"SECTION 5. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a one-year period; that the effectiveness of this act as soon as possible is essential to the operation of the judiciary and the administration of justice; and that this act is immediately necessary because the delay in the effective date of this act could cause irreparable harm upon the proper administration of essential governmental programs. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:
