ARKANSAS SENATE
EIGHTY-EIGHTH GENERAL ASSEMBLY
REGULAR SESSION
Amendment No. 1 to SENATE BILL NO. 914

Amend **Senate Bill No. 914** as originally introduced:

Page 1, delete all the language after the enacting clause and substitute the following:

"SECTION 1. Arkansas Code § 6-18-206(a), concerning public school choice, is amended to read as follows:

(a)(1) This section may be referred to and cited as the "Arkansas Interdistrict Public School Choice Act of 1989 2011".

(2) The General Assembly finds that the guiding principle in all decisions regarding public elementary and secondary education in the state is the pursuit of educational excellence and the best interest of each individual student, within the principles established by the Constitution of the United States and the Arkansas Constitution.

(3) The General Assembly further finds that decisions involving public education and the best interest of each individual student should be assessed with respect to historical intentional discrimination on the bases of race, racially segregated school districts, and school districts subject to federal remedial court orders to desegregate student assignments.

(4) The General Assembly further finds that the students in Arkansas's public schools and their parents or guardians will become more informed about and involved in the public educational system if students and their parents or guardians are provided greater freedom to determine the most effective school for meeting their individual educational needs. There is no right school for every student, and permitting students to choose from among different schools with differing assets will increase the likelihood that all students will receive the best education and some marginal students will stay in school and that other, more motivated students will find their full academic potential.

~~(3)~~(5) The General Assembly further finds that giving more options to parents and students with respect to where the students attend public school will increase the responsiveness and effectiveness of the state's schools since teachers, administrators, and school board members will have added incentive to satisfy the educational needs of the students who reside in the district.

~~(4)~~(6) The General Assembly therefore finds that these benefits of enhanced quality and effectiveness in our public schools justify permitting a student to apply for admission to a school in any district beyond the one in which the student resides, provided that the transfer by this student would not adversely affect the desegregation of either district.

~~(5)~~(7) The following forty-eight (48) school districts under desegregation orders may be exempt from the public school choice requirements of this section if the school board of directors of the school district determines that the public school choice provisions of this section are inconsistent with the desegregation obligations of the district:

A determination made by a school board of directors under this subdivision shall be irrevocable for three (3) years from the date the determination was made. After three (3) years the school board of directors may choose to participate in public school choice under this section if the school district has fully complied with all desegregation obligations and the school district's participation will not conflict with any federal court-ordered desegregation programs. A school district that participates in public school choice under this section shall notify the Department of Education by June 1 before the school year implementing public school choice that the school board of directors has elected to participate.

(8)(A) A school district under a desegregation order issued by a federal court may be exempt from this section if the federal court determines that the

requirements of public school choice under this section are inconsistent with the desegregation obligations of the school district.

(B) A school district exempt from this section shall not receive or transfer students except by legal transfer with an approving nonresident school district under subdivisions (a)(9) and (10) of this section or under § 6-18-227.

(9) At the discretion of a school district exempt under subdivision (a)(7) of this section, if it is in the best educational, social, or psychological interest of an individual student, the school district may approve the legal:

(A) Enrollment of an individual nonresident student into the school district; or

(B) Transfer of an individual resident student from the school district.

(10) Legal enrollment or legal transfer of a student under subdivision (a)(9) of this section shall be considered a legal transfer under § 6-18-227 and shall be the only basis for the legal enrollment or legal transfer of a student from a school district exempted from school choice under this section.

(11) A public school choice program is hereby established to enable any student to attend a school in a district in which the student does not reside, subject to the restrictions contained in this section.

SECTION 2. Arkansas Code § 6-18-206(b)(1)(B)(iv), concerning the duration of transfer, is amended to read as follows:

(iv)(a) Any student who accepts a public school choice transfer may return to his or her resident district during the course of ~~the~~ any school year.

(b) If a transferred student returns to his or her resident district during the school year, the student's transfer is voided, and the student shall reapply for any future transfer.

(c) A public school choice transfer under this section shall be valid until the student:

(1) Graduates from high school;

(2) Seeks an additional public school choice transfer; or

(3) Returns to his or her resident school district.

SECTION 3. Arkansas Code § 6-18-206(b)(2)(B), concerning applications for public school choice transfer, is amended to read as follows:

(B)(i)(a) A student legally enrolled in a nonresident school district under this section on June 30, 2010 may remain enrolled in his or her public school choice school district until the student:

(1) Graduates from high school;

(2) Seeks an additional public school choice transfer; or

(3) Returns to his or her resident school district.

