Insert an additional SECTION immediately following SECTION 19 to read as follows:

" SECTION 20. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. ENTERPRISE FRAUD PILOT PROJECT.

(a) So that savings to Arkansas businesses and taxpayers and recoveries may be realized as soon as possible, at the direction of the Governor, the Office of Accounting in the Department of Finance and Administration shall initiate the Enterprise Fraud Pilot Project focused on fraud, waste, abuse, and improper payments, and employer compliance within the Department of Workforce Services' Unemployment Insurance program, the Temporary Assistance for Needy Families program, and the Department of Human Services' Supplemental Nutrition Assistance Program that will implement state-of-the-art enterprise fraud detection technology that can further support detection and prevention across state agencies, programs and functions.

(b) Unless precluded under federal law or regulation or under state law, the Department of Workforce Services' Unemployment Insurance program, the Temporary Assistance for Needy Families program, and the Department of Human Services' Supplemental Nutrition Assistance program may support and participate in the efforts of the Department to develop the Enterprise Fraud Pilot Project.

(c) Unless precluded under federal law or regulation or state law, each state agency shall share any and all data under its control or administration that might have value in detecting or preventing fraud and abuse.

(d) Upon initiation by the Governor, the request for a bid shall be sent to the Health Reform Legislative Task Force for review, and their recommendation shall be submitted to the Arkansas Legislative Council or Joint Budget Committee.

(e) At the direction of the Governor, the department shall enter into a vendor license agreement for the operation of a vendor hosted fraud, waste, abuse and improper payments detection and prevention system. Vendor technology for the project shall include without limitation the following capabilities:

(1) Automated detection and alerting;

(2) Continuous monitoring of program transactions and activity, with the ability to identify, fraud, non-compliance and improper payments both prospectively and retrospectively;

(3) The ability to detect non-traditional fraud such as program eligibility issues and identify theft;

(4) Use of state-of-the-art analytical techniques, including without limitation;

(A) Predictive modeling;

(B) Complex pattern analysis;

(C) Link analysis;

(D) Text mining; and

(E) Geospatial analysis;

(5) Feedback and self-learning capability to adapt to changing schemes and trends;

(6) Advanced entity resolution capabilities to create a holistic view of entities across state agencies, programs and databases; and

(7) The ability to extend and adapt to all areas of state government;
and

(8) Demonstrate experience hosting sensitive and regulated state data.

(f) The office shall enter into a vendor license agreement for the project in an amount not to exceed the potential cost savings as estimated by the office in cooperation with impacted state agencies under the project.

(1) Payments shall be structured to coincide with expected savings.

(g) Unless extended, the project shall expire 24 months after implementation;

(h) After implementation, the Office of Accounting in the Department of Finance and Administration shall provide annual reports to the co-chairs of the Joint Performance Review Committee and the House and Senate Committees on State Agencies and the Health Reform Legislative Task Force;

(i) A report under this section shall include without limitation:

(1) Comprehensive data regarding the establishment and operations of the Enterprise Fraud Pilot Project; and

(2) The resources and processes of each participating state agency to investigate the leads provided by the vendor; and

(3) Incidents, types and amounts of fraud identified by state agency; and

(4) The amount actually recovered as a result of fraud identifications by state agency; and

(5) Expected cost avoidance through benefits not issued or denied, pre-payment intervention, and future behavior change through intervention; and

(6) Procedural changes resulting from fraud identification and the timeline for implementation each by state agency."

(1) Become a party to a contract between a participating school and a student's parent or guardian, however the state board shall make payments to a participating school as long as a student is enrolled and attending the participating school in good standing as required under § 6-41-704; or

(2) Make payments to a participating school after the state board is notified from either the participating school or a student's parent or guardian that the student is no longer enrolled or attending the participating school.

6-41-707. Autonomy of participating schools.

(a) A private school that participates in the Succeed Scholarship Program is not considered an agent or instrumentality of the State of Arkansas or a school district.

(b) The curriculum and education plan for a student with a disability attending a private school is not subject to the regulatory authority of the State Board of Education.

(c) As a condition of continued participation in the program, the state board may require a participating school that is receiving funds from the program to certify on a semiannual basis under oath that a student is and has been enrolled and attending the participating school except for excused absences."

AMENDMENT NO. 1 TO HOUSE BILL NO. 1666

Amend **HOUSE BILL NO. 1666** as originally introduced:

Delete everything after the enacting clause and substitute the following;

"SECTION 1. Arkansas Code § 16-90-1304 is amended to read as follows:
16-90-1304. Application.

