time to time, to the various fund and fund accounts in the Revenue Stabilization Law as amended, or for transfers, from time to time, for projects in the Executive Discretionary Division (d), upon approval by the Arkansas Legislative Council or Joint Budget Committee, a sum not to exceed ten million five hundred thousand dollars (\$10,500,000), or so much thereof as is transferred as authorized in Section 2 (e) of this Act;

(2) Department of Correction, for lease payments for Department Facilities, \$13,000,000;

(3) Department of Education - General Education Division, APSCN, for Repayment of Loan to Teacher Retirement System, \$2,900,312.

(b) Then the Treasurer of State shall first make monthly allocations on the basis of eighty percent (80.00%) of the total available funds to the Executive Discretionary Division as set out in subsection (d) and the remainder of the total available funds to the Legislative Division listed in subsection (c). The Legislative Division funds shall be used to provide funds to each project enumerated in subsection (c) of this section in proportion that each project's allocation bears to the total of the allocations of all projects enumerated in subsection (c). Additional funds that may be received by the General Improvement Fund after the projects in subsection (c) have been fully funded shall remain in the General Improvement Fund for such purpose as may be enacted by law, but shall not be a part of the 88th Session Projects Account. Funds made available to the Executive Discretionary Division may be used for any project or portion thereof enumerated within the Executive Discretionary Division but not to exceed the amount set out in subsection (d) for the project.