(b) A sibling or step-sibling of a student legally enrolled in a nonresident school district under this section on June 30, 2010 is eligible for initial enrollment and priority admission in the same nonresident school district during the student's legal enrollment or until the sibling or step-sibling:

(1) Graduates from high school;

(2) Seeks an additional public school choice transfer; or

(3) Returns to his or her resident school district.

(c) A school district maintains the right to challenge the unlawful attendance of resident students in another school district under § 6-18-202.

(ii)(a) Any student who applies for a transfer under this section and is denied a transfer by the nonresident district may request a hearing before the State Board of Education to reconsider the transfer.

(ii)(b) A request for a hearing before the state board shall be in writing and shall be postmarked no later than ten (10) days after notice of rejection of the application under subdivision (b)(1)(B) of this section is received by the student.

(c) The state board may approve the transfer if the state board determines that it is in the best educational interests of the student and that the transfer would not have a negative impact on a federal desegregation court order of the resident school district or nonresident school district.

SECTION 4. Arkansas Code § 6-18-206(f)-(j), concerning public school choice limitations, is amended to read as follows:

~~(f) The provisions of this section and all student choice options created in this section are subject to the following limitations:~~

~~(1) No student may transfer to a nonresident district where the percentage of enrollment for the student's race exceeds that percentage in the student's resident district except in the circumstances set forth in subdivisions (f)(2) and (3) of this section;~~

~~(2)(A) A transfer to a district is exempt from the restriction set forth in subdivision (f)(1) of this section if the transfer is between two (2) districts within a county and if the minority percentage in the student's race and majority percentages of school enrollment in both the resident and nonresident district remain within an acceptable range of the county's overall minority percentage in the student's race and majority percentages of school population as set forth by the department.~~

~~(B)(i) By the filing deadline each year, the department shall compute the minority percentage in the student's race and majority percentages of each county's public school population from the October Annual School Report and shall then compute the acceptable range of variance from those percentages for school districts within each county.~~

~~(ii)(a) In establishing the acceptable range of variance, the department is directed to use the remedial guideline established in Little Rock School District v. SECTION 5. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that current desegregation orders lead to uncertainty in school choice options; that the Magnet Cove School District lawsuit concerning school choice may impact desegregation efforts; and that this act is immediately necessary to ensure that a school choice law is adopted before further litigation efforts take place. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto. "

On motion of Senator Johnson, the rules were suspended in considering **Senate Bill No. 888** at this time.

On motion of Senator Johnson, **Senate Bill No. 888** was placed back on second reading for purpose of Amendment No. 2.

ARKANSAS SENATE
EIGHTY-EIGHTH GENERAL ASSEMBLY
REGULAR SESSION
Amendment No. 2 to SENATE BILL NO. 888

Amend **Senate Bill No. 888** as engrossed S3/23/11:

Page 1, line 11, delete "PART 2;" and substitute "PART 2; TO ENHANCE THE STABILITY OF FUNDING FOR SCHOLARSHIPS WITH NET PROCEEDS FROM THE STATE LOTTERY; TO DECLARE AN EMERGENCY;"

AND

Delete the subtitle in its entirety and substitute:

"ARKANSAS ACADEMIC CHALLENGE SCHOLARSHIP
AWARD STABILIZATION ACT."

AND

Page 4, delete line 28 and substitute the following:
"applicable term."

SECTION 3. Arkansas Code § 23-115-403(g), concerning unclaimed lottery prize money, is amended to read as follows:

(g)(1) Unclaimed lottery prize money shall be added to net lottery proceeds. During a fiscal year, the commission may expend up to two million five hundred thousand dollars (\$2,500,000) of unclaimed lottery prize money for one (1) or more of the following:

(A) Increasing the pool from which future lottery prizes are to be awarded;

(B) Maintaining online game reserves at a fiscally sound level;
or

(C) Prize promotion.

(2) On the last day of each fiscal year, the commission shall deposit into the trust account for net lottery proceeds the amount of unclaimed lottery prize money existing at the end of the fiscal year less one million dollars (\$1,000,000).