(a) When a person has accumulated enough days, through a combination of served and earned time equal to the total number of days of the sentence imposed by the sentencing court, he or she shall ~~have attained completion of~~ be eligible for consideration of discharge of his or her sentence under this subchapter.

(b)(1) No less than forty-five (45) days before the discharge date, the Department of Community Correction shall submit notice to:

- (A) The prosecuting attorney; and
- (B) The Parole Board.

(2) Within thirty (30) days ~~before the discharge date of receipt of the earned discharge notice~~, the prosecuting attorney or the Parole Board may ~~file a petition in the sentencing court stating~~ submit to the department in writing any reasonable objection to early discharge under this subchapter warranting the forfeiture of earned-discharge credit.

(3) If ~~a petition stating~~ an objection under subdivision (b)(2) of this section is lodged, the department shall immediately suspend the discharge of the sentence ~~pending a review of the evidence contained in the objection by the sentencing court~~.

(4) The parolee or probationer may file a petition for review in the sentencing court.

~~(4)(5)~~ (5) A review shall be conducted in the sentencing court within fourteen (14) days of the filing of the petition.

~~(5)(A)(6)(A)~~ Upon the request of the prosecuting attorney or the Parole Board, the The sentencing court shall consider the objections against the person based solely on the information contained in the petition.

(B) The sentencing court shall determine, based on a preponderance of the evidence, whether the person should not be discharged from the sentence because, if the information contained in the petition had been known to the Department of Community Correction, the department would have ordered the forfeiture of any of the discharge credit earned to that point or if insufficient evidence exists that would warrant the forfeiture of discharge credit.

(C) If the sentencing court finds sufficient evidence warranting a forfeiture of discharge credits, the department shall make the necessary forfeiture of earned discharge credit appropriate for the type of misconduct asserted in the objection.

(D)(i) If the sentencing court does not find sufficient evidence exists that warrants forfeiture of discharge credits, the department shall discharge the person immediately if the date upon which the completion of the sentence occurred has passed.

(ii) If the date for completion of the sentence has not occurred, the person shall return to the status held at the point the objection was filed.

(c) If the prosecuting attorney or the board does not file an objection, upon the filing of a petition in the sentencing court by the parolee or probationer stating that no objections have been filed, the court may discharge the person immediately if the date upon which the completion of the sentence has passed.

~~(6)~~(d) An appeal may not be taken by either party from the sentencing court's findings or the department's decision for early discharge.

SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the Department of Community Correction has changed the system for discharging probationers and the department discontinued the former system at the beginning of the year; that the new system is automated and is ready for implementation; and that this act is immediately necessary because in order for a seamless implementation the department would like to begin the new system at the same time the changes in this act become effective. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto."

Subchapter 30 — Behavioral Health Treatment Access Legislative Task Force

10-3-3001. Behavioral Health Treatment Access Legislative Task Force

(a)(1) There is created a Behavioral Health Treatment Access Legislative Task Force responsible for ensuring that persons in the criminal justice system who have a demonstrated need for behavioral health treatment have access to treatment.

(2) The Bureau of Legislative Research shall provide staff support for the task force.

(b) The task force is composed of no more than nine (9) members, as follows:

(1) No more than four (4) members may be appointed by the Governor from the following persons:

(A) No more than one (1) member who is engaged in providing substance abuse treatment in the private sector;

(B) No more than one (1) member who is engaged in providing mental health treatment in the private sector; and

(C) No more than two (2) members of the general public who advocate for access to behavioral health services;

(2) The Director of the Department of Community Corrections or his or her designee;

(3) The Deputy Chief Counsel of the General Counsel Section for the Department of Human Services or his or her designee;

(4) The Insurance Commissioner of the State Insurance Department or his or her designee;

(5) One (1) member of the General Assembly to be appointed by the President Pro Tempore of the Senate; and

(6) One (1) member of the General Assembly to be appointed by the Speaker of the House of Representatives.

(c)(1) The task force shall meet on or before the thirtieth day after the effective date of this act, at the call of the member of the General Assembly appointed by the President Pro Tempore of the Senate, and organize itself by electing such other officers as the task force may consider necessary.

(2) Thereafter, the task force is to meet at least quarterly and as often as necessary and at the call of the chair or a majority of the members.

(3) A quorum of the task force consists of five (5) members.

