

Gap in training needed to
training provided

- Career Awareness
starting earlier

- Lack of systemic approach
to training needs

- Engagement

- with students
- industry in classroom

Potential focus more on
business attraction than
retention

- Lack of knowledge / exposure
by educators $\leftrightarrow$ business
- No legislative issues

- Lack of accreditation / cert. body
@ post-secondary

- "Waiver process" -
does this impact
innovation?

- No easy pathways b/w
secondary - post-seca
-

- Public - Private partnerships

- CTE Advisory Boards

- Ed. Co-Ops

- How to activate? Empower?

- Greater openness/engagement
by business/industry
of educators
incentives

- Changing "script" for
teachers

- How do we empower/
enable teachers to
pursue -

- Ability to scale successful
programs -

- How do we know what
those are?

- We can't forget about
adults!

- Use military recruiting model in schools
- Scholarship recognitions
 - "signing bonuses"
- Maximize schools/labs/centers usage