(3) The commission shall include in its monthly reports to the Arkansas Lottery Commission Legislative Oversight Committee the following monthly and year-to-date amounts:

(A) Unclaimed lottery prize money;

(B) Expenditures from unclaimed lottery prize money; and

(C) Deposits to net lottery proceeds from unclaimed lottery prize money.

SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that increasing the number of Arkansans who obtain postsecondary credentials is critical to the economic health of the state and its citizens; that the Arkansas Scholarship Lottery provides the opportunity for tens of thousands of Arkansans to obtain postsecondary education; that the deadline for scholarship applications is June 1; that the financial integrity of the Arkansas Scholarship Lottery is critical to the continued existence of the scholarships; and that this act is immediately necessary for the Department of Higher Education to promulgate rules to implement this act well before June 1, 2011, in order to provide eligible Arkansans the opportunity to apply for the scholarship. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

(SIGNED) SENATOR DAVID JOHNSON

The Amendment was read the first time, rules suspended, read the second time and adopted.

THAT the following is proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the state for approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon at the election adopt the amendment, the amendment shall become a part of the Constitution of the State of Arkansas, to wit:

*SECTION 1. The Arkansas Constitution is amended to read as follows:
Sales Tax Anticipated Revenue Bonds.*

(a) A city or county may form one (1) or more districts for the purpose of financing sales tax anticipated revenue bond projects within the district as provided by this section.

(b)(1) A city or county which has formed a district under this section may issue bonds for the purpose of financing certain costs related to a sales tax anticipated revenue bond project within the district, as determined by the General Assembly.

(2) The bonds may be secured by and be payable from all or a portion of the division of state sales and use taxes collected within the district under subsection (e) of this section.

(d) Prior to a city or county's issuance of bonds for a sales tax anticipated revenue bond project under subsection (b) of this section, the sales tax anticipated revenue bond project shall be approved by an appropriate state agency as may be determined by the General Assembly.

(e) The General Assembly may provide that all or a portion of the state sales and use tax collected within a district may be divided so that all or part of the increase in state sales and use tax collected by taxpayers within the district after the date on which the project plan has been approved by an appropriate state agency shall be used to pay any indebtedness incurred for the sales tax anticipated revenue bond project.

(f) Any provision of the Constitution of the State of Arkansas in conflict with this section is repealed insofar as it is in conflict with this section.

(g) The General Assembly shall provide for the implementation of this section by law.

SECTION 2. (a) As used in Section 2 of this amendment:

(B) The General Assembly shall prescribe a uniform method of calling and holding the election and the terms upon which the bonds may be issued.

(C) The election shall be held no earlier than thirty (30) days after it is called by the legislative body.

(2)(A) With the consent of a majority of the qualified electors voting on the question at an election called for that purpose, the legislative body of a municipality or county may authorize the levy of a local sales and use tax to pay the bonded indebtedness authorized in this section.

(B) The maximum rate of any tax to pay bonded indebtedness as authorized in this section shall be stated on the ballot.

(C) The General Assembly or the legislative body may authorize other taxes to retire the bonds.

(3)(A) The limit of the principal amount of bonded indebtedness of the municipality or county is the total amount of unfunded liability of the municipality or county for a closed local police and fire pension plan.

(B) An election shall not be called to authorize the issuance of bonds that would exceed the total amount of the unfunded liability of the municipality or county for the closed local police and fire pension plan either separately or combined with other bonds issued for the purpose of retiring the municipality's or county's unfunded liabilities for a closed local police and fire pension plan.

(c) The results of an election called under this section shall be published in a newspaper of general circulation in the county or municipality, and any contest of the election or the tabulation of the votes in the election shall be brought within thirty (30) days after the publication.

(f)(1)(A) The municipality or county may invest or reinvest the proceeds from the sale of the bonds.

(B) The General Assembly shall prescribe the terms upon which a municipality or county may invest or reinvest bonds for the purpose of retiring the unfunded liability of a closed local police and fire pension plan of the municipality or county.

(2)(A) After bonds have been issued under this section, a municipality or county may issue bonds for the purpose of refunding the principal of and interest on any outstanding bonds issued under this section.

(B)(i) The refunding bonds may be sold or delivered in exchange for the bonds being refunded.

(ii) If sold, the refunding bonds shall be issued, secured, and sold in accordance with this section.

(iii) If delivered in exchange, the municipality or county may exchange the bonds only for bonds of like amount, rate, interest, and length of issue.