(d) The task force has the following powers and duties:

(1) To facilitate access to behavioral health treatment programs;

(2) To coordinate with other public and private entities to develop and promote access;

(3) To take steps to reduce costs and encourage evidence-based care;

(4) To assess feasibility and make recommendation for changes to state programs to improve access; and

AMENDMENT NO. 1 TO HOUSE BILL NO. 1885

Amend **HOUSE BILL NO. 1885** as originally introduced:

Delete everything after the enacting clause, and substitute the following:

"SECTION 1. Arkansas Code Title 23, Chapter 18, is amended to add an additional subchapter to read as follows:

Subchapter 11 — Arkansas Distributed Generation Act of 2015
23-18-1101. Title.

This subchapter shall be known and may be cited as the "Arkansas Distributed Generation Act of 2015".

23-18-1102. Findings — Purpose.

(a) The General Assembly finds that it is in the public interest to:

(1) Promote and encourage the development and use of this state's renewable energy resources;

(2) Foster investment in emerging renewable energy technologies using the renewable energy resources found within this state; and

(3) Require electric utilities to include renewable energy resources as an integral part of their energy portfolios.

(b) The purpose of this subchapter is to:

(1) Ensure that each electric utility includes renewable energy resources as an integral part of its energy resource plan; and

(2) Enable the increased use of renewable energy resources.

23-18-1103. Definitions.

As used in this subchapter:

(1) "Distributed generation contract" means a contract, including rules and procedures, approved by the Arkansas Public Service Commission, that governs the purchase of electric energy and capacity from a renewable electric generation facility;

(2) "Electric utility" means a public utility as defined in § 23-1-101 or a municipal utility that is engaged in the business of supplying electricity to an end user in this state;

(3) "Renewable electric generation facility" means a facility for the generation of electric energy that:

(A) Is owned or leased and is operated by one (1) or more persons or corporations;

(B) Is located in this state;

(C) Is connected to an electric utility grid;

(D) Is fueled by a renewable energy resource; and

(E) Has an effective alternating current capacity of not more than twenty megawatts (20 MW) nameplate value;

(4) "Renewable energy generation credit" means the monetary, statutory, or regulatory value per kilowatt-hour of the added value and environmental benefits; and

(5) "Renewable energy resource" means a solar, wind, water, or geothermal resource, including without limitation biomass, agricultural waste, and landfill waste that is converted into electrical energy and is located in the state.

23-18-1104. Distributed generation contracts — Requirements.

(a) Each electric utility shall:

(1) Consider distributed generation contracts as part of any resource plan developed under § 23-18-106; and

(2) Include distributed generation contracts in its resource plans consistent with the requirements of this subchapter.

(b)(1)(A) The Arkansas Public Service Commission shall direct each electric utility in its jurisdiction to develop and maintain a standardized distributed generation contract for the purchase of electric capacity and energy from renewable electric generation facilities in the state.

(B) The commission may approve a nonstandard contract between an electric utility and a renewable electric generation facility that meets the requirements of this subchapter.

(2) A distributed generation contract required under subdivision (b)(1)(A) of this section shall:

(A) Contain terms and conditions that:

(i) Enable the interconnection and use of renewable energy resources;

(ii) Protect the integrity and reliability of each electric utility's system; and

(iii) Protect the health, safety, and welfare of the public;

(B) Incorporate the terms and other conditions determined by the commission for renewable electric generation facilities that consider and may be differentiated by:

(i) The renewable energy generation technology being used;

(ii) The location and generation capacity of the renewable electric generation facility; and

(iii) The electric utility's ability to schedule and control the delivery of electric energy from the renewable energy generated by a renewable electric generation facility; and

(C) Not include an indemnity and liability provision applicable to the state, an entity of the state, a local government, an entity of a local government, or a federal agency.

(c) The price for the electric energy and capacity purchased from a renewable electric generating facility under a distributed generation contract shall consider and may be differentiated by:

(1) The renewable energy generation technology being used;

(2) The quantifiable benefits associated with the renewable electric generating facility, including without limitation benefits to the electric utility's capacity, reliability, distribution system, or transmission system;

(3) The location and generation capacity of the renewable electric generation facility;

(4) The electric utility's ability to schedule and control the delivery of the electric energy from the renewable energy generated by a renewable electric generation facility;

(5) The applicable electric utility's avoided cost;

(6) The value of a renewable energy generation credit; and

(7) The term of the distributed generation contract.

