* Only rulings that overturned the overall disposition of an investigation from TRUE to UNSUBSTANTIATED is considered as "Overturned." If the ruling overturned only one of the many allegations within a report or allegations against only one of the many offenders within a report, but the overall disposition remained True, the result was not considered an Overturned investigation.

** Only rulings that overturned the overall disposition of an investigation from TRUE to UNSUBSTANTIATED is considered as "Overturned." If the ruling overturned only one of the many allegations within a report or allegations against only one of the many offenders within a report, but the overall disposition remained True, the result was not considered an Overturned investigation.*