(C) The proceeds derived from the sale of any refunding bonds shall be used only for the purposes stated in this section.

(g) After the electorate has approved the bond issue and before the issuance of the bonds, the municipality or county may borrow funds on an interim basis, not to exceed three (3) years, and pledge to the payment of the bonds the tax approved by the voters.

(h)(1) The revenues from the tax levied for payment of bonded indebtedness authorized in this section constitute a special fund pledged exclusively as security for the payment of the bonded indebtedness.

(2) The tax shall not be extended for any other purpose, and it shall not be collected for a greater length of time than necessary to retire the bonded indebtedness.

(3) Upon retirement of the bonded indebtedness, any surplus tax collections that may have accumulated shall be transferred to the general funds of the municipality or county.

(i) The General Assembly shall implement this section by appropriate legislation at the next regular session or fiscal session following the adoption of this amendment.

(j)(1) This section does not affect the taxes and bonds authorized for other purposes before the adoption of this amendment.

(2) Taxes levied before the effective date of this amendment continue in force until abolished, reduced, or increased as provided by law for those taxes.

(3) All bonds and other evidences of indebtedness authorized before the effective date of this amendment are governed by the constitutional provisions and laws in effect at the time of the authorization of those bonds.

SECTION 3. Section 2 of Amendment 78 to the Arkansas Constitution is amended to read as follows:

§ 2. [Short-term financing obligations].

(a)(1) For the purpose of acquiring, constructing, installing or renting real property or tangible personal property having an expected useful life of more than one (1) year, municipalities and counties may incur short-term financing obligations maturing over a period of, or having a term, not to exceed five (5) years. Such obligations may bear interest at either:

~~(1) a fixed rate throughout the term thereof, including a fixed interest rate which is to be determined by reference to an index or other formula, but not to exceed the maximum lawful rate of interest for fixed rate obligations, or~~

~~(2) a rate which may vary at such times and under such circumstances as the parties may agree, whether or not the interest rate in fact varies, but not to exceed the maximum lawful rate of interest for variable rate obligations. The maximum lawful rate of interest for fixed rate obligations is the formula rate in effect on the date the obligation is incurred, regardless of when such interest is to begin to accrue. The maximum lawful rate of interest for variable rate obligations is the formula rate in effect on the date such interest accrues. The aggregate principal amount of short-term financing obligations incurred by a municipality or a county pursuant to this section shall not exceed five percent (5%) of the assessed value of taxable property located within the municipality or two and~~

one half percent (2.5%) of the assessed value of taxable property located within the county, as determined by the last tax assessment completed before the last obligation was incurred by the city or county. ~~The total annual principal and interest payments in each fiscal year on all outstanding obligations of a municipality or a county pursuant to this section shall be charged against and paid from the general revenues for such fiscal year, which may include road fund revenues. Tax revenues earmarked for solid waste disposal purposes may be used to pay printing and other costs associated with bonds issued under this amendment for solid waste disposal purposes and special revenues authorized to be used to acquire, construct, install, or rent the property financed by such obligations.~~

(b) As used here:

(1) ~~“Short-term short-term financing obligation” means a debt, a note, an installment purchase agreement, a lease, a lease-purchase contract, or any other similar agreement, whether secured or unsecured; provided, that the obligation shall mature over a period of, or have a term, not to exceed five (5) years;~~

(2) ~~“Formula rate” means that rate of interest which is five percentage points (5%) above the equivalent bond yield of one year United States Treasury Bills offered by the United States Treasury at the last auction during the immediately preceding calendar quarter, calculated by rounding up to the nearest one-fourth of one percentage point (0.25%) (unless the equivalent bond yield is already by a multiple of one-fourth of one percentage point), and announced by the State Bank Commissioner (or such successor official who may be performing substantially the same duties) from information available from the Federal Reserve System of the United States. The calculation of the formula rate shall be made on or before the tenth (10th) day of each calendar quarter. The formula rate so calculated shall be effective on the eleventh (11th) day of the calendar quarter and shall continue in effect until the formula rate for the succeeding calendar quarter shall have been calculated and becomes effective. If, for any reason, the United States ceases to issue one year Treasury Bills, such calculation shall be made using a debt instrument of the United States having substantially the same general character and maturity. The calculation and announcement of the formula rate by the State Bank Commissioner shall be final.~~

(c) The provisions of this section shall be self-executing.
