This act shall be known and may be cited as the "Health Care Independence Act of 2013".

20-77-2102. Legislative intent.

(a) Notwithstanding any general or specific laws to the contrary, the Department of Human Services is to explore design options that reform the Medicaid Program utilizing the Health Care Independence Act of 2013 so that it is a fiscally sustainable, cost-effective, personally responsible, and opportunity-driven program utilizing competitive and value-based purchasing to:

- (1) Maximize the available service options;
- (2) Promote accountability, personal responsibility, and transparency;
- (3) Encourage and reward healthy outcomes and responsible choices;

and

- (4) Promote efficiencies that will deliver value to the taxpayers.

(b)(1) It is the intent of the General Assembly that the State of Arkansas through the Department of Human Services shall utilize a private insurance option for "low-risk" adults.

- (2) The Health Care Independence Act of 2013 shall ensure that:

(A) Private health care options increase and government-operated programs such as Medicaid decrease; and

(B) Decisions about the design, operation and implementation of this option, including cost, remain within the purview of the State of Arkansas and not with Washington, D.C.

20-77-2103. Purpose.

(a) The purpose of this subchapter is to:

- (1) Improve access to quality health care;
- (2) Attract insurance carriers and enhance competition in the Arkansas insurance marketplace;
- (3) Promote individually-owned health insurance;
- (4) Strengthen personal responsibility through cost-sharing;
- (5) Improve continuity of coverage;
- (6) Reduce the size of the state-administered Medicaid program;
- (7) Encourage appropriate care, including early intervention, prevention, and wellness;
- (8) Increase quality and delivery system efficiencies;
- (9) Facilitate Arkansas's continued payment innovation, delivery system reform, and market-driven improvements;
- (10) Discourage over-utilization; and
- (11) Reduce waste, fraud, and abuse.

(b) The State of Arkansas shall take an integrated and market-based approach to covering low-income Arkansans through offering new coverage opportunities, stimulating market competition, and offering alternatives to the existing Medicaid program.

20-77-2104. Definitions.

(4) "Healthcare coverage" means healthcare benefits as defined by certification or rules, or both, promulgated by the State Insurance Department for the Qualified Health Plans or available on the marketplace;

(5) "Health Insurance Marketplace" means the vehicle created to help individuals, families, and small businesses in Arkansas shop for and select health insurance coverage in a way that permits comparison of available Qualified Health Plan based upon price, benefits, services, and quality, regardless of the governance structure of the marketplace;

(7) "Program" means the Health Care Independence Program established by this subchapter; and

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the Health Care Independence Program requires private insurance companies to create, present to the Department of Human Services for approval, implement, and market a new kind of insurance policy; and that the private insurance companies need certainty about the law creating the Health Care Independence Program before fully investing time, funds, personnel, and other resources to the development of the new insurance policies. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

who committed a capital offense, even if he or she was not yet eighteen (18) years of age at the time of the offense; and that this act is immediately necessary because a person who is not yet eighteen (18) years of age may commit a capital offense and the available punishments should not be unconstitutional when he or she is brought to trial. Quality of Life:

I want my doctors to help me maintain an acceptable quality of life including adequate pain management. A quality of life that is unacceptable to me means when I have any of the following conditions (**you can check as many of these items as you want**):

- Permanent Unconscious Condition:** I become totally unaware of people or surroundings with little chance of ever waking up from the coma.
- Permanent Confusion:** I become unable to remember, understand or make decisions. I do not recognize loved ones or cannot have a clear conversation with them.
- Dependent in all Activities of Daily Living:** I am no longer able to talk clearly or move by myself. I depend on others for feeding, bathing, dressing and walking. Rehabilitation or any other restorative treatment will not help.
- End-Stage Illnesses:** I have an illness that has reached its final stages in spite of full treatment. Examples: Widespread cancer that does not respond anymore to treatment; chronic and/or damaged heart and lungs, where oxygen needed most of the time and activities are limited due to the feeling of suffocation.

Treatment:

If my quality of life becomes unacceptable to me and my condition is irreversible (that is, it will not improve), I direct that medically appropriate treatment be provided as follows. **Checking "yes" means I WANT the treatment. Checking "no" means I DO NOT want the treatment.**
