SECTION 3. Arkansas Code § 20-48-105 is amended to read as follows:

20-48-105. Nonprofit community programs — ~~Extension or expansion~~ Expansion of services. (a)(1) The intent of this section is to avoid unnecessary duplication of costs and services in the ~~extension or~~ expansion of nonresidential services to ~~persons~~ adults with developmental disabilities. (2) A

(b)(1) The division shall not issue a new license for operation of a nonprofit community program or approve an application from a nonprofit community program to implement additional nonresidential services to ~~persons~~ benefit adults with developmental disabilities that are not currently offered by the nonprofit community program unless the division has determined that:

(A) A The county of the state in which the program seeks to operate is underserved with regard to a specific category of nonresidential services currently offered to ~~persons~~ adults with developmental disabilities and currently funded from available state or federal funds; or

(B)(i) A The county of the state in which the program seeks to operate is underserved with regard to new services not currently available to ~~persons~~ adults with developmental disabilities and the new services should be made available to ~~persons~~ benefit adults with developmental disabilities; and

(B) If nonprofit community programs with existing operations in the county that do not currently offer the specific category of nonresidential services identified by the division as underserved determine not to ~~extend~~ or expand the identified nonresidential service to ~~persons~~ adults with developmental disabilities in the underserved county, the division shall provide written notice by certified mail of its designation under subdivision (b)(1) of this section to all nonprofit community programs in the remainder of the state.

(C) If all nonprofit community programs in the remainder of the state determine not to ~~extend~~ or expand the identified nonresidential service to ~~persons~~ adults with developmental disabilities in the underserved county, the division shall provide notice to the general public in a newspaper of statewide general circulation.

(2) A qualified nonprofit community program from another county in the state;

(3) An accredited nonprofit entity in the underserved county;

(4) An accredited nonprofit entity from another county in the state; and

(2)(A) If an application is approved, the division shall issue a new license or service expansion approval if it finds that the proposed nonresidential service expansion meets the criteria for approval established by the division.

(B) If the application is denied, the division shall send written notice of the denial to the applicant that sets forth the criteria that the proposed nonresidential service expansion failed to meet.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that managed expansion of the child health management services program and the developmental day treatment clinic services for children program is in the best interest of children served and critical to economic efficiencies necessary to sustain the Medicaid program; that managed expansion is also necessary to ensure adequate geographic coverage in rural areas; and that the managed expansion rules in place for developmental day treatment clinic services have worked well and should serve as the model for child health management services or any successor program. Therefore, an emergency is hereby declared to exist and this act being necessary for the immediate preservation of the public peace, health and safety shall become effective on July 1, 2013."

Upon motion of Representative Eubanks, **HOUSE BILL NO. 2091** was placed back on second reading for the purpose of amendment.

**AMENDMENT NO. 1 TO HOUSE BILL NO. 2091**

Amend **HOUSE BILL NO. 2091** as originally introduced:

Delete everything after the enacting clause, and substitute the following:

"SECTION 1. Arkansas Code § 2-32-201(b), concerning production contracts, is amended to read as follows:

(b) A production contract shall:

(1) Be written in a readable form and ~~shall be~~ accompanied by a clearly written disclosure statement setting forth the nature of the material risk faced by all growers if the growers enter into the production contract;

(2) Be negotiated, entered into, and executed in an environment free from unfair or deceptive trade practices or other violations of law;

(3) Not prohibit or discourage a grower from associating with other growers to compare production contract terms or to address concerns or problems;

(4) Not prohibit or discourage growers from seeking professional, legal, financial, and agricultural production advice and counsel related to the production contract's terms, obligations, and responsibilities; ~~and~~

(5)(A) Not deny ~~any a~~ party to the production contract the ability to address a dispute in any court of competent jurisdiction.

(B) If after a dispute arises, all parties to the production contract agree, then ~~any a~~ dispute arising under the contract may be submitted to arbitration; and

(6)(A) Not require a grower to purchase additional equipment or upgrade structures housing poultry as a condition to the renewal of a contract with the grower.

(B) The prohibition stated in subdivision (b)(6)(A) of this section applies only to a grower who performs in the top eighty percent (80%) of the grower's complex based on the most recent annual average of the grower's cost of production.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that poultry integrators are imposing unreasonable, unnecessary, and burdensome requirements on poultry growers that unfairly force high-performing poultry growers to purchase additional equipment and upgrade structures in order to renew their contracts with the poultry integrators; that these types of contract provisions have an adverse effect on the poultry industry, which is an important part of Arkansas's economy that should be protected; and that

this act is immediately necessary because without a statutory prohibition on these types of unreasonable and burdensome contract provisions, poultry integrators will begin enforcing these provisions as early as May 1, 2013, which will have a detrimental effect on the poultry industry in the state. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

- (1) The date of its approval by the Governor;
- (2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or
- (3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."