(d) After providing notice and a hearing, the commission may approve a distributed generation contract developed under this section if the commission determines that:

(1) The distributed generation contract satisfies the requirements of this subchapter;

(2) The cost of the distributed generation contract is reasonable and prudent;

(3) The distributed generation contract is required by the public convenience and necessity;

(4) The distributed generation contract enables the electric utility to supplement or replace its existing generation resources; and

(5) Approval of the distributed generation contract is in the public interest.

23-18-1105. Net-metering facilities.

(a) A net-metering facility installed or interconnected under the Arkansas Renewable Energy Development Act of 2001, § 23-18-601 et seq., qualifies as a renewable electric generation facility under this subchapter.

(b) A net-metering customer may elect to convert a net-metering facility to a renewable electric generation facility and may apply for a distributed generation contract under this subchapter.

23-18-1106. Renewable energy generation credits.

A renewable energy generation credit shall:

(1) Be conveyed to the electric utility under the distributed generation contract; and

(2) Qualify in helping an electric utility to meet applicable standards established by the state or federal government.

23-18-1107. Interconnection.

(a) A distributed generation contract shall specify the terms of interconnection and shall include specific provisions to:

(1) Enable the interconnection and use of renewable energy resources;

(2) Protect the integrity and reliability of each electric utility's system;
and

(3) Protect the health, safety, and welfare of the public.

(b) All costs of interconnection, including an addition or modification to an electric utility's system that is made beyond the point at which a renewable electric generation facility interconnects with an electric utility's system for the sole purpose of receiving electricity from a renewable electric generation facility, are the exclusive responsibility of the renewable electric generation facility.

(c) The cost of interconnection shall include without limitation any quantifiable additional cost associated with the renewable electric generation facility's use of the electric utility's distribution system and transmission system, and any effect on reliability.

(d) A necessary metering upgrade for a renewable electric generation facility that has executed a distributed generation contract under this subchapter is the exclusive responsibility of the renewable electric generation facility.

23-18-1108. Cost recovery.

The Arkansas Public Service Commission shall allow an electric utility to recover the reasonable and prudent costs associated with a distributed generation contract approved by the commission under § 23-18-1104.

23-18-1109. Rules.

The Arkansas Public Service Commission shall adopt rules necessary to implement and administer this subchapter.

SECTION 2. DO NOT CODIFY. Within ninety (90) days after the effective date of this act, each electric utility shall file its standard distributed generation contract required under § 23-18-1104 with the Arkansas Public Service Commission for approval by the commission."

AND

Page 1, delete lines 29 through 36, and substitute the following:

"(c) A utility shall not enter into a power purchase agreement for a term of more than five (5) years or recover the cost of the power purchase agreement in rates unless the commission finds that:

(1) The cost of the power purchase agreement is reasonable and prudent;

(2) The power purchase agreement will provide savings for retail customers as compared to other generation and power supply options over the term of the power purchase agreement;

(3) The power purchase agreement is required by public convenience and necessity;

(4) The power purchase agreement is necessary to supplement or replace the utility's existing generation sources; and

(5) Approval of the power purchase agreement is in the public interest.

(d) After making the findings required under subsection (c) of this section, the commission may enter an order approving the power purchase agreement and providing for the utility to recover the costs of the power purchase agreement over the term of the power purchase agreement.

(e)(1) If the commission approves a power purchase agreement under this section, the commission may authorize the utility to recover an additional sum as determined by the commission in recognition of the unique characteristics of the power purchase agreement if the commission finds that including the additional sum is in the public interest.

(2) In determining the additional sum allowed under subdivision (e)(1) of this section, the commission may consider:

(A) The risks of the power purchase agreement;

(B) A commensurate return on the power purchase agreement as would be allowed for an equivalent investment in a power plant;

(C)(i) An equitable sharing of any savings between the utility and the retail customers of the utility.

(ii) However, the retail customers' share shall not be less than seventy-five percent (75%); and

(D) Any other reasonable mechanisms for determining the additional sum that:

(i) Are in the public interest;

(ii) Equitably balance the interests of the utility and the retail customers of the utility; and

(iii) Provide results that are comparable to the criteria described in subdivision (e)(2)(B) or (C) of this section.

(3) If the commission authorizes an additional sum under this subsection, the utility shall recover the additional sum over the entire term of the power purchase agreement in the same manner as it recovers the cost of the power purchase agreement as long as electricity, generation capacity, or ancillary products are being delivered in accordance with the terms of the power purchase agreement."
