

0150 - University of Arkansas for Medical Sciences
Fiscal Year 2026
As Enacted by Acts 90 and 533 of 2025

The University of Arkansas for Medical Sciences is located in Little Rock, Arkansas and is a four-year specialized degree and doctoral granting institution of higher education. Its mission is to improve the health, health care and wellbeing of Arkansans and of others in the region, nation and the world by: educating current and future health professionals and the public; providing high-quality, innovative health care and also providing specialty expertise not routinely available in community settings; and advancing knowledge in areas of human health and disease and translating and accelerating discoveries into health improvements.

Commitment Item		2024-2025	2025-2026	
		Authorized	Legislative	Change Level
5100004	Grants and Aid	\$5,000,000	\$0	(\$5,000,000)
Total				(\$5,000,000)

- The change reflects the institution's request/AHECB recommendation.

POSITIONS

Total Requested Positions FY2026: 12,761* (see Special Language Revisions)

Total Authorized Positions FY2025: 11,861

Requested Tobacco Positions FY2026: 113

Increase / (Decrease): 900*

Requested Extra Help Positions FY2026: 1,565

SPECIAL LANGUAGE REVISIONS

The Stipends language was removed via amendment. The 900 resident positions were moved to the Regular Salaries section but already existed through the language, therefore the increase of 900 is actually a net zero change.

The Day Care language was deleted as it had been unused.
